Budget Action Description:

This Council Budget Action would add one Planning and Development Specialist II position and \$130,350 to support a new Indigenous Advisory Council to be created in 2021. This advisory council would advise elected officials, including Councilmembers and the Mayor, about issues relevant to urban Native populations and how the City can better serve that population. It would not replicate the work of the existing Seattle Indian Services Commission, which is a public development authority that advocates for housing and human services funding for programs that serve urban Natives.
