Hearing on Appeals to the Findings and Recommendation of the Hearing Examiner on the Final Assessment Roll for the Waterfront Local Improvement District No. 6751 (LID #6751)

March 31, 2021

## MEMORANDUM

**To:** Public Assets and Native Communities Committee  
**From:** Eric McConaghy, Analyst  
**Subject:** April 6, 2021 Hearings on Appeals of the Findings and Recommendation of the Hearing Examiner for the City of Seattle on the Final Assessment Roll for the Waterfront Local Improvement District (LID #6751)

---

On April 6, the Public Assets and Native Communities Committee (Committee) will hold hearings for:

1. Appeals of the Initial Findings and Recommendation of the Hearing Examiner for the City of Seattle on the Final Assessment Roll for the Waterfront Local Improvement District (LID #6751), also known as the Initial Report and filed as [CF 321780](#) and
2. Appeals of the Final Findings and Recommendation of the Hearing Examiner for the City of Seattle on the Final Assessment Roll for the Waterfront Local Improvement District (LID #6751), also known as the Final Report and filed as [CF 321888](#)

See Attachment 1 and 2 for indexes of the appeals with hearings on April 6. The indexes are intended to help navigate the appeals. The first index (Attachment 1) references the appeals of the Initial Report with page numbers of the Initial Report and hyperlinks to copies of the appeals. The second index (Attachment 2) does the same for appeals of the Final Report. Both indexes indicate the appeals filed for properties that the City Council remanded for further analysis based on the Hearing Examiner's recommendation in the Initial Report.

Both indexes include a column named, "Appealed Initial and Final Report." A "yes" value in this column for a Hearing Examiner Case Number (CWF) indicates that an appellant filed a valid appeal of both the Initial and Final Report. In these instances, the appeal of the Initial Report and the appeal of the Final Report are considered together as the complete appeal. If there are appeals of the Initial Report and appeals of the Final Report for the same Hearing Examiner Case Number, then Attachment 2 provides hyperlinks to both.

Council scheduled the hearings through Resolution 31979, Resolution 31990, Resolution 31996, and Resolution 31997. The history of the Initial and Final Report is included in the background of the Waterfront Local Improvement (Waterfront LID) Assessment provided Attachment 3.

After the Committee has heard all appeals from the Initial Report and the Final Report, the Committee may consider and make recommendations for decisions on the appeals to Council based solely on the record from the Hearing Examiner (see Attachment 4).

### Quasi-Judicial Matter

[Revised Code of Washington \(RCW\) 35.44.070](#) and [Seattle Municipal Code \(SMC\) 20.04.090](#) require the Council to hear any appeals from the report of the Hearing Examiner on the final assessment roll for local improvement districts (LIDs). According to the [City Council Rules for Quasi-Judicial Proceedings \(QJ Rules\)](#), the matter of an appeal of an individual's final assessment for a LID is quasi-judicial. As a quasi-

judicial matter, Councilmembers may not have any direct or indirect communication with a proponent, opponent, or party of record about the merits of an appeal of a Waterfront LID assessment outside a Council hearing or meeting considering the Waterfront LID.

The matter of an appeal of an individual's final assessment for a LID is pending when the Hearing Examiner has filed the Report with the City Clerk. The appeals of the Waterfront LID assessments became pending quasi-judicial matters on September 8, 2020 with the Hearing Examiner's filing of the Initial Report.

They will remain quasi-judicial until the final termination of all judicial appeals of the Council decision in the matter of the final assessment roll for the Waterfront LID. The Council decision may be appealed to King County Superior Court per [RCW 35.44.200](#)

### **Standard of Review**

Per [SMC 20.04.090.E](#), review by the Committee on the appeals "shall be limited to and shall be based solely upon the record from the hearing, although the (Committee) may permit oral or written arguments or comments that are confined to the content of that record." For the hearings before the Committee on March 2 and April 6, no opportunity for additional oral or written argument or comments will be provided.

QJ Rules VI.C.5.b requires that the "...Hearing Examiner's...decision shall be accorded substantial weight and the burden of establishing the contrary is upon the appealing party. The Council may adopt or reject, in whole or in part, the findings, recommendations, and decision of the Hearing Examiner or designated officer or make such other disposition of the matter as is authorized by [RCW 35.44.100](#) and [SMC Section 20.04.090.B](#)."

### **Scope of Decisions on Appeals**

Consistent with RCW 35.44.200, SMC 20.04.090.B states that after hearing appeals "...the City Council may: accept the assessment roll as prepared; correct, revise, raise, lower, change or modify the roll or any part thereof; or set aside the roll and order the assessment to be made de novo."

The Committee's choice of recommendations to Council for action on the appeals are limited to the options provided in QJ Rules VIII.C. The Council may "approve, approve with conditions, modify, remand, or deny" the appeal. After the Committee votes on recommendations for Council action for the appeals, Council Central staff would prepare a report to the Council per QJ Rules VII.A.

After considering the Committees recommendations, Council would decide on each appeal. Council may not approve the final assessment roll for the Waterfront LID without reviewing and deciding upon all appeals of the HE's recommendation on the final assessment roll. The approval of the Waterfront LID final assessment roll would be by ordinance (QJ Rules VIII.E). The Waterfront LID assessment would fund \$160 million of improvements plus approximating \$15.5 million on financing costs of the LID.

## Background on the Waterfront Local Improvement District (LID) Assessment

In May 2018, Council, with the Mayor concurring, adopted [Resolution 31812](#) declaring the City's intent to construct the Seattle Central Waterfront Improvement Program and to create a local improvement district (LID) to assess a part of the cost and expense of those improvements against the properties specially benefited by the improvements. Resolution 31812 also notified all persons who object to such improvements to appear and present their objections at scheduled public hearings. It directed the City Clerk to give notice of the adoption of the resolution, provide information about the proposed LID, and share notice of the hearings with potentially affected property owners.

The Hearing Examiner (HE) subsequently conducted hearings, prepared a report, and delivered the report to Council for consideration before the Council's decision to form the Local Improvement District No. 6751 ("Waterfront LID") by passing [Ordinance 125760](#) with the Mayor's approval in January 2019.

Via Ordinance 125760, the City ordered the preparation of the final assessment roll for the Waterfront LID. The final assessment roll for any LID is a listing of all properties in the LID and the amount to be assessed against each property based on the increase in value accruing to each property (the "special benefit") that is attributable to the construction of the local improvements. Ordinance 125760 limits the total of all assessments of property specially benefited by the Waterfront LID improvements to no more than \$160 million plus the amount necessary to pay the costs of financing.

In January 2019, the City commissioned ABS Valuation (City Appraiser) to perform a [Final Special Benefit Study](#)<sup>1</sup> to determine the special benefit that each property located within the Waterfront LID boundary would receive from the LID improvements. In November 2019, based on the estimates in the Final Special Benefit Study, the Director of Transportation prepared the proposed final assessment roll for the Waterfront LID and filed it with the City Clerk.

In November 2019, the Council adopted [Resolution 31915](#) with the Mayor concurring, which initiated the process to confirm Waterfront LID assessments and designated February 4, 2020, as the date for the required hearing on the Waterfront LID final assessment. The HE conducted the hearing and subsequently filed his report of findings and recommendation with the City Clerk on September 8, 2020 (Initial Report – see [Clerk File 321780](#)).

[Revised Code of Washington \(RCW\) 35.44.070](#) and [Seattle Municipal Code \(SMC\) 20.04.090](#) require the Council to hear any appeals from the report of the Hearing Examiner on the final assessment roll for local improvement districts. SMC 20.04.090 and [City Council Rules for Quasi-Judicial Proceedings \(QJ Rules\)](#) subsection V.A.2 require that an appellant must file a notice of

appeal from said report with the City Clerk within 14 days of the Hearing Examiner's filing of the recommendation with the City Clerk.

SMC 20.04.090 requires the Council to set a time and place for a hearing on the appeal before the City Council or a committee thereof and to give notice of the time and place to the appellant following the filing of the notice of appeal. QJ Rules subsection IV.A states that the Council may delegate the appeal review to a committee and that the committee would make a recommendation to the full Council on the appeal. QJ Rules subsection VI.A requires the delegated committee to set the time and place for the hearing on the appeal within 15 days following the filing of the appeal with the City Clerk.

After the Hearing Examiner filed the Initial Report, the City Clerk received multiple appeals and it was necessary for Council to fix dates for hearings on valid appeals within the required 15-day time period. Council delegated appeals to the Council's Public Assets and Native Communities Committee (Committee) and fixed dates for hearing on the appeals by adopting [Resolutions 31969](#), [31972](#), [31973](#) and [31974](#).

In the Report, the Hearing Examiner recommended the remand of certain properties (Remanded Properties) to the City Appraiser for further analysis of their valuation before making a final recommendation on the final assessment of the Remanded Properties.

In November 2020, Council adopted [Resolution 31979](#) in response to the Hearing Examiner's recommendation to remand properties to the City Appraiser and to address the need to postpone hearings previously scheduled for December and January meetings of the Committee to March and April, respectively. Through Resolution 31979, the Council:

- Remanded to the City Appraiser for further analysis the valuation of the 17 Remanded Properties;
- Directed the City Appraiser to submit further analysis concerning valuation of the Remanded Properties to the Hearing Examiner no later than November 30, 2020;
- Directed the Hearing Examiner to review the City Appraiser's further analysis for the Remanded Properties and to provide notice and hold a hearing on the results of the analysis on the Remanded Properties;
- Directed the Hearing Examiner to reduce any findings, recommendations, and decisions on the Remanded Properties to writing and consolidate them with the findings and recommendations of the Initial Report into a Final Report;
- Requested the Hearing Examiner to file the Final Report with the City Clerk no later than February 1, 2021;
- Directed the City Clerk to post the filing or otherwise make it available; and
- Provided for appeal of the Final Report by any party who made a timely protest at the initial hearing;

- Provided for the filing of an amendment to an appeal that was properly submitted in response to the Initial Report; and
- Clarified that parties who properly filed appeals in response to the Initial Report and who do not wish to amend their appeals in response to the Final Report are not required to take any further action for their appeals to be heard.

The City Appraiser and the Hearing Examiner acted in accordance with the provisions in Resolution 31979. On Monday, February 1, 2021 the Hearing Examiner filed the Final Report with the City Clerk (see Clerk File 321888). The City Clerk provided notice of the filing.

After the Hearing Examiner filed the Final Report, multiple appellants filed timely appeals from the Final Report with the City Clerk. By adopting Resolutions 31990, 31996, and 31997 Council scheduled hearings on the appeals from the Final Report for multiple appellants to be held before the Committee on April 6, 2021.

On March 2, 2021, the Committee held the hearing for multiple appeals of the Initial Report (see Clerk File 321893). On April 6, 2021, the Committee will hold a hearing of appeals from the Initial Report and appeals from the Final Report (see Clerk File 321914).

After the Committee has heard all appeals from the Initial Report and the Final Report, the Committee may make recommendations regarding each appeal to Council based solely on the record from the Hearing Examiner. Council may not approve the final assessment roll for the Waterfront LID without reviewing and deciding upon all appeals of the HE's recommendation on the final assessment roll. The approval of the Waterfront LID final assessment roll would be by ordinance (QJ Rules VIII.E). The Waterfront LID assessment would fund \$160 million of improvements plus approximating \$15.5 million on financing costs of the LID.
