anticipated Transportation Network Company Tax proceeds which have not materialized in 2020.

A public life study seeks to evaluate and characterize the use of public space (i.e., how public space is being used and by whom) to provide insight into how design, activation, social behavior, built environment, and urban form influence public activity. SDOT's 2018 Public Life Study evaluated 108 block faces across the city, including four locations in Capitol Hill.
