**Effect:** This amendment would revise the department receiving funds to provide capital support for the Chief Seattle Club’s mixed-use project in Pioneer Square (Project: SE3ACMMTY - Community Facilities) that will create more than 80 affordable apartment homes in addition to a health clinic, non-profit office space, and a cafe/gallery space. At the end of Fiscal Year 2020, through [Ordinance 126257](#), the appropriation for this project was moved from the Human Services Department to the Office of Planning and Community Development in order to centralize funds supporting the project in one department.
