Full Council
July 27, 2020, v2

Revise Section 1 to increase sales tax rate to two-tenths of one percent as follows:

Section 1. The City submits to the qualified electors of the City of Seattle a proposition to authorize up to a ~~0.1 percent~~ 0.2 percent sales and use tax for a four-year term ending December 31, 2024. This sales and use tax replaces the \$60 Vehicle License Fee and 0.1 percent sales and use tax first authorized by Seattle voters in 2014 for a six-year term expiring at the end of 2020. If approved by voters, the revenues will be used solely for the purpose of maintaining transit service and access to frequent transit service for Seattle neighborhoods, students and low income individuals, including associated maintenance and capital improvements that serve efficient operation of transit service; emerging mobility needs to support COVID-19 recovery and the Reconnect West Seattle strategy to mitigate the ongoing closure of the West Seattle High Bridge; community-led oversight; and continuation of programs to increase transit access for low income residents, seniors and students.
