CITY OF SEATTLE 1 ORDINANCE 126384 2 $_{COUNCIL\,BILL}_120081$ 3 4 5 AN ORDINANCE relating to affordable housing on properties owned or controlled by religious 6 organizations; modifying existing development standards to facilitate creation of 7 affordable housing; amending Section 23.45.504 of the Seattle Municipal Code, 8 renumbering Section 23.44.009 of the Seattle Municipal Code as Section 23.44.007 and 9 Section 23.44.019 as Section 23.44.009; and adding new Sections 23.42.055, 23.44.019, 10 23.45.550, 23.47A.040, 23.48.100, and 23.49.037 to the Seattle Municipal Code. 11 12 WHEREAS, Seattle has an acute shortage of and need for housing affordable to households with 13 low incomes, particularly extremely low-income households; and 14 WHEREAS, roughly one in seven Seattle households pays more than 30 percent of their income 15 toward housing costs, a phenomenon called housing cost burden, which leaves very little 16 to pay for other basic necessities like food, transportation, healthcare, and child care; and WHEREAS, housing cost burden is particularly high for Black households, half of which in 17 18 2018 paid more than 30 percent of their income toward housing costs; and 19 WHEREAS, from 2006 to 2018 the share of rental housing in Seattle affordable to low-, very 20 low-, and extremely low-income households fell from more than 80 percent to less than 21 half; and 22 WHEREAS, in 2019, with support from leaders in Seattle's religious communities, the 23 Washington State Legislature adopted Substitute House Bill 1377 (SHB 1377), requiring 24 cities and counties to allow additional residential density for long-term affordable 25 housing on property owned or controlled by a religious organization; and

WHEREAS, Seattle's faith institutions have a long history of supporting and creating affordable 1 2 housing for low-income families and individuals, with the help of the City's housing levy 3 and other public funds; and 4 WHEREAS, religious organizations own property in multifamily, mixed-use, and single-family 5 zones throughout Seattle, including many underdeveloped sites that could be feasible for 6 affordable housing, provided adequate development capacity is available; and 7 WHEREAS, the City, through the Office of Housing, has helped finance hundreds of affordable 8 rental apartments on land availed by faith-based organizations; and 9 WHEREAS, while religious organizations may be motivated, as a matter of mission, to redevelop their land into affordable housing, their property may not be ideal for 10 11 residential development under existing regulations if, among other reasons, it lacks 12 sufficient development capacity for a financially feasible multifamily project; and 13 WHEREAS, existing land use policy can increase the cost of affordable housing development, 14 delay project delivery, introduce uncertainty into feasibility calculations, restrict areas of 15 the city where affordable housing investment is viable, limit the opportunity to leverage 16 scarce land available for affordable housing, or render a project altogether infeasible, 17 particularly for projects seeking public funding; and 18 WHEREAS, several faith institutions have expressed interest in redeveloping their property with 19 long-term affordable housing under the provisions required under SHB 1377; NOW, 20 THEREFORE, 21 BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS: 22 Section 1. A new Section 23.42.055 is added to the Seattle Municipal Code as follows: 23 23.42.055 Low-income housing on property owned or controlled by a religious organization

- A. This Section 23.42.055 establishes the requirements for developments using alternative development standards for low-income housing on property owned or controlled by a religious organization where allowed by the provisions of the zone.
- B. Eligible property. The property must be owned or controlled by a religious organization at the date of the permit application.

C. Affordability requirements

- 1. Eligible households. All dwelling units or congregate residence sleeping rooms permitted pursuant to this Section 23.42.055 shall serve only:
 - a. For rental units,
- 1) In development with a complete Master Use Permit application, if required, or complete building permit application filed by July 1, 2022, households with incomes no greater than 80 percent of median income, adjusted by household size, or
- 2) In development with a complete Master Use Permit application, if required, or complete building permit application filed after July 1, 2022, households with incomes no greater than 80 percent of median income, adjusted by household size, and average household income across all units in the project no greater than 60 percent of median income.
- b. For ownership units, households with incomes no greater than 80 percent of median income, adjusted by household size.
- 2. Duration. The obligation to provide dwelling units meeting the requirements of subsection 23.42.055.B shall last for a period of 50 years from the date of the certificate of occupancy or, if a certificate of occupancy is not required, from the date of the final building permit inspection for the development to which this Section 23.42.055 applies.

3. Affordable rent. Monthly rent shall not exceed 30 percent of 80 percent of median income. For purposes of this subsection 23.44.055.C.3, "monthly rent" includes a utility allowance for heat, gas, electricity, water, sewer, and refuse collection, to the extent such items are not paid for tenants by the owner, and any recurring fees that are required as a condition of tenancy.

4. Affordable sale price

a. Affordable price – initial sales. The initial affordable sale price must be an amount in which total ongoing housing costs do not exceed 30 percent of 80 percent of median income. The Director of Housing will establish by rule the method for calculating the initial sale price including standard assumptions for determining upfront housing costs, including the down payment, and ongoing housing costs, which must include mortgage principal and interest payments, homeowner's insurance payments, homeowner or condominium association dues and assessments, and real estate taxes and other charges included in county tax billings. The Director of Housing may establish by rule a maximum down payment amount.

b. Affordable price – resales. Eligible households for purchase of an ownership unit subsequent to the initial sale must have incomes no greater than 80 percent of median income at initial occupancy. The Office of Housing will establish by rule the formula for calculating maximum affordable prices for sales subsequent to the initial sale to allow modest growth in homeowner equity while maintaining long-term affordability for future buyers.

D. Agreement. As a condition of building permit issuance for a development according to this Section 23.42.055, the property owner and the City must enter into an agreement in a form acceptable to the City that includes housing covenants consistent with this Section 23.42.055 and

Section 23.44.009 of the Seattle Municipal Code, enacted by Ordinance 8 125791, is renumbered to 23.44.007: 9 ((23.44.009)) 23.44.007 Mandatory Housing Affordability in RSL zones 10 RSL zones that have a mandatory housing affordability suffix are subject to the provisions of 11 Chapters 23.58B and 23.58C. 12 Section 3.
