1. BILL SUMMARY

Legislation Title: A RESOLUTION affirming the rights of members of the press, legal observers, and medical personnel covering the protests against police brutality.

Summary and background of the Legislation: In recent months, journalists, legal observers, and medical personnel have been present to document, observe, and provide aid to those injured, respectively, during protests against police brutality and for justice for those killed by police. In the course of these protests, journalists, legal observers, and medical personnel have been subject to injury, intimidation, arrest, and threats from law enforcement as they do their jobs. In addition, the Seattle Police Department (SPD) issued, and a King County Superior Court judge enforced, a subpoena to the media for unpublished images and recordings of protests. This resolution opposes that subpoena, condemns targeting of journalists, legal observers, and medical personnel and asks that SPD not target, and discipline officers who do target these parties.
