Amend Section 1, page 2, line 12 to RES 31957 as follows:

Section 1. Proceeds from the new payroll tax imposed by the ordinance introduced as CB 119810 may only be used for investments in the spending categories established in the ordinance introduced as CB 119811 and as further described in this resolution and summarized in Attachment 1 to this resolution. The Council intends that the investments described in this resolution are equitably distributed throughout the City, including funding programs serving low-wage working people, families, and individuals, homeless individuals and families, Black, Indigenous, People of Color (BIPOC) and other historically marginalized communities who have faced barriers to equitable access to housing, employment, and other opportunities, and small businesses owners, who live or work in neighborhoods across the City.

Effect: This amendment adds language confirming the Council's intent that investments are equitably distributed, providing needed support and services to people living and working in neighborhoods across the city.
