CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE authorizing, in 2019, acceptance of funding from non-City sources; authorizing the heads of the Executive Department, Law Department, Seattle Fire Department, Seattle Police Department, Seattle Public Library, Department of Parks and Recreation, and Seattle Public Utilities to accept specified grants, private funding, and subsidized loans and to execute, deliver, and perform corresponding agreements; and ratifying and confirming certain prior acts.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The Mayor or the Mayor’s designee, the City Attorney, the Fire Chief, the Chief of Police, the City Librarian, the Superintendent of Parks and Recreation, and the General Manager & Chief Executive Officer of Seattle Public Utilities are authorized to accept the following non-City funding from the grantors listed below; and to execute, deliver, and perform, on behalf of The City of Seattle, agreements for the purposes described below. The funds, when received, shall be deposited in the receiving funds identified below to support future appropriations, or in support of, or as reimbursement for, the corresponding appropriations set forth in the ordinance introduced as Council Bill 119720.

Item	Department	Grantor	Purpose	Fund	Amount
1.1	Law Department	U.S. Department of Transportation National Highway Traffic Safety Administration (NHTSA)	This grant funds 1.0 FTE Assistant City Prosecutor to provide education and resources to regional law enforcement agencies and courts with regard to DUI programs, policies, and enforcement.	General Fund (00100)	\$167,125
1.2	Executive (Office of Immigrant and Refugee Affairs)	WA Dept of Social and Health Services	The WA legislature appropriated additional funding for citizenship programming for FY2019-20. This represents the amount that DSHS is adding to OIRA’s existing New Citizen Program contract to increase the naturalization target number and support the higher costs of naturalization activities.	General Fund (00100)	\$262,500

1.3	Executive (Office of Planning and Community Development)	Bullitt Foundation	The purpose of this grant is to support a peer city convening related to equitable development and Comprehensive Plan updates in peer West Coast cities. The event will focus on the plans, policies, and projects that each City is working on in relation to their respective City Plans and Comprehensive Plans, which will be informed and shaped by the peer learning.	General Fund (00100)	\$10,000
1.4	Seattle Fire Department	Federal Emergency Management Agency (FEMA) of the Dept of Homeland Security through the Pierce County Office of Emergency Management	The Urban Search and Rescue (US&R) grant program provides support and funding to maintain the readiness of the National Urban Search & Rescue Response System. US&R Task Force Sponsoring Agencies are directed to use the funding to meet the following objectives: provide task force administration and management, training, equipment cache procurement, and maintenance and storage. FEMA provides funding for the Urban Search and Rescue Task Force (US&R Task Force) (a team of individuals specializing in urban search and rescue, disaster recovery, and emergency triage and medicine) to be deployed to emergency and disaster sites as needed.	General Fund (00100)	\$67,357

1.5	Seattle Fire Department	Federal Emergency Management Agency (FEMA) of the Dept of Homeland Security through King County Office of Emergency Management	The CCTA program objective is to build and sustain capabilities of local, state, tribal and territorial jurisdictions to enhance their preparedness for complex coordinated terrorist attacks by (1) identifying capability gaps related to responding, preventing and preparing for a CCTA, (2) developing plans and processes to identify the gaps, (3) training personnel and the whole community to implement the plans and processes, and (4) conducting exercises to validate capabilities and identify opportunities for corrective action.	General Fund (00100)	\$6,519
1.6	Seattle Fire Department	U.S. Department of Transportation	The purpose of the HMEP grant program is to increase State, Territorial, Tribal and Local effectiveness in safely and efficiently handling hazardous materials incidents, enhance implementation of the Emergency Planning and Community Right to Know Act of 1986 and encourage a comprehensive approach to emergency training and planning by incorporating the unique challenges of responses to transportation situations while protecting against the risks to life, property and the environment.	General Fund (00100)	\$42,184

1.7	Seattle Fire Department	Federal Emergency Management Agency (FEMA) of Dept of Homeland Security	The objective of the FY 2019 Port Security Grant Program is to provide funding to port authorities, facility operators, and state and local agencies for activities associated with implementing Area Maritime Security Plans (AMSPs), facility security plans, and other port-wide risk management efforts.	General Fund (00100)	\$918,755
1.8	Seattle Fire Department	Federal Emergency Management Agency (FEMA) of the Dept of Homeland Security through the King County Office of Emergency Management	The State Homeland Security Program (SHSP) is a core assistance program that provides funds to build capabilities at the State, local, tribal, and territorial levels, to enhance our national resilience to absorb disruptions and rapidly recover from incidents both natural and manmade as well as to implement the goals and objectives included in State homeland security strategies and initiatives in their State Preparedness Report (SPR). Activities implemented under SHSP must support terrorism preparedness by building or enhancing capabilities that relate to the prevention of, protection from, mitigation of, response to, and recovery from terrorism in order to be considered eligible. However, many capabilities which support terrorism preparedness simultaneously support preparedness for other hazards.	General Fund (00100)	\$360,000

1.9	Seattle Fire Department	FEMA of the Department of Homeland Security through the Washington State Military Department -Office of Emergency Management	The Urban Areas Security Initiative (UASI) Program assists high-threat, high-density Urban Areas in efforts to build and sustain the capabilities necessary to prevent, protect against, mitigate, respond to, and recover from acts of terrorism. The UASI program is intended to provide financial assistance to address the unique multi-discipline planning, organization, equipment, training, and exercise needs of high-threat, high-density Urban Areas, and to assist these areas in building and sustaining capabilities to prevent, protect against, mitigate, respond to, and recover from threats or acts of terrorism using the Whole Community approach. Activities implemented with UASI funds must support terrorism preparedness by building or enhancing capabilities that relate to the prevention of, protection from, mitigation of, response to or recovery from terrorism in order to be considered eligible. However, many capabilities which support terrorism preparedness simultaneously support preparedness for other hazards.	General Fund (00100)	\$709,829
1.10	Seattle Fire Department	Washington State Criminal Justice Training Commission	Reimbursement provided for King County Sheriff, Police, and other First Responders in accordance with the Mental Illness and Drug Dependency (MIDD) Plan Strategy for Crisis Intervention Training.	General Fund (00100)	\$27,000

1.11	Seattle Fire Department	Federal Emergency Management Agency through Pierce County Office of Emergency Management	The Urban Search and Rescue (US&R) grant program provides support and funding to maintain the readiness of the National Urban Search & Rescue Response System.
