Budget Action Description:

This Budget Action adds \$200,000 GF to the Office of Housing (OH) to continue funding of the Home and Hope Program. This program works to accelerate the development of affordable housing in conjunction with early childhood education centers, health clinics, or other community uses, on underutilized, public or tax-exempt sites. The City has provided \$200,000 in annual funding for this program since 2017. The Mayor's proposed 2021 budget did not include funding for this program. City funds will be used for pre-development services to support future development of identified sites in the City of Seattle.
