3 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE**
4 **MAYOR CONCURRING, THAT:**

5 Section 1. The City Council finds and declares that:

6 A. On February 29, 2020, Governor Jay Inslee proclaimed a State of Emergency for all
7 counties throughout Washington State as a result of the confirmed person-to-person spread of
8 COVID-19 in Washington.

9 B. The COVID-19 disease, caused by a virus that spreads easily from person to person
10 and which may cause serious injury and death, has spread throughout King County and Seattle.

11 C. On March 3, 2020, Mayor Durkan issued a Proclamation of Civil Emergency
12 declaring a civil emergency within Seattle based on the confirmed spread of COVID-19 in King
13 County and resulting deaths.

14 D. In recognition of the danger that hospitals may become overwhelmed with COVID-19
15 patients unless the spread of the disease is slowed, on March 23, 2020, Governor Inslee imposed
16 a stay-home order throughout Washington, prohibiting all people in the State from leaving their
17 homes or participating in gatherings with only limited exceptions for participating in essential
18 activities or essential business services. The order is currently in effect through May 4, 2020.

19 E. The Governor's Proclamation 20-28 prohibits agencies from taking action (as defined
20 in RCW 42.30.020), unless the matter is (1) necessary and routine; or (2) necessary to respond to
21 the COVID-19 public health emergency.

1 F. This legislation is necessary to respond to the COVID-19 public health emergency
2 because this legislation urges the governor to provide economic relief to those impacted by the
3 COVID-19 emergency and who cannot access many of the existing COVID-19 relief funds.

4 Section 2. The Seattle City Council urges Governor Inslee and the Washington State
5 Legislature to:

6 A. Create a “Washington Worker Relief Fund” with an initial allocation of at least \$100
7 million, to be administered by community-based organizations to provide emergency economic
8 assistance to undocumented Washingtonians during the COVID-19 pandemic; and,

9 B. Work to create a system that will provide wage replacement protection to workers who
10 lose their jobs and are excluded from the current unemployment insurance system, including
11 undocumented immigrants, to protect public health and support workers and their families during
12 Washington’s economic recovery.

13 Section 3. The City Council requests that the Office of Intergovernmental Relations
14 deliver copies of this resolution, upon adoption, to Governor Jay Inslee and caucus leadership.

1 Adopted by the City Council the 18th day of May, 2020,
2 and signed by me in open session in authentication of its adoption this 18th day of
