

CITY OF SEATTLE

ORDINANCE 126266

COUNCIL BILL 119955

AN ORDINANCE relating to Seattle Public Utilities; relating to certain properties in the city of Renton at the intersection of Interstate 405 and Seattle Public Utilities' (SPU) Cedar River Pipelines right-of-way; declaring certain property rights surplus to the needs of SPU; authorizing the General Manager and Chief Executive Officer of SPU to execute and deliver a Quit Claim Deed to the Washington State Department of Transportation and to accept a Quit Claim Deed and three easements from the State of Washington as consideration for the release of the surplus property rights, all as necessary for the relocation of SPU's Cedar River water transmission pipelines in conjunction with the State's construction of the I-405 Renton "S" Curves project; all located in the SE quarter of the NW quarter of the SW quarter of Section 17, Township 23, Range 5 East, W.M., King County, Washington; and ratifying and confirming certain prior acts.

WHEREAS, The City of Seattle ("City") owns in fee a water transmission pipeline right-of-way in the city of Renton acquired for its Cedar River Pipelines; and

WHEREAS, the State of Washington, Department of Transportation ("State"), operates and maintains Interstate 405, which crosses the City's pipeline right-of-way; and

WHEREAS, the State has constructed and realigned said limited access highway (I-405) over, across and upon a portion of the City's pipeline right-of-way; and

WHEREAS, it is necessary under the Laws of the State of Washington (RCW 47.52.050) and in compliance with Federal Highway Administration requirements for the State to acquire in fee simple all land under its highways; and

WHEREAS, pursuant to an agreement between the City and State known as UT0225, Supplement 2, the City's Cedar River water transmission lines have been relocated by the State at State's cost into two separate utilidors crossing under I-405, along with appurtenant City utilities necessary for the safe transmission of drinking water; and

WHEREAS, the City and the State agreed to exchange property rights to meet State and Federal requirements for highway purposes, as well as the City's long-term pipeline protection needs, and to align such rights with the relocated pipelines; and

WHEREAS, in consideration for the transfer of fee title to the State of the portion of the City right-of-way primarily located within the I-405 limited access area, the State shall transfer fee title to the City of adjacent lands outside the I-405 limited access area, and grant to the City easement rights along the relocated water transmission lines installed within two utilidors across I-405, as well as a commitment by the State to relocate said transmission lines and facilities at State's expense should a future State project require such relocation; and

WHEREAS, the State requests execution by the City of a Quit Claim Deed to accomplish a simultaneous exchange of right-of-way from the City to the State, being 19,368 square feet of fee ownership, and a Quit Claim Deed from the State to the City, being 12,384 square feet of fee ownership; two easements from the State to the City, being 57,881 square feet, and a transfer of easement rights for a tiebacks from the State to the City, being 1,056 square feet; and

WHEREAS, this is intended to be an intergovernmental property exchange for City of Seattle infrastructure relocation and not intended to be a surplus disposition of City property;
NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Pursuant to the provisions of RCW 35.94.040, and after public hearing, the real property located within the southern half of Section 17, Township 23 North, Range 3 East, W.M., in the city of Renton, King County, Washington, and depicted as Parcels A and B in

Attachment F to this ordinance, is no longer required for utility purposes and is declared surplus to The City of Seattle's ("City") utility needs.

Section 2. The General Manager/CEO of Seattle Public Utilities is hereby authorized to execute, for and on behalf of the City, a Quit Claim Deed, substantially in the form of Attachment A to this ordinance, conveying to the Washington State Department of Transportation (WSDOT) certain real property located within the southern half of Section 17, Township 23 North, Range 3 East, W.M., in the city of Renton, King County, Washington, and depicted as Parcels A and B in Attachment F to this ordinance. The consideration for the Quit Claim Deed included as Attachment A to this ordinance is conveyance by WSDOT of Parcels C, D, and E and the Easements depicted in Parcels F through P, all as shown in Attachment F to this ordinance and as more specifically set forth in Sections 3 through 6 of this ordinance.

Section 3. The General Manager/CEO of Seattle Public Utilities is hereby authorized to accept, for and on behalf of the City, a Quit Claim Deed, substantially in the form of Attachment B to this ordinance, conveying to the City from the State of Washington, Department of Transportation, real property within the southern half of Section 17, Township 23 North, Range 3 East, W.M., in the city of Renton, King County, Washington, and depicted as Parcels C, D, and E in Attachment F to this ordinance.

Section 4. The General Manager/CEO of Seattle Public Utilities is hereby authorized to accept, for and on behalf of the City, an Easement, substantially in the form of Attachment C to this ordinance, accepting from the State of Washington, Department of Transportation, real property easement rights within the limited access of I-405 and within the southwest quarter of Section 17, Township 23 North, Range 3 East, W.M., in the city of Renton, King County, Washington, and depicted as Parcels F, G, H, and I in Attachment F to this ordinance.

Section 5. The General Manager/CEO of Seattle Public Utilities is hereby authorized to accept, for and on behalf of the City, an Easement, substantially in the form of Attachment D to this ordinance, accepting from the State of Washington, Department of Transportation, real property easement rights outside the limited access of I-405 and within the southwest quarter of Section 17, Township 23 North, Range 3 East, W.M., in the city of Renton, King County, Washington, and depicted as Parcels J, K, L, M, N, and O in Attachment F to this ordinance.

Section 6. The General Manager/CEO of Seattle Public Utilities is hereby authorized to accept, for and on behalf of the City, a transfer of existing easements, substantially in the form of Attachment E to this ordinance, accepting from the State of Washington, Department of Transportation, real property easement rights outside the limited access of I-405 and within the southwest quarter of Section 17, Township 23 North, Range 3 East, W.M., in the city of Renton, King County, Washington, and depicted as Parcel P in Attachment F to this ordinance.

Section 7. The real property interests referenced above include, but are not limited to, fee and permanent easements that when recorded shall be placed under the jurisdiction of Seattle Public Utilities and designated for utility purposes.

Section 8. Any act consistent with the authority of this ordinance taken prior to its effective date is hereby ratified and confirmed.

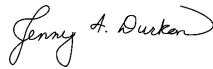

Section 9. This ordinance shall take effect and be in force 30 days after its approval by the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it shall take effect as provided by Seattle Municipal Code Section 1.04.020.

Passed by the City Council the 4th day of January, 2021,
and signed by me in open session in authentication of its passage this 4th day of
January, 2021.

VIC., and 122.91 feet Northwesterly therefrom; thence Northeasterly to a point opposite HES 398+82.90 on said line survey and 113.56 feet Northwesterly therefrom; thence Northeasterly to a point opposite HES 399+52.22 on said line survey and 129.86 feet Northwesterly therefrom; thence Northeasterly to a point opposite HES 401+14.77 on said line survey and 87.95 feet Northwesterly therefrom; thence Northeasterly along a curve to the left, having a radius of 905 feet, a distance of 40.80 feet to a point opposite HES 401+54.50 on said line survey and 78.66 feet Northwesterly therefrom; thence Southeasterly to a point opposite HES 401+49.73 on said line survey and 56.37 feet Northwesterly therefrom; thence Southwesterly to a point opposite HES 400+68.72 on said line survey and 73.60 feet Northwesterly therefrom; thence Southwesterly to a point opposite HES 399+77.40 on said line survey and 93.01 feet Northwesterly therefrom; thence Southwesterly to a point opposite HES 399+02.60 on said line survey and 76.88 feet Northwesterly therefrom; thence Southwesterly to a point opposite HES 398+52.82 on said line survey and 91 feet Northwesterly therefrom; thence Northeasterly parallel with said line survey to a point opposite HES 398+70.58 thereon; thence Northwesterly along a curve to the left, having a radius of 155 feet, a distance of 44.44 feet to the point of BEGINNING.

The specific details concerning all of which may be found on sheets 9 and 19 of 19 sheets of that certain plan entitled I-405, SR 515 VIC. TO N.E. 3RD ST. VIC., bearing date of approval November 18, 2005, sheet 9 revised July 2, 2019, and sheet 19 revised May 17, 2019, now of record and on file in the Office of the Secretary of Transportation at Olympia, Washington.

EXCEPT, Grantor reserves to itself and its successors and/or assigns, all easement rights of access, light, view, and/or air in the non-exclusive easement herein conveyed to the extent that the easement lies within the state highway right of way; therefore, the Grantee herein, including successors, or assigns, shall have no right of ingress and egress to, from or between I-405 and the lands herein described, nor shall Grantee herein, its successors or assigns, be entitled to compensation for any loss of access, light, view and/or air occasioned by the location, construction, reconstruction, maintenance or operation of said highway. Notwithstanding the above, pursuant to Preliminary Engineering Agreement No. UT 0225 dated May 5, 1989 and Supplements thereto by and between the Grantor and Grantee, the Grantor agrees the Grantee shall have the right of access to its utilidors and shafts across the Grantor's limited access facility through the access points located within or adjacent to Renton streets on each side of and outside of the freeway limited access facility, or from its own lands.

Exhibit "B"

Conditions of Easement

1. Notice to and approval by the State shall be required prior to the commencement of any significant work within the project easement area, within the limits of the highway right of way for other than routine maintenance and emergency repairs. Such approval shall not be unreasonably withheld by the State and shall not require a permit.

2. The City shall have reasonable rights of ingress and egress to the easement area over and across other highway lands by means of roads or lanes thereon, if such there be, otherwise by such practicable route or routes as shall occasion the least damage and inconvenience to the State facility and the users of the highway. However, no routine maintenance will be allowed from the through traffic roadways or ramps within the limited access area. Primary access will be by utilidors, drop shafts and valve vaults. Routine maintenance shall be conducted by these methods within the limited access area.

3. The City shall have the right to install future underground utility facilities of any type or nature within the easement area, including installation of additional or larger diameter transmission pipes within the utilidors, the use of the utilidors, in the easement areas, is for corridor conveyance of underground utilities such as, but not limited to water, power and communications equipment.

All plans, materials and work required to install future utilities outside of the utilidors will be subject to prior approval of the State. Such approval shall not be unreasonably withheld by the State. Approvals will not require permits.

4. The State shall provide the City with plans of future highway improvements within the easement areas so the City may review and comment. The State will make every reasonable effort to accommodate any concerns that the City may have.

Should the planned highway improvements interfere in any way with the City's utility facility, the State will take measures to mitigate such interference in a manner acceptable to the City.

5. The utility facility shall be operated and maintained at the sole cost of the City and without expense to the State.

6. This easement shall be deemed an exclusive one, within the utilidors. Outside of the utilidors, this easement shall not be deemed an exclusive one nor shall the State be prohibited from granting permission to other public or private utilities to occupy portions of the State right of way outside of the utilidors, subject to prior approval by the City, where such uses are not inconsistent with the easement granted to the City across State right of way or the City's present or future use thereof. Provided, however, that before any construction or improvements by any other private or public utility are allowed within said easement area, plans of such will be supplied to the City for written approval prior to commencement of work, such approval shall not be unreasonably

withheld. Any rights granted to any other private or public utility shall be subservient to those of the City.

Should any use permitted by the State become inconsistent with use of the easement area by the City, the City's use shall be paramount and any State issued permits or other allowed uses shall be modified so as not to interfere with the City's use, or if such modification is not possible, be terminated without any cost to the City whatsoever.

7. The State reserves the right to use said easement area for the purposes of construction and normal maintenance on and along I-405 through the end of construction of the "S" Curves Reconstruction; such being the reason for this easement. Further, the State reserves the right to use said easement areas for purposes which will not interfere with the City's full enjoyment of the rights herein granted, provided that the State shall not in the future erect construct any building or structure, or other obstruction on said easement without the written consent of the City. The City shall not unreasonably withhold such consent.

8. The City shall have the right to use such portions or said land adjacent to and along said easement area as may be reasonably necessary in connection with the installation, operation, maintenance, repair, reconstruction, alteration, and replacement of their facilities. The use of adjacent lands to the said easement area shall be subject to review and approval of the State as a normal construction permit. Approval shall not be unreasonably withheld.

9. The City shall pay the State, if applicable, the reasonable amount of actual damages to fences, buildings, private roads and other highway improvements caused by it within the limits of the highway right of way or adjacent thereto used or damaged during the construction or reconstruction of any utility or in the exercise of the right of ingress or egress, if such damage is not reasonably repaired by the City.

10. The State shall pay the City, if applicable, the reasonable amount of actual damage caused by the State to pipes, manholes, roads, and other utility improvements within the limits of the utility easement area, or the area which may be affected by this easement agreement, which is used or damaged during the construction, reconstruction or maintenance of any highway improvement or in the exercise of the right of ingress or egress of the damage is not reasonably repaired by the State.

11. If at any time in the future the State requires the City to move, modify, or relocate their facilities from within the right of way and limits of said easement, all costs of the removal and/or relocation will be the responsibility of the State. In the event of any such relocation or removal of City facilities, the State will convey to the City, acquire on behalf of the City, or, if there is an agreement in writing, to reimburse the City for the cost of a substitute easement adequate to replace this easement or any portion thereof.

12. If the City should decide to remove, replace and/or relocate its utility facilities without being asked to do so by the State, all costs of said removal and/or relocations shall be the responsibility of the City. The City may, at its option, salvage such facilities.

13. The provisions of this utility easement shall inure to the benefit of and bind the successors and assigns of the respective parties hereto, and all covenants shall apply to and run with the land.

14. If the City should abandon the use for which this easement is granted, which is conveyance of utilities such as, but not limited to, water, power, and communications equipment, all easement rights granted shall revert to the State. Provided, such abandonment shall not be deemed to occur prior to 20 years following the City's last use of the easement.

15. The City will be offered first right of refusal for the sale of any State owned parcel within this easement. Once the offer is tendered, the City shall have 30 days in which to respond.

EXCEPT, Grantor reserves to itself and its successors and/or assigns, all easement rights of access, light, view and/or air in the property herein conveyed to the extent that the property abuts the state highway right of way; therefor the Grantee herein, including successors or assigns, shall have no right of ingress or egress to, from or between I-405 and the lands herein described, nor shall Grantee herein, its successors or assigns, be entitled to compensation for any loss of access, light, view and/or air occasioned by the location, construction, reconstruction, maintenance or operation of said highway. Notwithstanding the above, pursuant to Preliminary Engineering Agreement No. UT 0225 dated May 5, 1989 and Supplements thereto by and between the Grantor and Grantee, the Grantor agrees the Grantee shall have the right of access to its facilities from the easement areas herein conveyed.

Exhibit B

Conditions of Easement

1. Notice to and approval by the State shall be required prior to the commencement of any significant work within the project easement area, within the limits of the highway right of way for other than routine maintenance and emergency repairs. Such approval shall not be unreasonably withheld by the State and shall not require a permit.

2. The City shall have reasonable rights of ingress and egress to the easement area over and across other highway lands by means of roads or lanes thereon, if such there be, otherwise by such practicable route or routes as shall occasion the least damage and inconvenience to the State facility and the users of the highway. However, no routine maintenance will be allowed from the through traffic roadways or ramps within the limited access area. Primary access will be by utilidors, drop shafts and valve vaults. Routine maintenance shall be conducted by these methods within the limited access area.

3. The City shall have the right to install future underground utility facilities of any type or nature within the easement area, including installation of additional or larger diameter transmission pipes within the utilidors, the use of the utilidors, in the easement areas, is for corridor conveyance of underground utilities such as, but not limited to water, power and communications equipment.

All plans, materials and work required to install future utilities outside of the utilidors will be subject to prior approval of the State. Such approval shall not be unreasonably withheld by the State. Approvals will not require permits.

4. The State shall provide the City with plans of future highway improvements within the easement areas so the City may review and comment. The State will make every reasonable effort to accommodate any concerns that the City may have.

Should the planned highway improvements interfere in any way with the City's utility facility, the State will take measures to mitigate such interference in a manner acceptable to the City.

5. The utility facility shall be operated and maintained at the sole cost of the City and without expense to the State.

6. This easement shall be deemed an exclusive one, within the utilidors. Outside of the utilidors, this easement shall not be deemed an exclusive one nor shall the State be prohibited from granting permission to other public or private utilities to occupy portions of the State right of way outside of the utilidors, subject to prior approval by the City, where such uses are not inconsistent with the easement granted to the City across State right of way or the City's present or future use thereof. Provided, however, that before any construction or improvements by any other private or public utility are allowed within said easement area, plans of such will be supplied to the City for written approval prior to commencement of work, such approval shall not be unreasonably

withheld. Any rights granted to any other private or public utility shall be subservient to those of the City.

Should any use permitted by the State become inconsistent with use of the easement area by the City, the City's use shall be paramount and any State issued permits or other allowed uses shall be modified so as not to interfere with the City's use, or if such modification is not possible, be terminated without any cost to the City whatsoever.

7. The State reserves the right to use said easement area for the purposes of construction and normal maintenance on and along I-405 through the end of construction of the "S" Curves Reconstruction; such being the reason for this easement. Further, the State reserves the right to use said easement areas for purposes which will not interfere with the City's full enjoyment of the rights herein granted, provided that the State shall not in the future erect construct any building or structure, or other obstruction on said easement without the written consent of the City. The City shall not unreasonably withhold such consent.

8. The City shall have the right to use such portions or said land adjacent to and along said easement area as may be reasonably necessary in connection with the installation, operation, maintenance, repair, reconstruction, alteration, and replacement of their facilities. The use of adjacent lands to the said easement area shall be subject to review and approval of the State as a normal construction permit. Approval shall not be unreasonably withheld.

9. The City shall pay the State, if applicable, the reasonable amount of actual damages to fences, buildings, private roads and other highway improvements caused by it within the limits of the highway right of way or adjacent thereto used or damaged during the construction or reconstruction of any utility or in the exercise of the right of ingress or egress, if such damage is not reasonably repaired by the City.

10. The State shall pay the City, if applicable, the reasonable amount of actual damage caused by the State to pipes, manholes, roads, and other utility improvements within the limits of the utility easement area, or the area which may be affected by this easement agreement, which is used or damaged during the construction, reconstruction or maintenance of any highway improvement or in the exercise of the right of ingress or egress of the damage is not reasonably repaired by the State.

11. If at any time in the future the State requires the City to move, modify, or relocate their facilities from within the right of way and limits of said easement, all costs of the removal and/or relocation will be the responsibility of the State. In the event of any such relocation or removal of City facilities, the State will convey to the City, acquire on behalf of the City, or, if there is an agreement in writing, to reimburse the City for the cost of a substitute easement adequate to replace this easement or any portion thereof.

12. If the City should decide to remove, replace and/or relocate its utility facilities without being asked to do so by the State, all costs of said removal and/or relocations shall be the responsibility of the City. The City may, at its option, salvage such facilities.

13. The provisions of this utility easement shall inure to the benefit of and bind the successors and assigns of the respective parties hereto, and all covenants shall apply to and run with the land.

14. If the City should abandon the use for which this easement is granted, which is conveyance of utilities such as, but not limited to, water, power, and communications equipment, all easement rights granted shall revert to the State. Provided, such abandonment shall not be deemed to occur prior to 20 years following the City's last use of the easement.

15. The City will be offered first right of refusal for the sale of any State owned parcel within this easement. Once the offer is tendered, the City shall have 30 days in which to respond.
