

Technical Amendment to CB 119858

This amendment was identified by Central Staff and presented orally in committee. The West Seattle Bridge Immediate Response CIP project was established by Council in previous legislation (CB 119818, adopted by Full Council on 8/10/2020). This amendment clarifies that the new CIP page is a substitute for the existing CIP page.

This amendment was moved by CM Pedersen and approved by the committee.
