WHEREAS, the World Health Organization (WHO) has declared that COVID-19 disease is a global pandemic, which is particularly severe in high risk populations such as people with underlying medical conditions

WHEREAS, on April 2, 2020, the Governor extended the “Stay Home, Stay Healthy” order through May 4, 2020; and

WHEREAS, on May 1, 2020, the Governor extended the “Stay Home, Stay Healthy” order through May 31, 2020; and

WHEREAS, many people in Seattle are struggling with the impacts of the COVID-19 disease and the measures taken to prevent its spread, including unemployment, housing insecurity, food insecurity; and

WHEREAS, local companies have recently reported laying off employees, experiencing substantial revenue losses, dealing with lost business due to fear and stigma, and seeing major declines in foot traffic as tens of thousands of employees are being asked to work from home; and

WHEREAS, these impacts are being felt across all industry sectors, including retail, restaurant, hospitality, transportation, logistics, arts, and culture; and

WHEREAS, the economic impact may have long-term, dynamic, and unpredictable local and regional consequences, necessitating the City to act and plan accordingly; and

WHEREAS, a number of City departments have implemented immediate assistance for affected local small

WHEREAS, both the CDC and Seattle - King County Public Health recommend ensuring social distancing by maintaining at least 6 feet of distance between persons sleeping sheltered and unsheltered; and

WHEREAS, existing shelters that cannot meet the social distance minimum should be de-concentrated through redistribution of clients to alternate shelters, requiring The City of Seattle to invest in 450 new temporary shelter beds across the city; and

WHEREAS, there is insufficient shelter capacity to offer beds to every person sleeping outside and the City is aligned with the CDC recommendation against dispersion of encampments as that can contribute to the spread of the virus through social contact, thus requiring the City to increase access to hygiene facilities, toilets, handwashing, and showers by placing portable units across the City; and

WHEREAS, the most effective response to homelessness is a combination of poverty alleviation through safety net programs such as food banks, job training, and health care access; prevention of housing loss through employment assistance and education, rent support, and connection to appropriate supportive services; and immediate response to homelessness through ready access to shelter and health services, especially behavioral health care, and rapid connection to housing with short- or long-term financial support; NOW, THEREFORE,

Section 1. The City Council finds and declares that:

C. On March 3, 2020, Mayor Durkan issued a Proclamation of Civil Emergency declaring a civil emergency within the City of Seattle based on the confirmed spread of COVID-19 in King County and resulting deaths.
