A RESOLUTION relating to the Findings and Recommendation of the Hearing Examiner for The City of Seattle on the Final Assessment Roll for the Waterfront Local Improvement District (LID #6751); remanding certain properties to the City Appraiser for further analysis concerning the valuation of the properties consistent with recommendations of the Initial Report; returning jurisdiction to the Hearing Examiner for final recommendations on the remanded properties; directing the Hearing Examiner to file final findings, recommendations or decisions on the Final Assessment Roll for the Waterfront LID (“Final Report”) with the City Clerk; providing for appeal from the Final Report; and postponing hearings on appeals from the Initial Report previously scheduled via Resolutions 31969, 31972, 31973, and 31974.

Summary and Background of the Legislation:

This resolution would specify next steps in the process of Council’s consideration of the Hearing Examiner’s findings and recommendation on the Final Assessment Roll for the Waterfront Local Improvement District (Waterfront LID).

Adopting this resolution would:

- Remand to the City Appraiser for further analysis the valuation of the 17 properties (remanded properties);
- Direct the City Appraiser to submit further analysis concerning valuation of the remanded properties to the Hearing Examiner no later than November 30, 2020;
- Direct the Hearing Examiner to review the City Appraiser’s further analysis for the remanded properties and to provide notice and hold a hearing on the results of the analysis on the remanded properties;
- Direct the Hearing Examiner to reduce any findings, recommendations, and decisions on the remanded properties to writing and consolidate them with the findings and recommendations of the Initial Report into a Final Report;
- Request the Hearing Examiner to file the Final Report with the City Clerk no later than February 1, 2021;
- Direct the City Clerk to post the filing or otherwise make it available;
- Provide for appeal of the Final Report by any party who made a timely protest at the initial hearing;
- Provide for the filing of amendment to an appeal that was properly submitted in response to the Initial Report;
- Clarify that parties who properly filed appeals in response to the Initial Report and who do not wish to amend their appeals in response to the Final Report are not required to take any further action for their appeals to be heard; and

- Reschedule the hearings of multiple appeals from the Initial Report previously scheduled via the adoption of Resolutions 31969, 31972, 31973 and 31974: the December 1, 2020 hearings to March 2, 2021 and the January 5, 2021 hearings to April 6, 2021.

Background:

In May 2018, Council adopted Resolution 31812 declaring the City's intent to construct the Seattle Central Waterfront Improvement Program and to create a local improvement district (LID) to assess a part of the cost and expense of those improvements against the properties specially benefited by the improvements. Resolution 31812 also notified all persons who object to such improvements to appear and present their objections at scheduled public hearings. It directed the City Clerk to give notice of the adoption of the resolution, provide information about the proposed Waterfront LID, and share notice of the hearings with potentially affected property owners.

The Hearing Examiner subsequently conducted hearings, prepared a report, and delivered the report to Council for consideration before the Council's decision to form the Waterfront LID through Ordinance 125760.

In passing Ordinance 125760 to establish the Waterfront LID in January 2019, Council ordered the preparation of the final assessment roll for the Waterfront LID. The final assessment roll for a local improvement district, like the Waterfront LID, is a listing of all properties in the local improvement district and the amount to be assessed against each property based on the increase in value accruing to each property, the special benefit, that is attributable to the construction of the local improvements.

In January 2019, the City commissioned ABS Valuation (City Appraiser) to perform a Final Special Benefit Study to determine the special benefit that each property located within the Waterfront Local Improvement District (LID) boundary would receive from the LID Improvements. In November 2019, based on the estimates in the Final Special Benefit Study, the Director of Transportation prepared the proposed final assessment roll for Local Improvement District (LID) No. 6751 and filed it with the City Clerk.

On November 18, 2019, the Council passed Resolution 31915, which initiated the process to confirm Waterfront LID assessments and designated February 4, 2020, as the date for the hearing and designated the Hearing Examiner for The City of Seattle to conduct the required hearing on the Waterfront LID final assessment. The Hearing Examiner filed his report of findings and recommendation with the City Clerk on September 8, 2020 (Initial Report). Pursuant to Seattle Municipal Code 20.04.090, his filing of the report initiated the possibility of appeals from his report to Council.

Revised Code of Washington (RCW) 35.44.070 and Seattle Municipal Code (SMC) 20.04.090 require the Council to hear any appeals from the report of the Hearing Examiner on the final assessment roll for local improvement districts. And SMC 20.04.090 and City Council Rules for Quasi-Judicial Proceedings (QJ Rules) subsection V.A.2 require that an appellant must file a notice of appeal from said report with the City Clerk within 14 days of the Hearing Examiner's filing of the recommendation with the City Clerk.

SMC 20.04.090 requires the Council to set a time and place for a hearing on the appeal before the City Council or a committee thereof and to give notice of the time and place to the appellant following the filing of the notice of appeal. QJ Rules subsection IV.A states that the Council may delegate the appeal review to a committee and that the committee would make a recommendation to the full Council on the appeal. QJ Rules subsection VI.A requires the delegated committee to set the time and place for the hearing on the appeal within 15 days following the filing of the appeal with the City Clerk.

After the Hearing Examiner filed the Initial Report, the City Clerk received multiple appeals and it was necessary for Council to fix dates for hearings on valid appeals within the required 15-day time period. Council delegated appeals to the Council's Public Assets and Native Communities Committee and fixed dates for hearing on the appeals by adopting Resolutions 31969, 31972, 31973 and 31974.

In the Report, the Hearing Examiner recommended the remand of certain properties (remanded properties) to the City Appraiser for further analysis of their valuation before making a final recommendation on the final assessment of the remanded properties. With adoption of this resolution, Council would direction to the City Appraiser, the Hearing Examiner and the City Clerk to take actions to address the remanded properties and would reschedule the previously scheduled dates and times of hearings of appeals from the Initial Report until after the Hearing Examiner has filed the Final Report with the City Clerk.

The Council may not approve the final assessment roll for the Waterfront Local Improvement District (LID) without reviewing and deciding upon appeals of the HE's recommendation on the final assessment roll. The LID assessment would fund \$160 million of improvements plus approximating \$15.5 million on financing costs of the LID.
