VIA CERTIFIED MAIL

RE: City of Seattle Terminal 5 Quiet Zone Improvements Acquisition Ordinance

Notice of Seattle City Council Transportation and Utilities Committee Meeting and Full City Council Meeting Authorizing Acquisition of Property for Public Purposes through Negotiation and the Exercise of Eminent Domain (Condemnation)

Tax Parcel No.: XXXXXX-XXXX

Address: [Insert]

Dear Property Owner:

The purpose of this notice is to inform you that the Seattle City Council is expected to vote to approve an ordinance authorizing the Seattle Department of Transportation to acquire all property rights necessary to complete some elements of its Terminal 5 Quiet Zone Improvements project (the “Project”), which is part of the Port of Seattle’s Terminal 5 Cargo Wharf, Berth Deepening, and Improvements Project, through negotiation or the use of eminent domain (condemnation), if necessary. Primary elements of this modernization project consist of berth deepening, dock strengthening, and electrical system upgrades to power larger cranes to handle ultra-large container ships with a maximum capacity of 18,000 TEUs. The modernization of Terminal 5 will allow it to remain competitive with other terminals in the region by handling more capacity and reducing environmental impacts. Once the ordinance is approved and becomes effective, SDOT will be authorized to acquire all property rights needed for the Project through negotiations with property owners and the use of eminent domain (condemnation), if necessary. You have been identified as a property owner from whom all or a portion of your property *may* be needed, either temporarily or permanently, for the Project. A map indicating the Project alignment is enclosed for your information.

The City of Seattle (the “City”) is required by RCW 8.25.290 to provide you with formal written notice before the City takes final action authorizing the condemnation of property. The City ordinance authorizing property acquisition for this Project through negotiation or condemnation is anticipated to be on the agenda of the Seattle City Council Transportation and Utilities Committee for discussion and possible vote on August 18, 2021. The meeting will begin at 9:30 a.m. To confirm agenda items, check a day before the meeting at http://www.seattle.gov/council/com_assign.htm. The committee will take public comment as a regular part of this meeting.

If you would like, you will have the opportunity to express your views on the ordinance during the public comment portion of the Transportation and Utilities Committee meeting. The committee welcomes any property owner that would like to participate during the public comment section of a meeting. The total time allocated for public comments may be limited at the discretion of the Committee chair. If you have questions about the

committee meeting format, the agenda for the meeting, or the public comment section, please contact Willa Hevly in Councilmember Pedersen's office at (206) 684-5398.

In-person attendance is currently prohibited per Washington State Governor's Proclamation 20-28.15 until the COVID-19 State of Emergency is terminated or Proclamation 20-28 is rescinded by the Governor or State legislature. Meeting participation is limited to access by telephone conference line and online by the Seattle Channel.

You can register to speak online during the Public Comment period of the 9:30 a.m. Transportation and Utilities Committee meeting at <http://www.seattle.gov/council/committees/public-comment>, or you can email all nine Councilmembers by sending your comments to council@seattle.gov or contacting them individually. For further meeting information, please call the Seattle City Council at 206-684-8888 (TDD: 206-233-0025).

If the Transportation and Utilities Committee approves the ordinance, it will then be scheduled for final City Council action. Final action on the ordinance by the City Council is expected on Tuesday, September 7, 2021, at 2:00 p.m. at a virtual meeting. After the full City Council approves the ordinance and it becomes effective, The City may acquire property for the Project from you through negotiation or may use its powers of eminent domain to condemn your property, if necessary.

Meeting participation is limited to access by telephone conference line and online by the Seattle Channel. You can register to speak online during the public comment period of the 9:30 a.m. Transportation and Utilities Committee meeting at: <http://www.seattle.gov/council/committees/public-comment>.

You may also choose to email all nine Councilmembers by sending your comments to council@seattle.gov or contacting them individually. For further meeting information, please call the Seattle City Council at 206-684-8888 (TDD: 206-233-0025).

If the Transportation and Utilities Committee approves the ordinance, it will then be scheduled for full City Council action on Tuesday, September 7, 2021, at 2:00 p.m. at a virtual meeting. At this meeting, the City Council is expected to take final action on the proposed ordinance that authorizes acquisition by negotiation and/or condemnation of all or a portion of the properties identified above, either temporarily or permanently, for the Project. The City is required by RCW 8.25.290 to provide this notice before the City takes final action authorizing condemnation of property.

To confirm agenda items, check a day before the meetings at: http://www.seattle.gov/council/com_assign.htm.

Any questions about the Project, proposed ordinance, or City Council meetings may be directed to Barret Aldrich, SDOT Senior Real Property Agent at (206) 615-0746, or Willa Hevly in Councilmember Pedersen's office at (206) 684-5398.

RE: The City of Seattle Terminal 5 Quiet Zone Improvements Acquisition Ordinance

Revised Notice of Seattle City Council Transportation and Utilities Committee Meeting and Full City Council Meeting Authorizing Acquisition of Property for Public Purposes through Negotiation and the Exercise of Eminent Domain (Condemnation)

Tax Parcel No.: [XXXXXX-XXXX]

Address: [Insert]

Dear Property Owner:

The purpose of this notice is to inform you that the Seattle City Council is expected to vote to approve an ordinance authorizing the Seattle Department of Transportation to acquire all property rights necessary to complete some elements of its Terminal 5 Quiet Zone Improvements project (the “Project”), which is part of the Port of Seattle’s Terminal 5 Cargo Wharf, Berth Deepening, and Improvements Project, through negotiation or the use of eminent domain (condemnation), if necessary. Primary elements of this modernization project consist of berth deepening, dock strengthening, and electrical system upgrades to power larger cranes to handle ultra-large container ships with a maximum capacity of 18,000 TEUs. The modernization of Terminal 5 will allow it to remain competitive with other terminals in the region by handling more capacity and reducing environmental impacts. Once the ordinance is approved and becomes effective, SDOT will be authorized to acquire all property rights needed for the Project through negotiations with property owners and the use of eminent domain (condemnation), if necessary. You have been identified as a property owner from whom all or a portion of your property *may* be needed, either temporarily or permanently, for the Project. A map indicating the Project alignment is enclosed for your information.

The City of Seattle (the “City”) is required by RCW 8.25.290 to provide you with formal written notice before the City takes final action authorizing the condemnation of property. The City ordinance authorizing property acquisition for this Project through negotiation or condemnation is anticipated to be on the agenda of the Seattle City Council Transportation and Utilities Committee for discussion and possible vote on August 18, 2021. The meeting will begin at 9:30 a.m. To confirm agenda items, check a day before the meeting at http://www.seattle.gov/council/com_assign.htm. The committee will take public comment as a regular part of this meeting.

If you would like, you will have the opportunity to express your views on the ordinance during the public comment portion of the Transportation and Utilities Committee meeting.

The committee welcomes any property owner that would like to participate during the public comment section of a meeting. The total time allocated for public comments may be limited at the discretion of the Committee chair. If you have questions about the committee meeting format, the agenda for the meeting, or the public comment section, please contact Willa Hevly in Councilmember Pedersen's office at (206) 684-5398.

In-person attendance is currently prohibited per Washington State Governor's Proclamation 20-28.15 until the COVID-19 State of Emergency is terminated or Proclamation 20-28 is rescinded by the Governor or State legislature. Meeting participation is limited to access by telephone conference line and online by the Seattle Channel.

You can register to speak online during the Public Comment period of the 9:30 a.m. Transportation and Utilities Committee meeting at <http://www.seattle.gov/council/committees/public-comment>, or you can email all nine Councilmembers by sending your comments to council@seattle.gov or contacting them individually. For further meeting information, please call the Seattle City Council at 206-684-8888 (TDD: 206-233-0025).

If the Transportation and Utilities Committee approves the ordinance, it will then be scheduled for final City Council action. Final action on the ordinance by the City Council is expected on Monday, September 13, 2021, at 2:00 p.m. at a virtual meeting. After the full City Council approves the ordinance and it becomes effective, The City may acquire property for the Project from you through negotiation or may use its powers of eminent domain to condemn your property, if necessary.

General information about the Program can be found at:
<https://www.portseattle.org/projects/terminal-5-improvements>

If you have any questions regarding this notice, please do not hesitate to contact me or the offices mentioned in this letter.
