Seattle Residents Value Parks & Recreation!

Seattle Parks and Recreation (SPR) regularly conducts a statistically valid survey of Seattle residents' views on our parks and recreation system.

Key findings from 2023:

- ✓ 97% of residents report that our system is important to Seattle's quality of life
- ✓ 65% of residents gave the system an A or B grade, an increase from 54% in 2021
- ✓ 93% of residents report visiting a park or recreation facility at least twice in 2023, and 73% reported visiting 10 or more times a year.

RSJI Commitment

Race and Social Justice Initiative (RSJI)

SPR embraces the City of Seattle's long-term commitment to end institutional and structural racism and to achieve equity in our programs, projects and community contributions.

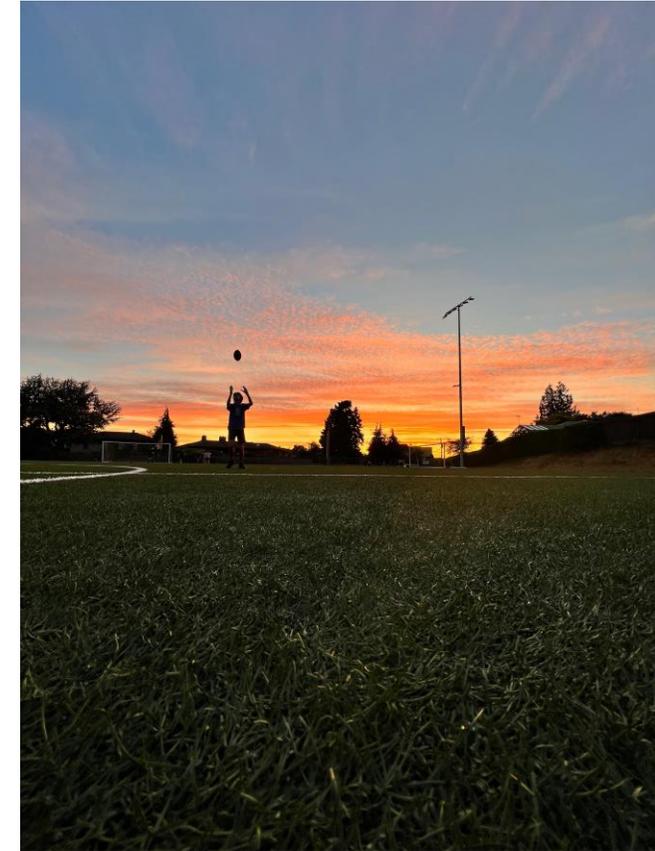

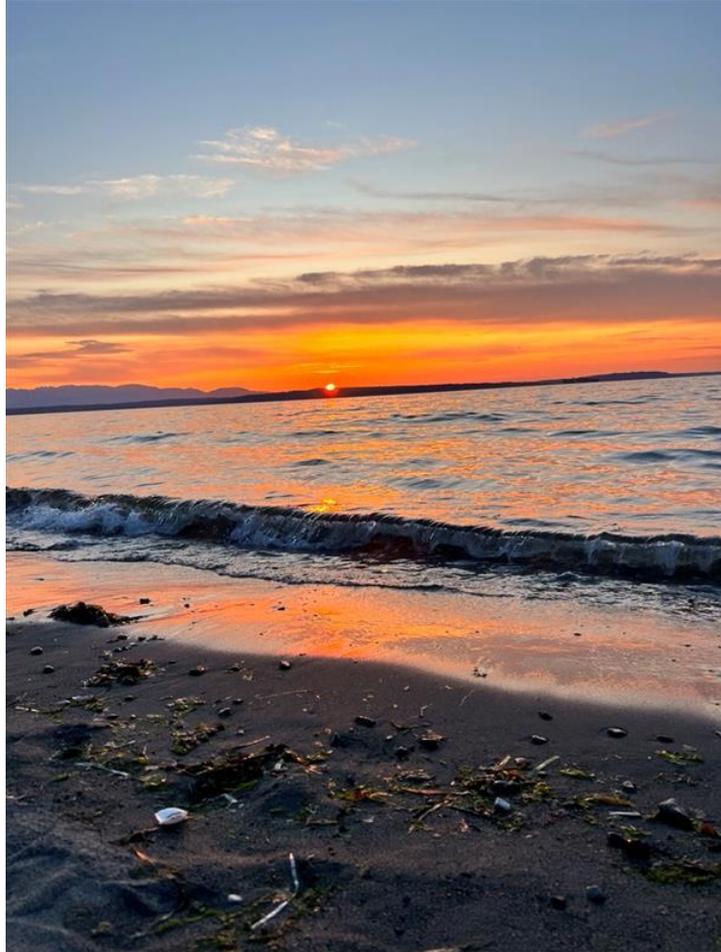

SPR Equity & Inclusion Vision Statement

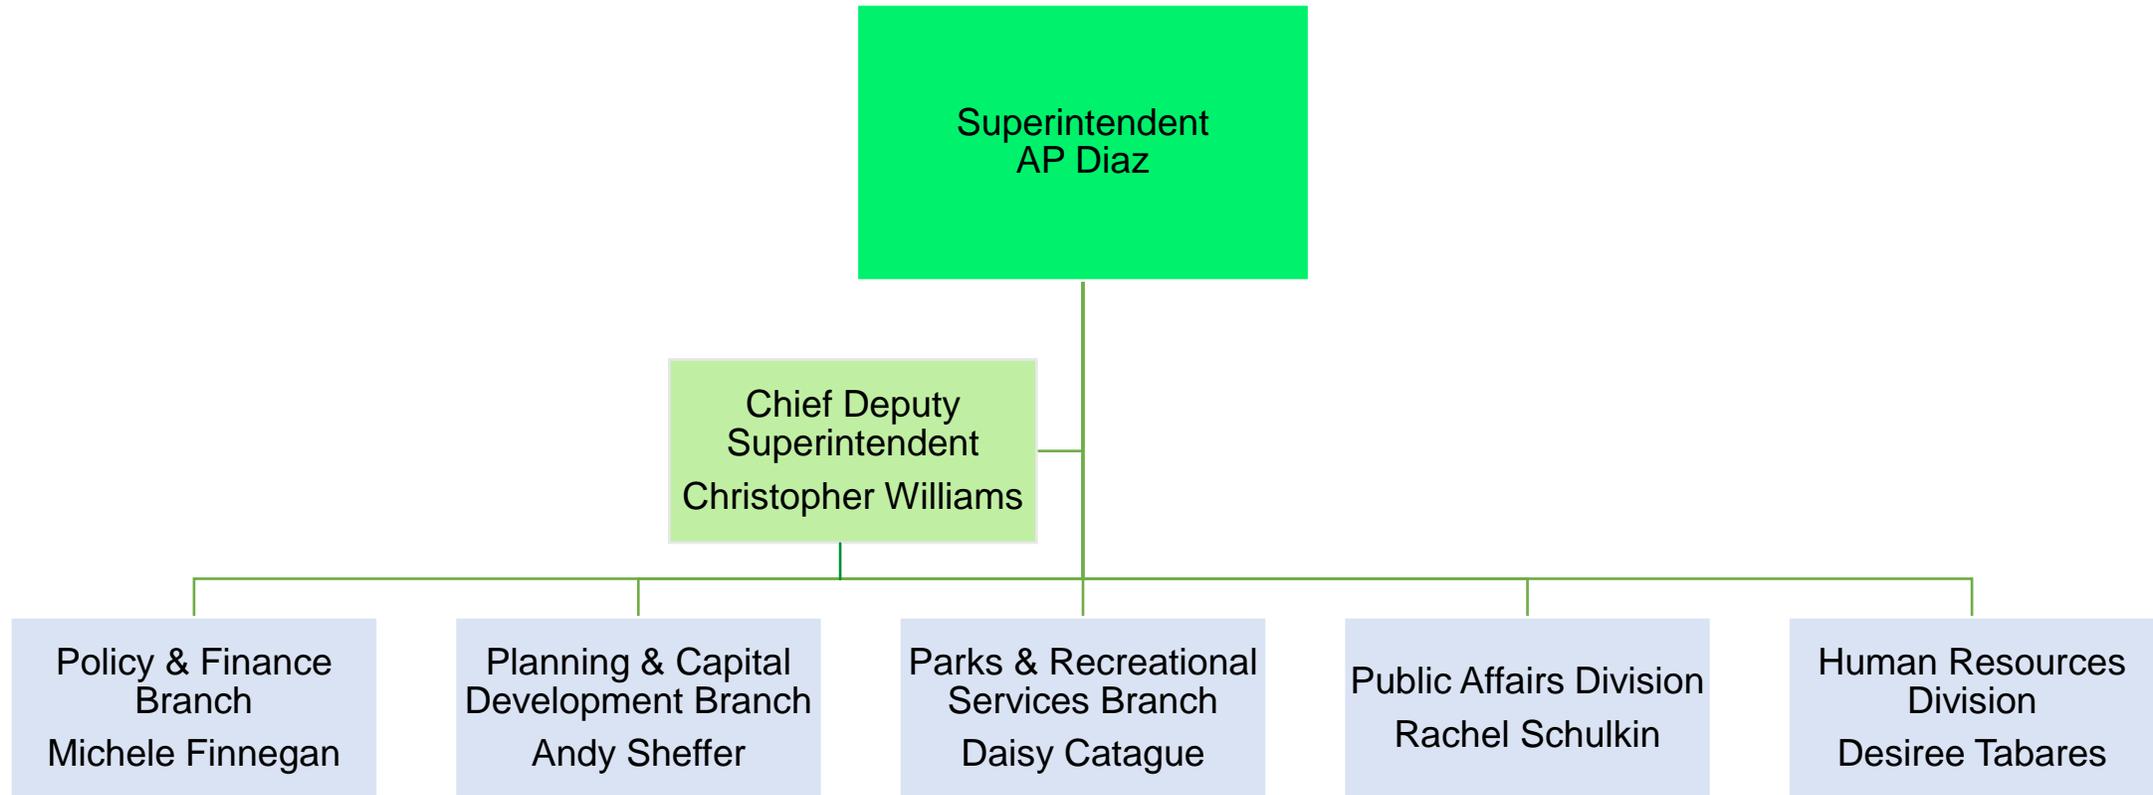

Seattle Parks and Recreation commits to advancing equity and social justice in our department and in every neighborhood by growing a dynamic and diverse workforce, developing strong investments, growth opportunities and beneficial partner strategies as we acknowledge and pledge to close disparities created by historical practices which often hindered workforce development, environmental justice, access to quality open spaces, programs and facilities. 2024 SPR Adopted Budget

2024 Adopted Budget: \$321M

Adopted Operating Budget: \$227M

Adopted CIP Budget: \$93M

Seattle Park District: Cycle 2 Investment Highlights

Cycle 2 programs under way:

- Making parks safe and welcoming through an expanded **Park Ranger program** and **increased activation** in the center city and neighborhood parks.
- Improving **restroom access and cleanliness** by increased daily maintenance, winterizing to reduce seasonal closures, and increased frequency of major renovations.
- Combating climate change by **decarbonizing facilities** and building a resilient urban forest by **restoring natural areas** and planting more **trees in developed parks**.
- Expanding operating hours at **community centers** and increasing access to culturally relevant health and fitness programs through **community grants**.

Seattle Park District

- The Seattle Park District a.k.a. “the MPD” is a separate jurisdiction that levies property taxes to support parks and recreation services.
- Established in a 2014 vote to provide dedicated, ongoing support for core parks and recreation services.
- Park District funds are woven throughout SPR’s operations and are critical to delivering our services.
- City Council acts as the Park District Board, approving annual budgets and six-year financial plans.
- The first Cycle of funding supported projects and programs from 2015 through 2020.
- In Sept. 2022, City Council (acting as Park District Board) approved the Cycle 2 funding plan (2023-2028).

Surveillance Criteria

Definition: *Technology whose primary purpose is to observe or analyze the movements, behavior, or actions of identifiable individuals in a manner that is reasonably likely to raise concerns about civil liberties, freedom of speech or association, racial equity or social justice. Identifiable individuals also include individuals whose identity can be revealed by license plate data when combined with any other record.*

Exclusions

- Consents to provide the data
- Opt-out notice
- Body-worn cameras
- Police vehicle cameras
- Cameras installed pursuant to state law...or to record traffic violations
- Security cameras
- City infrastructure protection cameras
- Technology that monitors only City employees

Inclusions

- Disparately impacts disadvantaged groups
- PII shared with non-City entities that will use the data for a purpose other than providing the City with a contractually agreed-upon service
- Collects data that is personally identifiable even if obscured, de-identified, or anonymized after collection
- Raises reasonable concerns about impacts to civil liberty, freedom of speech or association, racial equity, or social justice

Surveillance Impact Report (SIR) Process

- Submitted for all retroactive and newly proposed technologies that meet the definition and have no exclusion criteria
- Created by the Departments with project management from IT

Surveillance Impact Report (SIR) Process

Compliance Requirements

- City staff must submit a Privacy and Surveillance Assessment (PSA) before new non-standard technology may be acquired. The assessment is used to determine if a given technology meets the City's definition of "surveillance technology" as defined by the City's Surveillance Policy.
- Prior to acquisition, obtain Council ordinance approval of the acquisition and a surveillance impact report for the technology.
- CTO Quarterly Surveillance Technology Determination Report of all technologies reviewed submitted to Council.
- Annual Surveillance Technology Community Equity Impact Assessment and Policy Guidance Report
- Annual Audit Report of approved technologies: OIG for SPD, City Auditor's Office for non-SPD

2024 Upcoming Actions

- Council committee action for two remaining SIR Council Bills from 2023 (Callyo, Hostage Negotiation Throw Phone)
- Council Appointments for the Community Surveillance Working Group
- Transmit updated Clerk File to clean up the Master List of Surveillance Technologies file
- Public Safety Committee:
 - Material Update Council Bill for the Automated License Plate Recognition (ALPR) (Fleet-Wide) SIR
 - New Surveillance Impact Report Council Bills for the Technology Assisted Crime Prevention Pilot Project
 - Closed-Circuit Television (CCTV) System
 - Acoustic Gunshot Location System (AGLS)
 - Real-Time Crime Center (RTCC)
- Material Update SIR Council Bills
 - Some previously adopted Council Bills may require an amended Council Bill because of a material update to an SIR, such as to change the purpose or manner in which a surveillance technology may be used, shall be by ordinance.
