<b>Item #</b>	<b>Title</b>	<b>Description</b>	<b>Amount/FTE</b>
<b>Section 1 – Appropriation Decreases – Operating Budgets</b>			
1.1	Families and Education Levy Technical Adjustment (Department of Education and Early Learning)	This item decreases appropriation authority by \$550,000 in the Department of Education and Early Learning (DEEL) Families and Education Levy K-12 Program (17587-BO-EE-IL200) to make a technical adjustment to the 2021 Adopted Budget. Because the Families and Education Levy has automatic administrative carryforward, the added 2021 budget appropriation duplicates existing budget authority.	(\$550,000)
1.2	Reduce Pike Place Market Budget for 2021 (Department of Finance and Administrative Services)	This item decreases appropriation authority by \$6,000,000 in the Department of Finance and Administrative Services in the 2021 West Seattle Bridge LTGO Bond Fund Pike Place Market Budget Control Level (36810-BO-FA-PPM) . The City authorizes debt on behalf of the Pike Place Market Public Development Authority (PPMPDA), the PPMPDA then repays the City for the cost of that debt. This decrease aligns with a change in Pike Place Market's planned project timing, a delay from 2021 to 2022. FAS is abandoning appropriation authority in 2021, but will re-propose as part of the 2022 budget proposal.	(\$6,000,000)

1.3	Remove Excess General Fund Transfer Appropriation Authority (Finance General)	This item decreases appropriation authority by \$33.687 million in Finance General in the General Fund Appropriations to Special Funds Budget Control Level (00100-BO-FG-2QA00). The Mayor’s Proposed 2021 Budget used \$47,050,000 from the City’s Emergency Fund to balance. After receiving notification of additional General Fund revenue in the November Revenue Update, Council chose to transfer \$33,687,000 back to the Emergency Fund, as reflected in Council Budget Action FG-006-B-002. As the 2021 Adopted Budget includes offsetting appropriations both from and to the Emergency Fund, this item, combined with Item 1.4, removes both sides of this transaction to achieve the same fiscal result with fewer accounting entries. There is no impact to removing this appropriation on the planned level of Emergency Fund balance in the 2021 Adopted Budget.	(\$33,687,000)
1.4	Remove Excess Emergency Fund Transfer Appropriation Authority (Finance General)	This item decreases appropriation authority by \$33.687 million in Finance General in the Emergency Fund Appropriations to Special Funds Budget Control Level (10102-BO-FG-2QA00). The Mayor’s Proposed 2021 Budget used \$25,700,000 from the City’s Emergency Fund to balance the General Fund. After receiving notification of additional General Fund revenue in the November Revenue Update, Council chose to transfer \$33,687,000 back to the Emergency Fund, as reflected in Council Budget Action FG-006-B-002. As the Adopted Budget now includes offsetting appropriations, both from and to the Emergency Fund, this item, combined with Item 1.3, removes both sides of this transaction to achieve the same fiscal result with fewer accounting entries. There is no impact to removing this appropriation on the planned level of Emergency Fund balance in the 2021 Adopted Budget.	(\$33,687,000)
