Public Outreach Summary

OVERVIEW

CREÄ Affiliates implemented a multi-pronged and high-impact strategy for public outreach and engagement. This outreach was conducted by CREÄ Affiliates, contracted to assist City Light with this project, in partnership with Seattle City Light Communications staff. The strategy corresponds to the City Light Public Outreach & Engagement Strategy, approved by the Department of Neighborhoods on 5/15/19. This strategy entailed the following tasks.

- Digital outreach
 - Emails
 - Website
 - Survey
 - Social media
- Printed outreach
 - Direct mailers
 - Posters
- In-person public engagement
 - Delivery of door-to-door notices
 - Public meetings and presentations in SODO and Georgetown
 - Stakeholder interviews

The outreach methods varied in their reach into the community. Feedback during the door-to-door outreach suggests that the direct mailings to area businesses and property owners as well as emails from local organizations had the greatest reach. Overall the community expressed strong support for the street vacation and the proposed public benefit. The survey alone indicates that

- 93%+ of survey respondents did not have any concerns about the vacation of the southern portion of Diagonal Ave S.
- 87% of survey respondents did not have any concerns about the transfer of the Flume property to Seattle Parks and Recreation for an Off-Leash Area (OLA) and possible trail.
- 83% of survey respondents found the transfer of the Flume property to Seattle Parks and Recreation to be a fair public benefit for the vacation of Diagonal Ave S.

With regard to the transfer of the Flume property, SODO representatives expressed their interest in some public benefits of the Diagonal Avenue South street vacation coming to the SODO community. In Georgetown, a couple of property owners near the Flume property expressed concern about locating an (OLA) for dogs at the Flume property, due to the crime that it has attracted in the past. Others expressed their interest in the site hosting other activities as well, including a trail. Concerns about delays in activating the OLA was addressed during a presentation to the Georgetown Community Council (GCC) Open Space Committee. This presentation by City Light Staff summarized a memo of understanding under development between City Light and Parks and Recreation. This MOU details expenses being taken on by both departments to clean the property and have it fenced. In addition to other funds presently available, specific funds have been dedicated for this purpose.

DIGITAL OUTREACH

HIGH IMPACT METHODS

A. SURVEY

The online survey has been the most effective electronic method for gathering community feedback and suggestions about the project. 81 people took the survey through the link provided in the Public Notice. The survey was closed on July 31, 2019. The feedback was generally positive with no major concerns about transferring ownership of Diagonal Avenue South to Seattle City Light. There were a few comments that questioned whether Seattle City Light transferring its ownership of the Flume Property on East Marginal Way South to Seattle Parks and Recreation was an adequate public benefit, and whether this should be supplemented with additional City Light funds for improving the site. Several comments recommended securing funding for the Parks project before the transfer happens.

Moreover, SODO community member comments in the survey sought benefits for the SODO community. These ranged from suggestions for more green spaces and parklets, to trails for local business employees to use. Specifically, one recommendation was for investing in upgrades to the Industrial Way Corridor—from Airport Way South to 4th Avenue South—specifically to install a walking and/or dog trail for the SODO community. The recommended trail is in the SDOT right-of-way.

There were comments that since more green space is needed in Georgetown, creating an Off-Leash Area (OLA) was desirable. Other ideas included a pocket park and supporting the walking/biking connector trail between South Park, Georgetown and SODO. A few community comments about the Flume property in Georgetown questioned whether a dog park and/or park was a good choice for this location given its proximity to the Aero Motel; the industrial traffic on Marginal Way; prior incidents with homelessness, drug use, and prostitution in and around the site; and potential soil contamination. For these reasons and more, several community members were concerned about the ability of Seattle Parks and Recreation to make this a safe and useful community asset.

B. PROJECT HOTLINE

CREA secured a unique dedicated phone number for this project. Parks contact for the OLA was the project representative from that department. His regular Parks phone number was listed for the project. Only one call was received by the CREA Representative. And none by Parks Staff through the hotline numbers.

Please refer to:

- Appendix D.H.B. Project hotline (Public Notice with hotline number)

C. WEBSITE

A project-specific website was developed for the Diagonal Avenue Street Vacation project. This website has project details and had links to the online survey. The project website serves as the central resource for community members to learn about the project, previously fill out the survey, and sign up for project updates. It also has a project hotline. The pages are available in English, Spanish, Chinese, and Vietnamese as requested by DON staff. <http://www.diagonalavenue.com/>. Community members were directed to the project website through other outreach channels like emails, flyers, posters, and social media.

MULTIPRONGED METHODS

A. FACEBOOK

City Light created Facebook events for the SODO and Georgetown public meetings, which CREÄ promoted to local area businesses and community groups. Publicity through this method was limited to those individuals and businesses who are already “friends” or subscribed to City Light’s feed on Facebook. CREÄ staff’s posts directly on the timeline of businesses and community groups’ Facebook pages needed the approval of the site administrator for these Facebook pages before they became publicly visible.

Additionally, the Georgetown Community Council hosted a Facebook and Nextdoor poll that showed strong community support for the Diagonal Ave S street vacation and transfer of the Flume property for use as an off-leash dog area and a walking & biking trail.

- Appendix D.M.A.2. Facebook - SODO Public Meeting
- Appendix D.M.A.3. Other Facebook pages contacted

B. DIGITAL NOTICES

Details of this project was posted on the Seattle Department of Neighborhood (DON) Design Review Blog, and was included as meeting events on DON calendar.

Please refer to:

- Appendix D.M.B. DON Design Review Blog

C. EMAILS

The public meeting notice was sent via email to a list of community members in both SODO and Georgetown. Email was one of the most effective methods for outreach, particularly in SODO since the businesses located there can be difficult to reach through other methods. When CREÄ staff went door to door, a number of business owners and employees said that they had already received an email notice about the public meeting. Email had a very high impact relative to the amount of time and energy required to implement, though it did not account for many responses. The emails went out to a diverse group of residents and business owners. These emails were sent out directly by CREÄ, or through an intermediary organization such as the Georgetown Community Council, the Georgetown Merchants Association and the SODO Business Improvement Association.

PRINTED OUTREACH

HIGH IMPACT METHODS

A. DOOR TO DOOR DROP-OFF

Door-to-door outreach for each neighborhood of SODO and Georgetown took place on May 24 and May 31 for SODO and June 3 for Georgetown. The outreach area for SODO was established by a map provided by Seattle City Light. For Georgetown, the radius represents a roughly one-quarter-mile (approximately 500-foot) radius of the Flume Property site in Georgetown. A public meeting notice and FAQ were developed and dropped off during this activity.

Please refer to:

- Appendix P.H.A.1. Street Vacation FAQ
- Appendix P.H.A.2. Public Meeting Notice

B. POSTERS

CREA Staff posted 10 laminated posters in SODO and Georgetown each, for a total of 20 posters. The posters were distributed at businesses and major intersections of walking paths throughout each neighborhood to reach as many community members as possible. These were removed in August.

Please refer to:

- Appendix P.H.B.1. Public Notice Poster
- Appendix P.H.B.2. Poster Locations –SODO
- Appendix P.H.B.3. Poster Locations –Georgetown

C. BULK MAIL

City Light Communications Group mailed the Public Notice to 2,614 SODO and Georgetown area residents and businesses within the boundary designated by Seattle City Light.

The details are as follows:

- Single-Family: 434
- Multi-Family: 304
- Business: 1,876

D. DIRECT MAILING

Letters were sent out directly to property owners close to either the SSC property or the Flume property seeking their support of the project. Targeted letters were also sent out key organizations in the SODO area.

Please refer to:

Please refer to:

- Appendix P.M.A.Georgetown Gazette Ad Copy

B. PUBLIC NOTICES

CREÄ Staff left Public Notices with businesses, residents and community groups.

IN-PERSON OUTREACH

In-person outreach was conducted through stakeholder interviews, door-to-door community engagement, meetings with representatives from the SODO Business Improvement Association and the Georgetown Community Council's Open Space Committee, presentations at community meetings as well as through two project specific public meetings. A project hotline was also established for direct calls to CREÄ Staff and Parks Staff.

Please refer to:

- Appendix B. Outreach & Communications Log

HIGH IMPACT METHODS

A. PUBLIC MEETINGS

One person attended the SODO meeting while nine (9) people attended the Georgetown meeting. Of the 9, two were City of Seattle staff from the Department of Neighborhoods and the Seattle Department of Transportation. Feedback from these meetings are recorded in the Appendix. Of note, a representative from the SODO Business Improvement Area expressed interest in public benefits potentially coming to the SODO community as well as Georgetown. She requested support for a walking trail along Industrial Way for use by local employees. The Georgetown community was curious if Parks has funding secured to make the Flume property an OLA. They were also interested in the potential for connecting the Flume property to a series of walking and bicycling trails being developed by the Seattle Department of Transportation from South Park through Georgetown to SODO.

MULTIPRONGED METHODS

A. DOOR-TO-DOOR

Door-to-door outreach for each neighborhood of SODO and Georgetown took place on May 24 and May 31 for SODO and June 3 for Georgetown. The outreach area for SODO was established by a map provided by Seattle City Light. For Georgetown, the radius represents a roughly one-quarter- mile (approximately 500-foot)

radius of the Flume Property site in Georgetown. Community feedback in SODO was exclusively from businesses with employees who said they would share the flyer with their manager or the owner of the business. There was no direct feedback about the project other than from four community members who had already seen the flyer as a mailer or email in Georgetown.

SODO

Dates: 5/24/19 & 5/31/19

CREA Staff conducted door-to-door outreach in SODO and visited the locations identified as the target area on the map. Public Notices were left at these businesses. About half of the businesses did not come to the door and the other half were not willing to stop working and meet in-person. CREA staff informed the businesses that they were able to meet in person at a later date, that two public meetings were coming up, and that the project website (with the survey) was available to them if they wanted to leave comments or suggestions. Some community members stated that they had already received the public notice via mail or email. They were aware of the project. In general, community members did not have any objections to the project. The one respondent who offered direct comments said that the project didn't really affect him since "City Light is already occupying the property, so there is no real loss to the neighborhood."

GEORGETOWN

Date: 6/3/19

CREA Staff conducted door-to-door outreach in the Georgetown neighborhood and visited the area marked on the map. Public Notices were left at these residences and businesses. The majority of structures in Georgetown were residences. However, only one community member who lived there answered the door. She said she had heard about the project via email and said, "It would benefit the community since Georgetown doesn't have many parks or off-leash dog areas." One person said she had received the flyer in the mail.

Most of the businesses either weren't there or did not answer. CREA Staff informed the few businesses that were available to share the upcoming public meetings and visit the website (with links to the survey) if they wanted to leave comments or suggestions. In general, community members seemed excited about the possibility of a park, off-leash dog area or trail/park combination in the Georgetown neighborhood. The one business in Georgetown that took time to talk with CREA Staff at length was the manager/owner of Aero Motel. The owner stated that the motel has problems with people using alcohol and drugs at all hours of the night at the Flume property, which disturbs occupants of the Aero Motel. Plus, the owner was concerned about dogs in that area. The owner also stated that they didn't think the city should do anything with the property because it was going to cause more problems for the motel. CREA Staff encouraged the owner to fill out the online survey because this project is adjacent to the motel, and the city would be interested in their input.

B. STAKEHOLDER INTERVIEWS/ MEETINGS

Key stakeholders in the Georgetown community were identified by DON and indicated in the communications strategy. All the stakeholders were available to meet with CREÄ Staff. They were generally supportive of the vacation request and the Flume property exchange. The representative from Equinox Studios, however, expressed reservations about using the Flume property for an OLA given the many times the police have been called to address incidents in the Flume property and in the neighboring property, the Aero motel. Parks explained that the activation of the site for community purposes , such as an OLA, will deter criminal activities from the site.

C. MEETING WITH LOCAL ORGANIZATIONS

Additional presentations were made at public meetings held by community organizations such as the Georgetown Community Council, and the Georgetown Merchants Associations. City Light and Parks Staff, along with CREÄ representatives met with the Open Space Committee of the Georgetown Community Council. CREÄ Staff met one-on-one with representatives from the SODO BIA.

D.H. A. Street Vacation Online Survey

Seattle City Light Diagonal Avenue South - Street Vacation Survey

Seattle City Light will be petitioning the City of Seattle to vacate an unused portion of Diagonal Avenue South in the SODO neighborhood. In exchange, the utility would transfer a piece of property in the Georgetown neighborhood to Seattle Parks and Recreation. They are exploring this property's use as an off-leash dog area, possibly with a walking and biking trail. We'd like your feedback on this proposal.

To learn more about this project, please visit diagonalavenue.com for more information.

Survey responses will be accepted until Wednesday, July 31 at 11:59 p.m.

1	SPU has a 12.5' diameter drain pipe (Diagonal Drain) that runs under Diagonal Ave S. SCL previously used this area as a soil storage area and was found during an PW contract to clean the drain that SCL was allowing stored spoils from excavations to go into the drain through a manhole cover. Diagonal Drain discharges directly into the Duwamish River. You may want to check with SPU and also SCL Environmental as the drain cleaning project was to get rid of any contamination so King County could clean contaminated soils in front of the discharge location in the Duwamish. If the property is acquired, it should not be used to store spoils without consideration of Diagonal Drain.	7/29/2019 7:53 AM
2	How will closing off this shortcut impact 4th ave s and airport way traffic?	7/26/2019 6:34 PM
3	Concerned about the Georgetown project getting funding for completion and if the space can be trail and dog park.	7/26/2019 1:03 PM
4	I don't really understand exactly what you're asking here.	6/21/2019 10:28 AM
5	I fell that the value of this land far exceeds the value of the flume property. Highest and best use is apparent. The flume has been derelict for so long, and the Diagonal property is currently in use and highly desired by City Light. Would like more investment from City Light into Flume project in addition to land transfer.	6/12/2019 4:02 PM

2	Ownership transfer should not occur until an environmental impact study and at least concept-level study of a dog / walking path facility has been completed. It is impossible for the public to understand what the public benefit of the transfer would be without those studies being completed.	7/24/2019 9:59 AM
3	I think an off leash dog park is a great idea! But have fears that this area will just become another place for tents & campers to live and park, ultimately making it unsafe to ever use for its purpose.	6/20/2019 4:48 PM
4	See answer above. Would like additional investment from City Light to make this project and infrastructure possible. Fully support the use of Flume property as park/open space/dog park/trail, etc.	6/12/2019 4:02 PM
5	Need more information about the surrounding property ownership. A narrow swath of property may be fairly useless piece of property if it's bordered by other non park like uses.	6/11/2019 1:26 PM
6	This area is far from the vacated property. I think there is much better use for the funds within SODO particularly to link the SODO Track to Georgetown.	6/11/2019 11:30 AM
7	This property is in a TERRIBLE location for a park, and is unsafe after 5pm. There are no businesses open after daytime 9-5 hours, all of the industries close up shop, and what is there is cheap motels with the typical traffic. That stretch of E Marginal Way is dirty and fast, and mainly services large trucks, through traffic, industrial traffic, etc. The area has no parking, and is not at all pedestrian friendly, and it is at the very edge of the neighborhood, quite far from most of it, and on the high truck traffic, seedier end- this property is behind the Aero Motel, a reasonable business in this area, but not a place to hang out. In addition, there are a lot of activities there that are on the edge of society, not surprisingly- this is outside of residential areas, and in a place where no one is there to bother you after business hours! These places are necessary, but co-opting them into parks is...a terrible idea. I'm not afraid of persons experiencing homelessness, but out behind the Aero motel there is alot more going on than just that, and done by people beyond just the homeless- prostitution, drugs, I wouldnt be surprised if human trafficking were a regular activity here. You're asking us to send our kids and pets here? Whats your security proposal? Are you just leaving that to Parks and Rec? And it's called the Flume property? How contaminated are the soils? What would be done for clean up? Transferring this property seems like a gift of a headache to parks, and no exchange at all for the neighborhood.	6/10/2019 9:41 AM
8	We have limited green space in south Seattle. I do not feel a dog park is a good use of land with our diminishing population of insects and birds.	6/9/2019 6:44 AM
9	1. Activate the space to deter the ever-present camping 2. Provide green-space for area employees to walk during lunch/breaks 3. Provide safe travel for folks using the bus system to access businesses along the corridor.	6/8/2019 8:59 AM
10	the Parks Dept will need funds to actual make this a community benefit to Georgetown - whether it be for a dog park or trail improvements, or both. We need Council to help us find funds within the City's budget.	5/15/2019 5:06 PM

19	Turning the flume into a park/trail is a good idea.	6/20/2019 2:49 PM
20	Funding for improvements to the "Flume" property in order to make it an active public space should accompany the Flume property transfer to Parks and Recreation. Without funding for improvements the property will provide no increased benefit to the local community than it is presently.	6/20/2019 2:33 PM

the corridor. This used to be a safe and nice area for us to walk at lunchtime but that can't happen any longer.

28	What specifically is SCL going to do to improve the water runoff to the Duwamish and to control flooding. How is it that they have used this area for so long and not done this already.	6/11/2019 1:26 PM
29	This seems like a great win for the Georgetown area, providing some much-needed services to that neighborhood (of which I consider myself a part). I would definitely utilize the new park space, assuming it was turned into an offleash park or bike-way.	6/11/2019 1:17 PM
30	The area you're proposing to use as park space is disconnected from the community and off of a very busy road with poor pedestrian infrastructure. I worry it wouldn't be activated and think making it habitat would be a better use of the space.	6/11/2019 11:30 AM
31	I would like to see improvements to Industrial Way as well, for a walking trail and greenspace development.	6/11/2019 10:42 AM
32	I do not oppose this exchange- but do feel that some of the benefit should come to SODO since that is where the street in question is. It would be fair if, in addition to the exchange, SCL invest in upgrades to the Industrial Way Corridor- from Airport Way S to 4th Ave S- specifically that they install a walking trail- that would serve several purposes- 1. Activate the space to deter the ever-present camping 2. Provide green-space for area employees to walk during lunch/breaks 3. Provide safe travel for folks using the bus system to access businesses along the corridor. With the opening of Recovery Cafe- more folks will be using the bus stops along 4th and Airport to access the facility. Currently there is not a sidewalk all the way and with the high volume of trucks a safe space to walk is critical. As the only green-space in SODO this is an essential area and activating it for area employees and visitors would be a significant public benefit to SODO.	6/11/2019 10:17 AM

34	I don't oppose Georgetown getting a dog park, but it would be good to also create benefit for SODO including: 1. Activate the space 2. With the opening of Recovery Cafe- more folks will be using the bus stops along 4th and Airport to access the facility. 36	Please find a more suitable property, something more accesible to more of the neighborhood living and working in Sodo and Georgetown. Also, somethign more viable as a park. The flume property isnt acceptable for this use.	6/10/2019 9:41 AM
37	Dog park is not a good use of land.	6/9/2019 6:44 AM
38	In addition to the proposed exchange, we would ask that SCL invest in upgrades to the Industrial Way Corridor- from Airport Way S to 4th Ave S- specifically that they install a walking trail- that would serve several purposes- 1. Activate the space to deter the ever-present camping 2. Provide green-space for area employees to walk during lunch/breaks 3. 39	While I think the Georgetown Flume property is a decent exchange, it only seems fair to do something to benefit SoDo directly, since the street being vacated is in SoDo. Specifically, I'd like to see SCL invest in upgrades to the Industrial Way Corridor- from Airport Way S to 4th Ave S- specifically installing a walking trail and rehabbing the old, dilapidated sign at the east end of the corridor. Many people work in this area and having a small area of clean, well-maintained greenspace in SoDo would be a huge boost to the morale of the area's workforce.	6/5/2019 5:10 PM

44	Please consider investing in upgrades to the Industrial Way Corridor- from Airport WY S to 4th Ave S- specifically install a walking trail- that would serve several purposes- 1. Activate the space to deter the ever-present camping 2. Provide green-space for area employees to walk during lunch/breaks 3. As the only green-space in SODO this is an essential area and activating it for area employees and visitors would be a significant public benefit to SODO.	6/4/2019 5:41 PM
45	I would like to add an additional public benefit for SODO, the green-space across from the site- under the power-lines- is the only swath of green in the entire SODO area. I have had multiple requests from neighboring businesses for a walking path or trail that would activate the space and give their employees somewhere to walk and enjoy some greenery in SODO. I would be happy to discuss this further and possible partnership on the project. It makes sense that some benefit come to SODO for this vacation.	6/4/2019 4:13 PM
46	We would love to see more green space and parks in the Georgetown/SODO neighborhoods. Lots of kids and dogs in the area but only a few small parks currently.	6/3/2019 4:46 PM
47	No	6/2/2019 6:50 PM

52	Give the land to the community!	5/30/2019 1:23 PM

No

Yes (please specify): I like the idea of a park / trail but am concerned that it will not be developed for a long time. Also, A Dog Park is something the community would like, but I'm not sure this is the best location. I really would like a trail to be part of the conversation especially since there is a separate track of work to connect Georgetown to South Park.

Proyecto de Seattle City Light

Seattle City Light solicita al Seattle Department of Transportation (SDOT, Departamento de

Transporte de Seattle) que cierre permanentemente el acceso público a la parte sur de Diagonal Avenue South entre 4th Avenue South y las vías de Union Pacific Railroad. Actualmente, esto se encuentra dentro de la propiedad cercada de Seattle City Light y se ha utilizado para almacenamiento bajo un permiso de uso de calle.

Poseer esta propiedad permitirá a City Light mejorar esta zona para mejorar la seguridad y los resultados ambientales, como por ejemplo:

1. Reducir los daños causados por las inundaciones durante los meses de invierno
2. Dirigir el agua de lluvia hacia el río Duwamish

D.H.C.1. Website SCL Vacation Spanish

2. Dirigir el agua de lluvia hacia el río Duwamish
3. Mejorar la seguridad del sitio
4. Utilizar la propiedad más eficientemente

El rediseño de esta propiedad no modificará el uso de calles adyacentes ni la vida del vecindario.

D.H.C.1. Website SCL Vacation Spanish

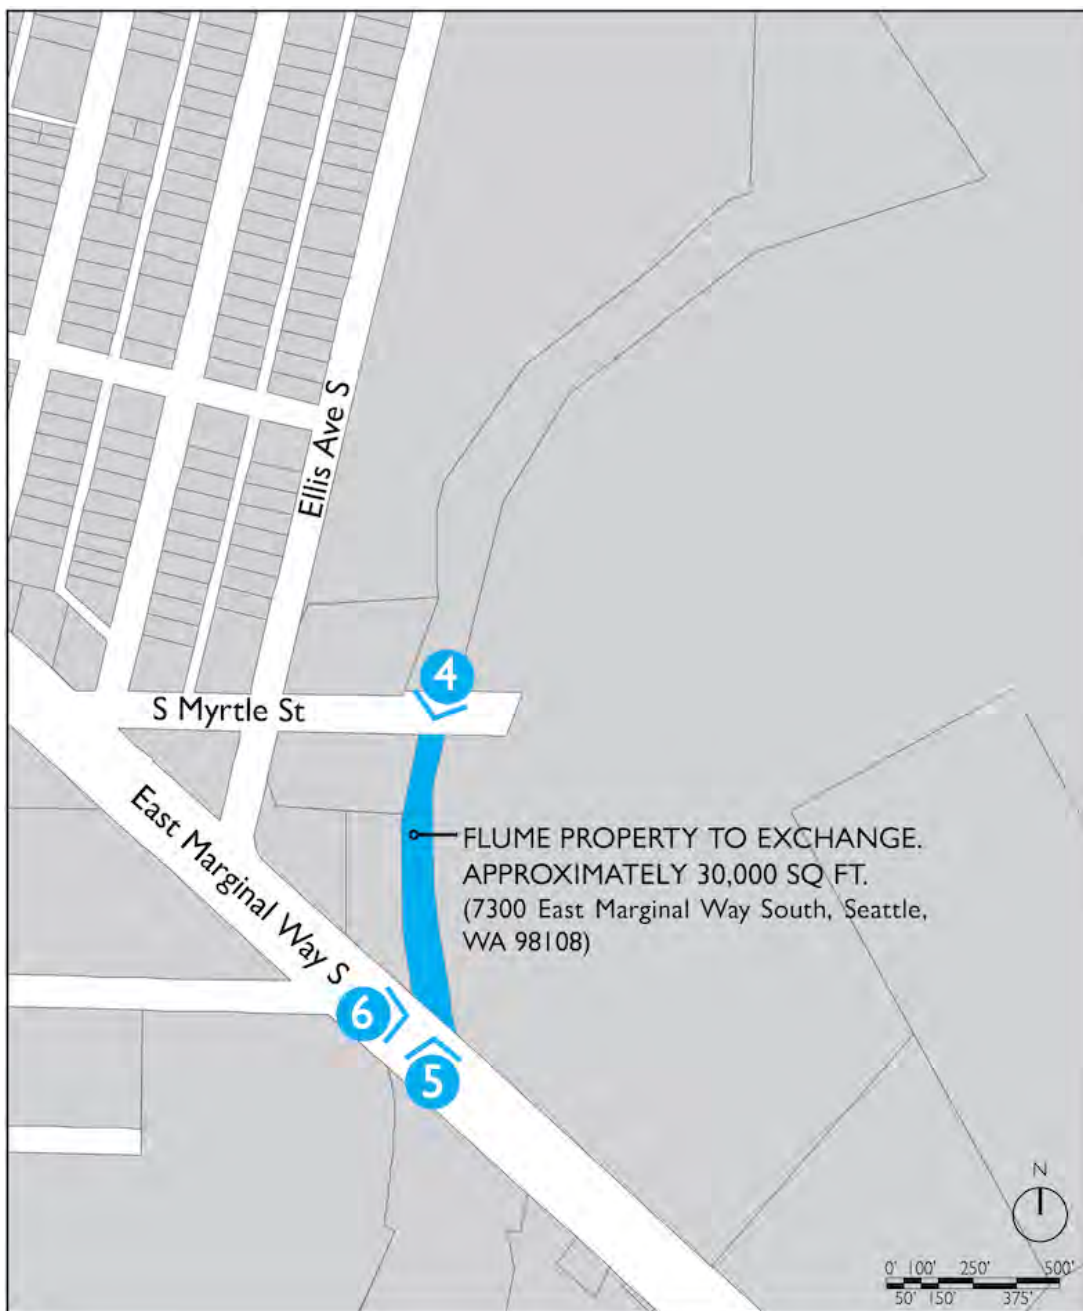

El intercambio de propiedad está sujeto a la revisión de la Seattle Design Commission y del Seattle Department of Transportation. Debe ser aprobado por el ayuntamiento de Seattle.

Beneficio público

En caso de que City Light busque obtener derechos de paso para este tramo de la calle, será necesario identificar un beneficio público para los residentes de Seattle que compense esta adquisición. City Light transferirá una propiedad desocupada en East Marginal Way South a Seattle Parks and Recreation (Departamento de Parques y Recreaciones de Seattle), también referido como Parks. La propiedad desocupada de Georgetown es el doble del tamaño de la propiedad de Diagonal Avenue South. Parks está considerando el potencial que tiene esta área de usarse como parque para pasear sin correa a los perros, posiblemente con un sendero para caminar y andar en bicicleta.

Petición de liberación de calle: Diagonal Avenue South Preguntas frecuentes

D.H.C.1. Website SCL Vacation Spanish

¿QUÉ ES UNA LIBERACIÓN DE CALLE?

Una *liberación de calle* se refiere al proceso en el que el dueño de una propiedad (en este caso, Seattle City Light) solicita al ayuntamiento de Seattle que adquiera el derecho de paso de una calle adyacente para un uso que no sea una vía pública. La responsabilidad de tomar estas decisiones está asignada al ayuntamiento. Este considerará los comentarios públicos que se recopilen antes o en una audiencia pública antes de tomar una decisión formal sobre la petición.

¿POR QUÉ SEATTLE CITY LIGHT ESTÁ BUSCANDO UNA LIBERACIÓN DE CALLE?

Durante varios años, Seattle City Light ha operado continuamente esta porción de 13 300 pies cuadrados (1235,61 metros cuadrados) de Diagonal Avenue South bajo un permiso de uso para vía pública. Bajo este permiso, la empresa de servicios públicos ha restringido el acceso público a esta parte de Diagonal Avenue South.

Con el fin de realizar mejoras de seguridad, operativas y ambientales, City Light está buscando la propiedad de esta sección de Diagonal Avenue South, que está rodeada por la propiedad del servicio público South Service Center.

¿CUÁL SERÁ EL IMPACTO PARA EL BARRIO?

La parte cerrada de Diagonal Avenue South (objeto de esta petición de liberación de calle) ha estado en uso industrial. El acceso a 2nd Avenue South actualmente está restringido por las vías del ferrocarril directamente al oeste de la propiedad de City Light. No se espera que la transferencia de la posesión de la propiedad del Seattle Department of Transportation (SDOT, Departamento de Transporte de Seattle) a Seattle City Light tenga algún impacto en las propiedades circundantes o en los patrones de circulación del vecindario.

¿CÓMO FUNCIONA EL PROCESO DE UNA DE PETICIÓN DE LIBERACIÓN DE CALLE?

La petición es regida por las políticas de liberación de calle del ayuntamiento de Seattle que se adoptaron en 2018. La petición de liberación de calle es revisada por el SDOT, que mantiene los derechos de la ciudad a todos los derechos de paso públicos. El SDOT trabaja con la Seattle Design Commission (SDC) para asegurarse de que el proceso de liberación de calle sea equitativo y no afecte a la comunidad. El Department of Neighborhoods (DON, Departamento de Barrios) revisa y aprueba la estrategia de difusión para todas las propuestas de liberación de calle. Después de que se haya implementado la estrategia de divulgación pública, el SDOT y la SDC revisan la petición antes de enviarla al ayuntamiento para su aprobación.

¿CÓMO UNA LIBERACIÓN DE CALLE BENEFICIA A LOS RESIDENTES DE SEATTLE?

El solicitante, Seattle City Light debe proporcionar un beneficio compensatorio a los residentes de Seattle por transferir la propiedad fuera del derecho de paso público. El beneficio puede

D.H.C.1. Website SCL Vacation Spanish

de Seattle por transferir la propiedad fuera del derecho de paso público. El beneficio puede tomar muchas formas. En este caso, City Light transferiría 30 000 pies cuadrados (2787 metros cuadrados) de su propiedad en el vecindario de Georgetown al Seattle Parks and Recreation (Departamento de Parques y Recreación de Seattle). La comunidad de Georgetown reconoce el potencial de esta propiedad para convertirse en un espacio comunitario. Seattle Parks and Recreation está analizando poder usarlo como una área para pasear sin correa a los perros, posiblemente con un sendero para caminar y andar en bicicleta.

¿CÓMO PUEDO OBTENER INFORMACIÓN ACTUAL SOBRE ESTA PETICIÓN DE LIBERACIÓN DE CALLE?

Como parte de esta petición, City Light organizará dos reuniones públicas para proporcionar detalles sobre esta propuesta y cómo afectará esto al área de SODO/Georgetown. Se recolectarán los comentarios del público en general en ambas reuniones.

DIAGONAL AVENUE SOUTH
STREET VACATION PETITION

Kiến Nghị về Đoạn Đường Trống – Diagonal Avenue South

Dự Án của Seattle City Light

Seattle City Light đang yêu cầu Seattle Department of Transportation (SDOT, Sở Giao Thông Thành Phố Seattle) hạn chế vĩnh viễn việc đi lại của công chúng tại phần phía nam của Diagonal Avenue South giữa 4th Avenue South và đường ray Union Pacific Railroad. Phần đường này hiện đang nằm trong khuôn viên tài sản có rào chắn của City Light và hiện được sử dụng để lưu trữ đồ theo Giấy Phép Sử Dụng Đường Phố.

Việc sở hữu tài sản này sẽ cho phép City Light nâng cấp khu vực này nhằm đảm bảo vấn đề an toàn và môi trường tốt hơn:

1. Giảm thiệt hại do lũ lụt trong những tháng mùa đông.
2. Xử lý dòng chảy nước mưa vào sông Duwamish;
3. Cải thiện an ninh tại cơ sở; và
4. Sử dụng tài sản hiệu quả hơn.

Việc thiết kế lại tài sản này sẽ không gây ra bất kỳ thay đổi nào đối với việc sử dụng các tuyến phố lân cận hoặc các đặc điểm của khu phố.

DHC2 Website SCL Vacation Vietnamese

Việc chuyển giao cơ sở này phải được Seattle Design Commission (SDC, Hội Đồng Thiết Kế Seattle) và Seattle Department of Transportation xem xét. Và phải được Seattle City Council (Hội Đồng Thành Phố Seattle) phê duyệt.

Lợi Ích Cho Cộng Đồng

Nếu City Light theo đuổi việc xin đoạn đường trống của tuyến đường này, cơ quan này sẽ cần phải xác định các lợi ích công cộng đem lại cho cư dân Seattle để bù đắp cho việc thu nhận này. City Light sẽ chuyển giao một tài sản trống tại East Marginal Way South cho Seattle Parks and Recreation (Cơ Quan Công Viên và Giải Trí Seattle) (Cơ Quan Công Viên). Cơ sở Georgetown bỏ trống có diện tích gấp đôi đoạn đường xin kiến nghị của Diagonal Avenue South. Cơ Quan Công Viên đang khám phá tiềm năng sử dụng khu vực này làm công viên cho chó chạy thả rông, có thể với đường mòn kết nối cho người đi bộ/đi xe đạp dành cho công chúng.

Kiến Nghị về Đoạn Đường Trống – Diagonal Avenue South Các Câu Hỏi Thường Gặp

ĐỊNH NGHĨA ĐOẠN ĐƯỜNG TRỐNG?

Đoạn đường trống là quy trình mà chủ sở hữu tài sản (trong trường hợp này là Seattle City Light) kiến nghị với Hội Đồng Thành Phố Seattle để có được quyền sử dụng đoạn đường liền kề cho mục đích sử dụng không phải là đường công cộng. Hội Đồng Thành Phố có trách nhiệm đưa ra các quyết định như thế này. Hội Đồng Thành Phố sẽ tham khảo ý kiến của người dân đã được thu thập trước hoặc trong phiên điều trần công cộng trước khi đưa ra quyết định chính thức về kiến nghị này.

TẠI SAO SEATTLE CITY LIGHT TÌM KIẾM ĐOẠN ĐƯỜNG TRỐNG?

Từ vài năm nay, Seattle City Light khai thác liên tục phần diện tích 13,300 foot vuông tại tuyến đường Diagonal Avenue South thông qua giấy phép sử dụng các tuyến phố. Thông qua giấy

DHC2 Website SCL Vacation Vietnamese

phép này, cơ quan tiện ích đã giới hạn quyền đi lại của công chúng với đoạn đường này của tuyến phố Diagonal Avenue South.

Để đảm bảo an toàn, các cải thiện về khai thác và môi trường, City Light đang tìm kiếm việc sở hữu đoạn đường này của tuyến phố Diagonal Avenue South, hiện đang được bao quanh bởi phần tài sản South Service Center (Trung Tâm Dịch Vụ Phía Nam) của cơ quan tiện ích.

KHU DÂN CƯ LÂN CẬN SẼ BỊ ẢNH HƯỞNG NHƯ THẾ NÀO?

Đoạn đường bị đóng này của Diagonal Avenue South (phụ thuộc vào kiến nghị đoạn đường trống này) đã được sử dụng cho mục đích công nghiệp. Việc đi lại vào 2nd Avenue South hiện đang bị hạn chế bởi các đường ray xe lửa nằm ngay phía tây khu đất của City Light. Việc chuyển nhượng quyền sở hữu từ Seattle Department of Transportation (SDOT, Sở Giao Thông Seattle) cho Seattle City Light được kỳ vọng không gây bất kỳ ảnh hưởng nào tới các tài sản xung quanh hoặc luồng giao thông đi lại của dân cư.

QUY TRÌNH XIN ĐOẠN ĐƯỜNG TRỐNG ĐƯỢC THỰC HIỆN NHƯ THẾ NÀO?

Kiến nghị này bị chi phối bởi các Chính Sách Đoạn Đường Trống của Hội Đồng Thành Phố Seattle đã được thông qua năm 2018. Kiến nghị xin đoạn đường trống được SDOT xem xét, cơ quan này duy trì các quyền của thành phố đối với tất cả các quyền sử dụng hợp pháp công cộng đường phố. SDOT phối hợp với Seattle Design Commission (SDC) nhằm đảm bảo thủ tục giải quyết việc xin đoạn đường trống được thực hiện nghiêm minh và không gây ảnh hưởng tới cộng đồng. Department of Neighborhoods (DON, Ban Phụ Trách Khu Dân Cư) xem xét và phê duyệt chiến lược tiếp cận với tất cả các đơn xin đoạn đường trống. Sau khi đã triển khai chiến lược tiếp cận công chúng, SDOT và SDC sẽ xem xét đơn kiến nghị và chuyển cho Hội Đồng Thành Phố phê duyệt.

DỰ ÁN ĐEM LẠI NHỮNG LỢI ÍCH GÌ CHO NGƯỜI DÂN SEATTLE?

Đơn vị kiến nghị, Seattle City Light, phải thực hiện bồi thường cho cư dân Seattle khi chuyển đổi tài sản không còn thuộc quyền sử dụng tuyến phố hợp pháp của người dân. Quyền lợi bồi thường có thể được cung cấp dưới nhiều hình thức. Trong trường hợp này, City Light sẽ chuyển nhượng quyền sở hữu một tài sản 30,000 foot vuông tại khu dân cư Georgetown cho Seattle Parks and Recreation (Cơ Quan Công Viên và Giải Trí Seattle). Cộng đồng Georgetown luôn ghi nhận tiềm năng của tài sản này trong việc trở thành một tiện nghi của cộng đồng. Seattle Parks and Recreation đang khám phá tiềm năng sử dụng tài sản này thành khu vực

thả chó chạy rông, có thể với đường mòn dành cho người đi xe đạp và đi bộ.

TÔI CÓ THỂ NHẬN THÔNG TIN HIỆN TẠI VỀ KIẾN NGHỊ ĐOẠN ĐƯỜNG TRỐNG NÀY Ở ĐÂU?

Là một phần của đơn kiến nghị này, City Light sẽ tổ chức hai cuộc họp dành cho công chúng nhằm cung cấp các thông tin chi tiết về dự án và cách dự án sẽ ảnh hưởng đến khu vực SODO/ Georgetown. Các ý kiến đóng góp của công chúng sẽ được thu thập tại cả hai cuộc họp.

DIAGONAL AVENUE SOUTH
STREET VACATION PETITION

土地产权变更申请 – Diagonal Avenue South Seattle City Light (西雅图电力公司) 项目

Seattle City Light正在向Seattle Department of Transportation (SDOT, 西雅图交通局) 申请永久向公众关闭Diagonal Avenue South在4th Avenue South和Union Pacific Railroad铁道之间南路段的通行。该路段目前位于City Light围栏围起的地产内并在一项街道使用许可下作为储存功能使用。

拥有该地产将使City Light可以升级该区域以获得安全性和环境上的改善：

1. 减少冬季月份雪水泛滥造成的水灾损害；
2. 处理流入Duwamish河流的雨水
3. 改善场地的安全性；以及
4. 更加高效地使用该地产。

该地产的重新设计将不会造成对邻近街道和邻里区状态的改变。

该地产置换须经过Seattle Design Commission (西雅图设计委员会) 和Seattle Department of Transportation的审核。置换必须经西雅图市议会批准。

公众权益

DHC3 Website SCL Vacation Chinese

如果City Light寻求此段街道用地产权变更，则需要为西雅图居民的公众权益做出补偿，以抵消此路段的获取。City Light计划将其所有的位于East Marginal Way South的空闲地产置换给Seattle Parks and Recreation（Parks，西雅图公园与休闲局）。该位于Georgetown的空地面积约为Diagonal Avenue South地产的两倍。Parks正在考虑将该区域发展为犬只活动的公园，可能包含供公众使用的步行和骑行的连接小道。

土地产权变更申请 – Diagonal Avenue South 常见问题

什么是产权变更？

*土地产权变更*是指地产所有者（此处为Seattle City Light）向西雅图市议会申请获得毗邻街道的使用权，使其不再作为公共道路使用。做出这些决定的责任属于市议会。市议会将在考虑公共会议上以及之前所收集的公众评论后对此申请做出正式决定。

为什么Seattle City Light要寻求道路产权变更？

若干年来，Seattle City Light一直在一项街道使用许可下使用Diagonal Avenue South此段面积为13,300平方英尺的区域。在此许可下，该公共设施限制了公众对Diagonal Avenue South该段道路的通行和使用。

为了确保安全性、可行性和环境上的改善，City Light寻求获得Diagonal Avenue South该路段的所有权。该路段处在公共设施South Service Center（南服务中心）的地产之间。

周边区域会受到什么影响？

Diagonal Avenue South的封闭路段（即此申请道路产权变更的路段）已被用作工业用途。该路段与2nd Avenue South之间的交通目前被City Light所属地产西侧的铁路阻断。因此，将该地产的所有权由Seattle Department of Transportation（SDOT，西雅图交通局）转交给Seattle City Light预计不会对周边的地产或邻里交通状况造成影响。

道路产权变更的过程是怎样的？

该申请受到2018年开始实施的西雅图市议会道路产权变更政策管辖。道路产权变更的申请将由

DHC3 Website SCL Vacation Chinese

SDOT审查以确保城市公共道路使用的权利。SDOT将与Seattle Design Commission (SDC) 合作，以确保道路产权变更的过程是公正的且不会对社区造成影响。Department of Neighborhoods (DON, 西雅图邻里局) 将审查和批准所有道路产权变更的公共宣传方案。在公共宣传方案得到实施后，该申请将由SDOT和SDC审阅后递交给市议会进行批准。

该道路产权变更对西雅图居民有何补偿？

Seattle City Light作为申请者必须为占据公共道路使用权向西雅图居民提供相应的补偿。补偿可以是多种形式。在本次情况下，City Light将向Seattle Parks and Recreation (西雅图公园与休闲局) 转让一块位于Georgetown周边的面积为30,000平方英尺的地产所有权。Georgetown社区认为这块地产有可能建设成服务社区的公共设施。Seattle Parks and Recreation正在考虑将该地产发展为犬只自由活动的区域，可能包含步行和骑行的小道。

如何获取关于该道路产权变更申请的最新信息？

作为该申请过程的一部分，City Light将举行两次公众会议来提供关于此项目的细节和此方案对SODO/Georgetown区域可能产生的影响。两次公众会议都会收集公众评论。

Seattle City Light

DIAGONAL AVENUE SOUTH
STREET VACATION PETITION

Seattle City Light – Diagonal Avenue South

Seattle City Light is requesting the Seattle Department of Transportation (SDOT) to permanently close public access to the southern portion of Diagonal Avenue South between 4th Avenue South and the Union Pacific Railroad tracks. This currently lies within City Light's fenced-in property and has been used for storage under a Street Use Permit.

Owning this property will allow City Light to upgrade this area for better safety and environmental outcomes:

1. Reduce water damage from flooding during winter months.
2. Treat stormwater runoff into the Duwamish River;
3. Improve site security; and
4. Use the property more efficiently.

The redesign of this property will not result in any changes to the use of adjacent streets or neighborhood character.

DHC4 Website SCL Vacation English (1)

neighborhood character.

DHC4 Website SCL Vacation English (1)

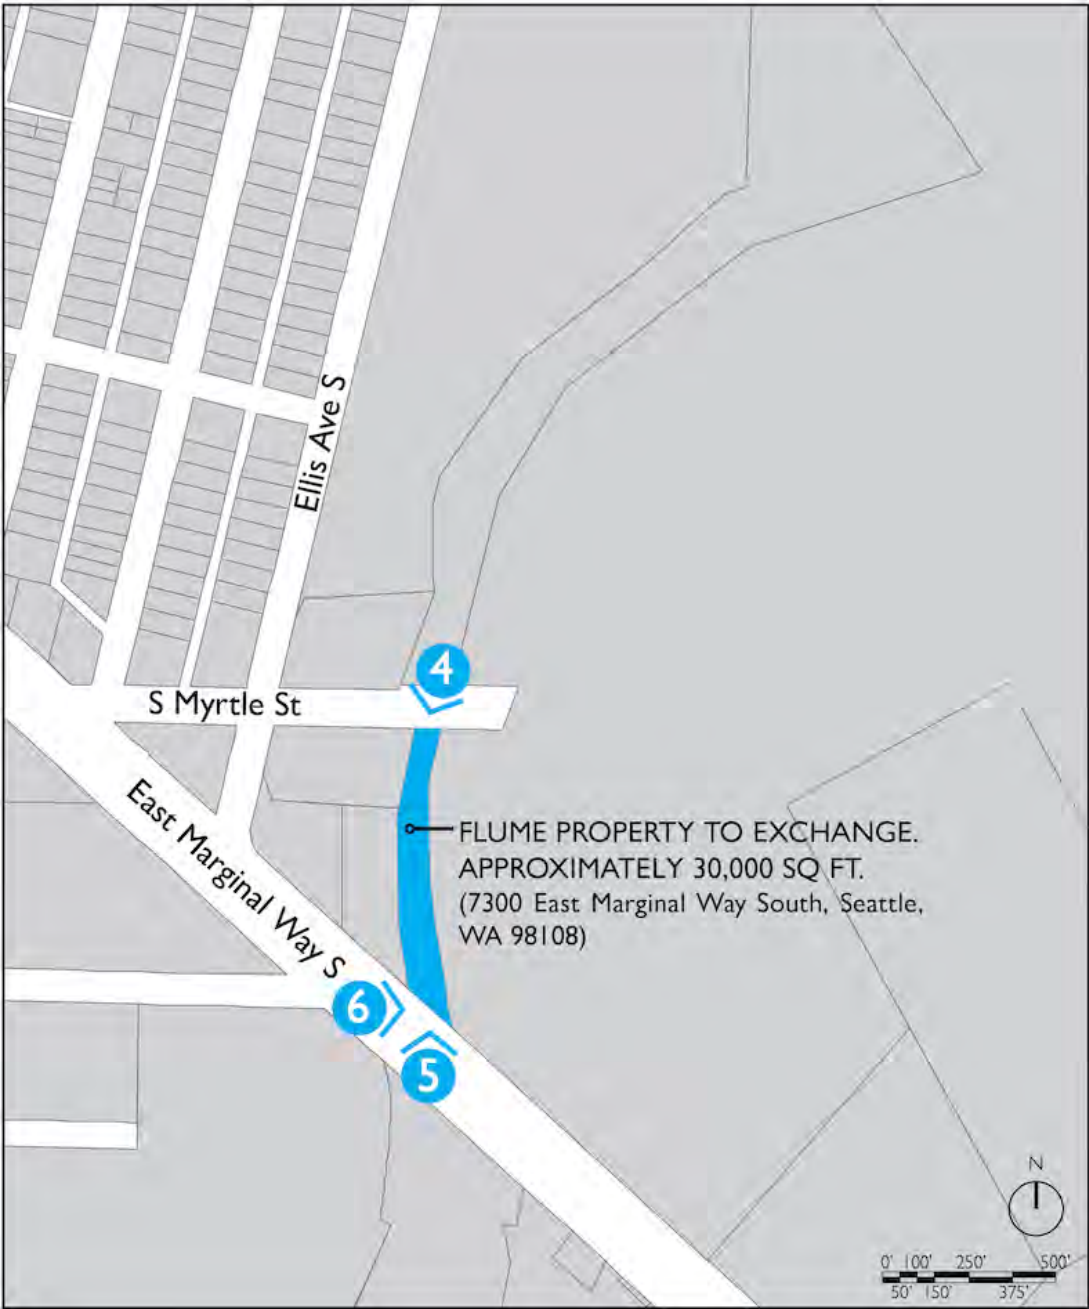

The property exchange is subject to the review of the Seattle Design Commission and the Seattle Department of Transportation. It must be approved by the Seattle City Council.

Public Benefit

Should City Light pursue a street vacation for this section of the road, it will be required to identify a public benefit for Seattle residents to offset this acquisition. City Light would transfer a vacant property on East Marginal Way South to Seattle Parks and Recreation (Parks). The vacant Georgetown property is double the size of the Diagonal Avenue South property. Parks is exploring the potential of using this area for an off-leash dog park, possibly with a public walking/biking connector trail.

DHC4 Website SCL Vacation English (1)

Frequently Asked Questions

WHAT IS A STREET VACATION?

DHC4 Website SCL Vacation English (1)

A *street vacation* refers to the process where a property owner (in this case, Seattle City Light) petitions Seattle City Council to acquire adjacent street right-of-way for use other than as a public roadway. The responsibility for making these decisions is assigned to the City Council. The City Council will consider public comments that were collected prior to or at a public hearing before making a formal decision about the petition.

WHY IS SEATTLE CITY LIGHT CONSIDERING A STREET VACATION?

For several years, Seattle City Light has continuously operated this 13,300-square-foot portion of Diagonal Avenue South under a street use permit. Under this permit, the utility has restricted public access to this portion of Diagonal Avenue South. In order to make safety, operational and environmental improvements, City Light is considering taking ownership of this section of Diagonal Avenue South, which is surrounded by the utility's South Service Center property.

HOW WILL THE NEIGHBORHOOD BE IMPACTED?

The closed portion of Diagonal Avenue South (subject of this vacation petition) has been in industrial use. Access to 2nd Avenue South is currently restricted by the railroad tracks directly west of the City Light property. Transferring the ownership of this property from the Seattle Department of Transportation (SDOT) to Seattle City Light is not expected to have any impact on surrounding properties or neighborhood circulation patterns.

HOW DOES THE STREET VACATION PROCESS WORK?

The petition is governed by the Seattle City Council Street Vacation Policies that were adopted in 2018. The petition for a street vacation is reviewed by SDOT which maintains the city's rights to all public rights-of-way. SDOT works with the Seattle Design Commission (SDC) to make sure the street vacation process is equitable and does not impact the community. The Department of Neighborhoods (DON) reviews and approves the outreach strategy for all street vacation proposals. After the public outreach strategy has been implemented, the petition is reviewed by SDOT and the SDC before it is forwarded to the City Council for approval.

HOW DOES THE STREET VACATION BENEFIT SEATTLE RESIDENTS?

The petitioner, Seattle City Light must provide an offsetting benefit to Seattle residents for transferring property out of the public right-of-way. The benefit can take many forms. In this case, City Light would transfer ownership of a 30,000-square-foot property in the Georgetown neighborhood to Seattle Parks and Recreation. The Georgetown community recognizes this property's potential to become a community amenity. Seattle Parks and Recreation is exploring the potential to use this as an off-leash dog park, possibly with a walking and biking trail.

HOW CAN I GET CURRENT INFORMATION ABOUT THIS VACATION PETITION?

As part of this petition, City Light will host two public meetings to provide details about this proposal and how this will affect the SODO/Georgetown area. Public comments will be collected at both meetings. Please check back on this site for project news and updates.

Summary

Seattle City Light (SCL) hosted a Facebook event page for the SODO and Georgetown public meetings. Promotion through this method was limited to those individuals and businesses who were already “friends” with Seattle City Light on Facebook or to Facebook groups that allowed SCL or CREÄ to post on their timeline. CREÄ Affiliates staff attempted to post on the timeline of businesses and community groups’ Facebook pages, however the site administrator for these Facebook pages needed to approve the post before they became publicly visible. Follow up to these sites on 6/14/19 revealed that none of the groups listed below accepted the attempted post by CREÄ Affiliates on 5/27/19.

Seattle City Light is seeking to improve a portion of Diagonal Avenue South in the SODO neighborhood. While this portion of the roadway lies within City Light's fenced-in property, it is owned by the Seattle Department of Transportation (SDOT). One of many approaches that City Light is considering before it makes this investment is to petition SDOT to vacate this section of the street from public access and use. To offset this acquisition, the utility is considering transferring a piece of property in the Georgetown neighborhood to Seattle Parks and Recreation. They are exploring this property's potential use as an off-leash area for dogs, possibly with a walking and biking trail.

As part of this petition, City Light will be hosting two public meetings to provide details about this proposal and how it will affect the SODO/Georgetown area. Public comments will be collected at both meetings. Light refreshments will be provided.

Street Vacation Petition – Diagonal Avenue South Frequently Asked Questions

WHAT IS A STREET VACATION?

A *street vacation* refers to the process where a property owner (in this case, Seattle City Light) petitions Seattle City Council to acquire adjacent street right-of-way for use other than as a public roadway. The responsibility for making these decisions is assigned to the City Council. The City Council will consider public comments that were collected prior to or at a public hearing before making a formal decision about the petition.

WHY IS SEATTLE CITY LIGHT SEEKING A STREET VACATION?

For several years, Seattle City Light has continuously operated this 13,300-square-foot portion of Diagonal Avenue South under a street use permit. Under this permit, the utility has restricted public access to this portion of Diagonal Avenue South.

In order to make safety, operational and environmental improvements, City Light is seeking ownership of this section of Diagonal Avenue South, which is surrounded by the utility's South Service Center property.

HOW WILL THE NEIGHBORHOOD BE IMPACTED?

The closed portion of Diagonal Avenue South (subject of this vacation petition) has been in industrial use. Access to 2nd Avenue South is currently restricted by the railroad tracks directly west of the City Light property. Transferring the ownership of this property from the Seattle Department of Transportation (SDOT) to Seattle City Light is not expected to have any impact on surrounding properties or neighborhood circulation patterns.

HOW DOES THE STREET VACATION PROCESS WORK?

The petition is governed by the Seattle City Council Street Vacation Policies that were adopted in 2018. The petition for a street vacation is reviewed by SDOT which maintains the city's rights to all public rights-of-way. SDOT works with the Seattle Design Commission (SDC) to make sure the street vacation process is equitable and does not impact the community. The Department of Neighborhoods (DON) reviews and approves the outreach strategy for all street vacation proposals. After the public outreach strategy has been implemented, the petition is reviewed by SDOT and the SDC before it is forwarded to the City Council for approval.

HOW DOES THE STREET VACATION BENEFIT SEATTLE RESIDENTS?

The petitioner, Seattle City Light must provide an offsetting benefit to Seattle residents for transferring property out of the public right-of-way. The benefit can take many forms. In this case, City Light would transfer ownership of a 30,000-square-foot property in the Georgetown neighborhood to Seattle Parks and Recreation. The Georgetown community recognizes this property's potential to become a community amenity. Seattle Parks and Recreation is exploring the potential to use this as an off-leash dog area, possibly with a walking and biking trail.

HOW CAN I GET CURRENT INFORMATION ABOUT THIS VACATION PETITION?

As part of this petition, City Light will host two public meetings to provide details about this proposal and how this will affect the SODO/Georgetown area. Public comments will be collected at both meetings.

Re: Vacation of a Portion of Diagonal Way, South

Dear Mr. Jerabek,

As you know, CREÄ Affiliates is assisting Seattle City Light in their efforts to vacate a portion of Diagonal Way, South. The area to be vacated is currently closed to public use pursuant to a street use permit granted by the Seattle Department of Transportation.

We appreciate the time you and your staff have taken to become familiar with our efforts, including meeting with us on-site. I am writing to provide you with an update on our recent and upcoming actions on this project. We will soon have available a flyer describing our proposal, which will be drafted in multiple languages. This flyer will also be used to advertise local informational meetings that we plan to schedule in the near future. If it is agreeable, we would like to post these flyers at your SODO location.

I will continue to be your primary point of contact for this project. You may reach me using the contact information shown below. Please feel free to contact me if you have any questions.

Re: Property of Seattle City Light, abutting the King County Airport

Dear Mr. Parrott,

CREA Affiliates is assisting Seattle City Light in their efforts to vacate a portion of Diagonal Way, South. As a part of that effort, we are in discussions with the Seattle Parks and Recreation Department regarding the possibility of transferring the above-referenced property (a/k/a/ the "Flume Property") for its potential use as a public park. The subject property consists of approximately 30,000 square feet in area, and is located to the west of the airport, between East Marginal Way South and South Myrtle Street. Attached you will find a map that shows the subject property in relation to the King County Airport.

I will be your primary point of contact for this project. You may reach me using the contact information shown below.

Because you are an abutter to this property, we would like to give you an opportunity to review and comment on the proposal. Also, if there are additional users or tenants at the airport that you would like to be made aware of this project, we would be happy to speak with them as well. Please contact us at your earliest convenience to arrange a time to meet.

Mr. True;

I work for a consuling firm assisng Seale City Light in their effort to secure more permanent access to that poron of Diag onal Avenue South that has been closed to the public for several years per a street use permit issued by the Seale Departmen t of Transportaon. Among the op ons tha t City Light is considering is a peon t o the City Council to permanently vacate that poron of the s treet.

As you may imagine, this is a complex process that appropriately requires a significant amount of public outreach to neighboring properes such as y ours. While City Light believes that the vacaon of the s treet will have no impact upon nearby properes, you are entled t o review the proposal and make your own determinaon as t o the potenal impact tha t this project may have.

I have a\$ached two documents that will help to provide you with some perspecv e. A er you have had the me t o review this material, I would be happy to answer any quesons tha t you may have. If you wish, you can respond to this email or I can meet you in person at your convenience.

I will look forward to hearing from you.

RE: Vacation of Diagonal Avenue South

Dear Mr. Kahn,

In order to improve their facility and provide greater security, Seattle City Light (SCL) is requesting the vacation of a portion of Diagonal Avenue South, which is located on the westerly side of Fourth Avenue in Seattle, between your property and theirs. We are sending this correspondence because you are an abutter to this property.

We have been contracted by Seattle City Light to work with them on this topic. As a part of the street vacation application, SCL would like to improve their property boundary by adding more secure fencing which will add a greater measure of security to your property, as well. Attached to this correspondence you will find relevant maps and drawings. We are also in the process of obtaining a new survey of the property.

We would like to meet with you at your earliest convenience to discuss this proposal in greater detail. Could you please contact me at the phone number below to arrange a time and place to meet? Thank you.

PARTICIPANTS	Seattle City Light: Timothy Croll, Ruth Meraz-Caron, Hermann Ambion, Jenny Levesque Seattle Parks and Recreation: Rachel _____ CREÄ Affiliates: Anindita Mitra, Michael Davolio, Yueru Deng, Christoph Strouse
AUDIENCE MEMBERS	Erin Goodman, SODO Business Improvement District Jane Elliott

SUBJECT Diagonal Av. S. street vacation, property transfer from City Light to Parks

Timothy Croll opened the meeting by introducing members from Seattle City Light, Seattle Parks and Recreation, and the City Light consulting team of CREÄ Affiliates. Anindita Mitra then presented a PowerPoint slide show. The presentation described the reasons why Seattle City Light is interested in petitioning the City to permanently acquire a portion of South Diagonal Avenue, for operational and security improvements.

Anindita's presentation included a full description of the Flume property, and the proposal of Seattle City Light to offer this property to the Seattle Department of Parks and Recreation. Rachel _____ of Parks and Recreation continued with an explanation of their interest in the Flume property, and their previous public discussions of utilizing the property as an off-leash dog park.

Anindita then described the importance of the public outreach process, including this meeting and the subsequent meeting scheduled in Georgetown on June 10th. Emphasis was placed on the online survey that was available for the public to provide their comments.

Erin Goodman of the SODO business Improvement District was in attendance, and offered several questions and comments. She emphasized that she did not object to the street vacation, but she asked why the proposed property exchange did not directly benefit the SODO neighborhood. Ms. Goodman expressed concerns about the "challenging location" of the Flume property, with regard to its proximity to homeless encampments. She spoke of concerns regarding illegal activities at the abutting motel, and of the temporary status of the nearby tiny house village.

Ms. Goodman also discussed the possibility of generating public support for public improvements such as walking trails in the SODO neighborhood, and she offered the support of her organization for such an

effort. She indicated that the employees of several local businesses would enjoy the use of safe walking trails in the area, and she noted specific businesses and organizations who might be persuaded into participating financially in such improvements.

When asked to comment on the small turnout at this public meeting, Ms. Goodman said, "If people don't have a concern, they won't come."

The presentation lasted approximately 20 minutes. With Q&A, the full meeting lasted more than 60 minutes.

TASK UPDATES

<u>SUBJECT</u>	Diagonal Av. S. street vacation, property transfer from City Light to Parks

Timothy Croll opened the meeting by introducing members from Seattle City Light, Seattle Parks and Recreation, and the City Light consulting team of CREÄ Affiliates. Anindita Mitra then presented a PowerPoint slide show. The presentation described the reasons why Seattle City Light is interested in petitioning the City to permanently acquire a portion of South Diagonal Avenue, for operational and security improvements.

Anindita's presentation included a full description of the Flume property, and the proposal of Seattle City Light to offer this property to the Seattle Department of Parks and Recreation. Danyal Lotfi of Parks and Recreation continued with an explanation of their interest in the Flume property, and their previous public discussions of utilizing the property as an off-leash dog park. He described the role of the Flume property as part of the Georgetown Open Space Vision Framework, and the site's potential to include public walking and bicycle trails.

Anindita then described the importance of the public outreach process, including this meeting and the subsequent meeting scheduled in Georgetown on June 10th. Emphasis was placed on the online survey that was available for the public to provide their comments.

The meeting was then opened for public questions and comments.

QUESTION: What were the questions asked at the SODO meeting?

ANSWER: Why is SODO not receiving any public benefits from this action? Areas of SODO can benefit from the development of trails and green spaces.

I.H.B.1. MEETING SUMMARY NOTES - Georgetown PM 6-12

Q: How can residents and others provide substantive feedback going forward?

A: There is an online survey that people can fill out. The survey is available in several languages. Also, tonight's public outreach is at the beginning of the process. Several city departments, such as the Department of Neighborhoods and the Design Commission, will conduct public processes as they consider this proposal. Finally, when a petition reaches the City Council, an additional public hearing will be held.

Q: Will the Flume property actually be developed as planned?

A: The Parks Department hopes to include this project in future plans as soon as feasible.

Q: What about existing easements on the Flume property?

A: Existing easements, primarily for storm drainage, will remain.

Q: King County owns abutting property. Can that property be included in the exchange?

A: Neither Seattle City Light nor the Parks Department have had any discussions with the county at this time.

Q: What is the range of options here? Is the street vacation petition the only option being considered?

A: City Light currently manages the property pursuant to an annual street use permit. Because of the improvements they'd like to make, they are looking at a more permanent solution. In addition to a street vacation, which is a permanent solution, City Light may also consider a longer-term permit of at least 30 years. However, at this time, the street vacation offers a permanent solution, and is considered as the preferred option.

Q: Does the Flume property provide a sufficient public benefit, in terms of comparative value?

A: The Flume property is approximately 30,000 square feet in size, which is about three times the size of the South Diagonal Avenue property. We believe that the public benefit is sufficient.

Q: The annual costs to maintain the Flume property are not included in the public benefit analysis.

A: Those costs will be assumed by the Parks Department, but Seattle City Light has performed environmental reviews and has performed regular maintenance of the property.

Q: Seattle City Light should provide additional funds to make a park at the Flume property useful to the community, as part of the public benefits package.

A: Seattle City Light believes that the Flume property, in itself, provides an adequate public benefit.

Q: If the property is transferred and doesn't get developed, what happens?

A: It is not in the interest of the Parks Department to allow the property to sit idle. There will be an effort made to develop the property.

Q: What is the timing of the SODO/Georgetown trail?

I.H.B.1. MEETING SUMMARY NOTES - Georgetown PM 6-12

A: (by DOT) We expect to see a preliminary design by the end of the year, although the schedule is uncertain.

The presentation lasted approximately 30 minutes. With Q&A, the full meeting lasted approximately 90 minutes.

TASK UPDATES

The project team will update its records to reflect the results of both public meetings.

<u>SUBJECT</u>	Diagonal Av. S. street vacation, property transfer from City Light to Parks

The meeting was led by Tim Croll, who began by describing the City Light petition for street vacation and the related proposal to transfer property to the Parks Department.

Danyal described the Parks Department's interest in using the property for an off-leash dog park. He noted that there has been a lot of local support for the creation of a dog park, based upon public comments made at previous public meetings over a span of several years.

Patty Foley noted that the Parks Department currently has numerous projects that are not funded; some for as long as 15 years. She indicated that she would support a dog park, but was skeptical that it would be funded.

Jesse Moore asked how the dog park would be funded, especially for regular maintenance.

Tim described how the process would occur through the Seattle Design Commission. There was discussion about different options being available to allow for public feedback.

Responding to a question, Tim explained how the Flume property had been used in the past by City Light, and how public policy would not have permitted the property to be transferred except through a "public benefit" proposal such as the one being proposed. Tim spoke about current drainage on the site, as well as infrastructure and environmental reports that are now being shared with Parks for their review.

Kate Kohler suggested that there be additional community contact prior to the Design Review process. It was noted that the Open Space Committee meets on the fourth Monday of each month (except July and August, when there are no meetings). If possible, a presentation before that committee would be helpful.

Kate also asked about whether fencing, lighting, and parking were being considered as part of the plan for the dog park.

I.M.B.1. MEETING SUMMARY NOTES - GCC OSC 5-14

Rosario Medina expressed concern that the public meeting scheduled for Georgetown conflicted with her event the same time and day. She asked whether it might be possible for this project to provide some degree of funding for local committees working within the community on open space issues. Anindita Mitra offered to see whether such funding might be possible, in a small measure.

Jesse and Patty needed to leave early, but they offered to be the contact people if City Light wanted to get their message on to local social media sites.

There was general agreement that the project could have a positive impact on the community. Some dog owners could come from a distance to utilize the park.

Tim and Danyal indicated that they would be making a presentation about the project to the Georgetown Merchants Association later in the day. It was also noted that the dates for public meetings on the project had been set, and will occur on June 11th and June 12th.

The meeting lasted approximately 55 minutes.

TASK UPDATES

- CREÄ: Will check with community members prior to scheduling future public meetings.
- CREÄ: Will explore ways to reimburse community members for their help publicizing the project.
- CREÄ: Will provide social media content to Patty prior to asking for her help in publishing them.

SUBJECT: Diagonal Av. S. street vacation, property transfer from City Light to Parks

Anindita and Danyal confirmed that Sam understood that City Light was in the process of vacating a portion of Diagonal Avenue South, and was proposing to transfer property in Georgetown in exchange for acquiring ownership of the vacated right-of-way.

Sam talked about the nearby steam plant, which is listed on the *National Register of Historic Places*, and is also a *National Science and Engineering Landmark*. The basic structure of this building is intact. His group is working to transform the steam plant into a museum for the arts and sciences, an arts center for local underserved children and occasionally, as an event venue. Sam asked whether the reuse of the steam plant could be commemorated through interpretive signs or markers in City Light's utilization of the Flume property.

The group discussed the history of the Flume property, noting that the public has discussed its potential for future public use at many events. This property has been an integral part of the Georgetown Open Space Plan. While many public comments over the years have addressed the possibility of using the property as an off-leash dog park, there has also been discussion about the use of the property as a part of a connected walking trail. Concerns have also been noted to the effect that if the property were to be used as a dog park, it must be fenced to prevent the danger of dogs wandering off onto Marginal Way South. Lighting and parking were also noted as desirable improvements.

Sam spoke about general conditions in the Georgetown neighborhood. He expressed a strong (and repeated) desire to see the motel that abuts the Flume property purchased. Sam spoke at length about the human trafficking known to occur on that site. There was acknowledgement of the location of the "tiny house village," and comments about its term in the current location coming to an end soon. He also noted that the crime rate in Georgetown has been rising, while the crime rate in the rest of the city has been dropping. Sam indicated that he has seen Georgetown residents becoming sensitive to the perceived lack of city engagement in the neighborhood. Michael indicated to Sam that City Light was committed to a broad base of public engagement for this project, and that this meeting was a part of that public engagement process.

In response to a question from Sam, Danyal indicated that the Parks Department requires a minimum of 5,000 square feet for a dog park, and the Flume property, at approximately 30,000 square feet, easily meets that requirement. Danyal also noted that the city tries to separate dog parks from playgrounds.

Sam indicated that he has no specific objection to the street vacation, or to the transfer of the Flume property as a part of that process.

The meeting lasted approximately 45 minutes.

TOPICS

A. SUMMARY OF SCOPE OF SERVICES

See Attached: Georgetown Steam Plant Flume Proposal (SCL, July 22, 2019)

B. PROJECT UPDATES

See Attached: Georgetown Steam Plant Flume Proposal

- Surveyor discovered that SCL appears to own 45k sq ft not 30k sq ft of property (to the KC Airport fence line and maybe beyond).
- SCL and Parks are planning for interim Off Leash Area (OLA).
- Take off 6 in. of topsoil and replace with clean gravel, this is parks standard approach to OLAs.
- Parks will fence in property and put in water cistern for dogs.
- Parks will take possession of property and work with SDOT for the trail study and possibly develop MOA for OLA and Trail.
- Petition approval anticipated for Q1 of 2020.
- SCL and Parks needs community support for Diagonal Ave S vacation otherwise Flume property will not be available for community.

C. COMMUNITY FEEDBACK

Q: When the soil is removed will the site be regraded to remove the existing slope?

A: The design will have to figure out what to do about the drainage swale

Q: Would the fence be permanent or temporary?

A: It would be a permanent chain link fence.

Q: Is the amount required for the Interim OLA available to Parks?

A: Yes, money is available and allocated. Parks' budget is through the \$100K identified by Paulina (DRCC) at the GCC meeting in May.

Q: Is 6 in. of topsoil removal adequate or will there be contaminated runoff?

A: SCL: 6 in. removal should protect OLA users and gravel replacement will help drain the site effectively.

Q: Won't the gravel hurt the dogs?

I.M.B.3. MEETING SUMMARY NOTES - Georgetown OSC 07 22

- A: It is not ideal though most OLAs in Seattle use gravel. COLA (Citizens for Off Leash Areas) is a non-profit that helps maintain the OLA surfaces throughout the city. Parks used to use mulch for the surface of the Golden Gardens OLA but that breaks down within a few seasons into dirt.
- Q: Won't SCL have to talk with Aero Motel about their encroachment?
- A: Yes, this will have to be worked out with Aero Motel. There is a report that shows a portion of the Flume is used as a drain field for a septic tank that is on Aero Motel site. The motel will either be required to remove the building or will be granted a revocable easement for the life of the building.
- Q: What was the feedback from SODO BIA?
- A: SODO BIA is looking for community benefit from transfer of Diagonal Ave property. SCL open to their idea for a trail but SDOT owns that right of way. SCL will work with BIA as much as possible on topics that are of interest to them and would affect SCL property.
- Q: When is the first SDC hearing about the street vacation and transfer?
- A: Oct. 3rd. SDC will review the SCL petition and prepare a package and recommendation to City Council. Support from SDC is ideal when it goes to City Council, but not an absolute necessity.
- Q: Is there an advantage for GOSC to contact SDC in advance of SCL's presentation?
- A: CREÄ advised that it would be better to prepare a strong presentation and let SDC know that GOSC would like to take time at the meeting to make a presentation.

ACTIONS/NEXT STEPS

- CREÄ will let GOSC know the day and time that SCL's presentation to the SDC will be made.
- CREÄ will alert the SDC that community members might want to make a presentation or testify at the SDC meeting.

Meeting Notes

MEETING	Andrew Schiffer
MEETING DATE:	5/20/19
MEETING TIME	4:00 p.m.
MEETING LOCATION	All City Coffee
PARTICIPANTS	Andrew Schiffer Michael Davolio, CREÄ Affiliates
<u>SUBJECT</u>	Diagonal Av. S. street vacation, property transfer from City Light to Parks

Michael confirmed that Andrew was familiar with City Light's street vacation petition and the prospective transfer of property to Seattle Parks as a part of that petition.

Michael asked Andrew about his roles in community activism. Andrew is a GCC Board member and a member of the Open Space Committee. He is also active with Dirt Corps and the local survey project, as well as being generally active in local civic engagement as a Georgetown resident. He is also a part of the Port of Seattle's Community Action Team.

Andrew indicated that he has been involved with other Seattle Parks projects in the past, many of which have taken up to twenty years from inception to funding. He asked if the transfer of the Flume property would be treated similarly. Michael noted that, at this point, neither City Light nor Parks were committing to any specific future use of the property.

Andrew noted that he believes the best use of the property would be as a walking trail. He would like to see City Light or Parks fund improvements to the site, including lighting and landscaping. He also noted that some wet areas on the site would be suitable as rain gardens.

Michael advised Andrew that his role as a consultant was to bring all comments from meetings such as this to City Light and other city departments for their review and future action. Michael also indicated that City Light was committed to an open and transparent public engagement process for this project.

Andrew expressed concern that, if the site were used as a dog park, it must be fenced to protect the safety of the dogs. He was worried about dogs running into traffic.

The meeting lasted approximately 30 minutes.

Meeting Summary Notes

MEETING: SODO Business Association
MEETING DATE: 5/14/19
MEETING TIME: 1:00 p.m.
MEETING LOCATION: CREÄ Affiliates meeting room
PARTICIPANTS: Erin Goodman, SODO Business Assn.
Anindita Mitra, CREÄ Affiliates
Michael Davolio, CREÄ Affiliates
SUBJECT: Diagonal Av. S. street vacation, property transfer from City Light to Parks

Michael Davolio asked Erin Goodman to describe the work of the SODO Business Association. Erin provided a brochure for the SBA, and also their most recent annual plan. Erin indicated that, as a tenant in the Urban Work Lofts building, CREÄ Affiliates is a member of the Association. She also indicated that her organization works with property owners, business owners, and employees of businesses in the SODO area.

Erin advised that the SBA is required by city regulations to remain neutral on land use issues. They are familiar with the street vacation process because another member, the Nissan dealership, is currently going through the same process.

Michael described the street vacation petition as it applies to City Light, noting that the proposed property transfer will provide a public benefit to the Georgetown neighborhood. Erin indicated that she would have preferred a public benefit to the SODO neighborhood, but that she understood that City Light is limited by the properties that it owns. Erin then asked whether City Light would also consider providing some vegetation and/or a walking trail beneath power lines on a different portion of Diagonal Avenue. She understands that this request may be outside the scope of the current petition. Michael agreed to pass the information along as a part of the public comments received through this process.

Anindita provided an example of the materials that we would be sharing with the SBA membership. Erin indicated that she saw no problem with distributing that material. Responding to a question, she indicated that she did not have the authority to provide a letter of support for the project without the approval of her Board of Directors. However, she would be willing to provide documentation to indicate that her membership had no objection to the project, if that proved to be the case.

The meeting lasted approximately 45 minutes.

TASK UPDATES

CREÄ: Will provide electronic materials to SBA for inclusion in their next quarterly report, which will be distributed by email on June 3rd.

MEETING: Georgetown General Body
MEETING DATE: 5/20/19
MEETING TIME: 7:00 p.m.
MEETING LOCATION: Old City Hall, Georgetown
PARTICIPANTS: Anindita Mitra, CREÄ Affiliates
Timothy Croll, City Light
Ruth Meraz-Caron, City Light
Rachel Schulkin, Parks

SUBJECT Diagonal Av. S. street vacation, property transfer from City Light to Parks

Tim Croll provided a summary of the proposed street vacation and SCL's need to own it to clean it. Tim also noted that the offsetting public benefit of transferring property in Georgetown to the Parks Department. This might help address some suspected illicit activity currently occurring in the area.

QUESTION: Have there been any talks between SCL and King County to consolidate the extra property on the southern edge of the Flume Property?

COMMENT: Tim mentions that SCL is interested in the topic, but has not pursued it. Rachel says that the City is always interested in engaging the public.

QUESTION: Are OLAs fenced in?

ANSWER: Yes.

QUESTION: Can OLAs and trails co-exist?

ANSWER: Yes. Parks' MDAR (?) has more ability to remove people. A dog park is considered a positive activation, even as a temporary use.

QUESTION: Who is negotiating for Georgetown? Is City Light getting more as a part of this deal?

ANSWER: Size and money-wise, it appears to be a fair deal. Could talk to the County about including their property.

QUESTION: How is funding guaranteed?

ANSWER: We want community input.

QUESTION: Is there money in the pipeline for this?

ANSWER: The Parks Department is now developing 14 new parks into the system. They are interested in getting this land while they can.

QUESTION: This is not an ideal location for a dog park.

ANSWER: Rachel mentions that they have heard that people don't want to live next to it. It's not the only space for an off-leash area in Georgetown.

QUESTION: How is this a complete project?

I.M.C.1. MEETING SUMMARY NOTES - GCC 5-20

ANSWER: Tim mentions that this is a \$650,000 net benefit for the community and could be considered a donation of the property.

Paulina says there is \$100,000 for funding in the Duwamish Valley Action Plan for community engagement and project design. Alberto and Danyal reassured Paulina that the budget was available.

The discussion lasted approximately 20 minutes.

Meeting Summary Notes

MEETING:	Georgetown Merchants Association
MEETING DATE:	5/14/19
MEETING TIME:	6:00 p.m.
MEETING LOCATION:	Machine House Brewing
PARTICIPANTS:	Anindita Mitra, CREÄ Affiliates Michael Davolio, CREÄ Affiliates Yueru Deng, CREÄ Affiliates Timothy Croll, Seattle City Light Danyal Lotfi, Seattle Parks and Recreation Georgetown merchants (see sign-in sheet)
<u>SUBJECT:</u>	Diagonal Av. S. street vacation, property transfer from City Light to Parks

CREÄ Affiliates and City Light distributed handouts to attendees (see attached).

CREÄ Affiliates representatives attended the meeting in “listening mode.”

Tim Croll described the City Light petition for street vacation and the related proposal to transfer property to the Parks Department. He described the street vacation petition as an opportunity for City Light to make safer and more efficient use of their property on Fourth Avenue. Tim then deferred to Danyal Lotfi to describe the role of the Parks Department.

Danyal described the Parks Department’s interest in using the property for an off-leash dog park. He noted that there has been a lot of local support for the creation of a dog park, based upon public comments made at previous public meetings over a span of several years.

Tim then described the formal street vacation process required by the city, and he encouraged those in attendance to participate in one of the public meetings that will take place in June.

Questions from the audience:

“What is the current use of the vacated property?” The portion of Diagonal Avenue South that will be vacated is currently closed to the public per a street use permit. It is used by City Light as a part of their operations.

“There is no public access now?” No.

“What are comparative values of the two properties?” There is no specific value established because property valuations are not typically performed on public properties, but the Flume property is more than three times larger than the Diagonal Avenue property.

“How was the decision made to use the Flume property as a dog park?” The Parks Department has held public meetings over several years, and members of the public have generally expressed this as their preferred choice.

The discussion lasted approximately 15 minutes.
