CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE granting permission to the Board of Regents of the University of Washington to continue to operate and maintain an existing underground pedestrian concourse tunnel under and across 6th Avenue, north of University Street; repealing Section 8 of Ordinance 123793; and providing for acceptance of the permit and conditions.

WHEREAS, by Ordinance 123793, The City of Seattle granted the Board of Regents of the University of

Washington permission to maintain and operate an existing underground pedestrian concourse tunnel under and across 6th Avenue, north of University Street, for a ten-year term, renewable for two successive ten-year terms; and

WHEREAS, the permission authorized by Ordinance 123793, was due for renewal on November 1, 2019; and

WHEREAS, although the permission expired on October 31, 2019, the Board of Regents for the University of Washington has complied with all the conditions and obligations of Ordinance 123793; and

WHEREAS, the Board of Regents of the University of Washington submitted an application to the Director of Transportation to renew the permission granted by Ordinance 123793 for a 15-year term; and

WHEREAS, the obligations of Ordinance 123793 remain in effect after the ordinance term expires until the encroachment is removed, or the Board of Regents of the University of Washington is relieved of the obligations by the Seattle Department of Transportation Director, or the Seattle City Council passes a new ordinance to renew the permission granted; and

WHEREAS, the Board of Regents of the University of Washington has satisfied all the terms of the original authorizing ordinance and the Director of Transportation recommends that the term permit be renewed for 15 years subject to the terms identified in this ordinance; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. **Permission.** Subject to the terms and conditions of this ordinance, the City of Seattle (“City”) grants permission (also referred to in this ordinance as a permit) to the Board of Regents of the University of Washington, and its successors and assigns as approved by the Director of the Seattle Department of Transportation (“Director”) according to Section 13 of this ordinance (the party named above and each such approved successor and assign are referred to as “Permittee”), to continue maintaining and operating an existing underground pedestrian concourse tunnel under and across 6th Avenue, north of University Street. The underground pedestrian concourse tunnel is adjacent in whole or in part to the properties legally described as:

THAT PROTION OF LOTS 4, 5, AND 6, BLOCK 16, ADDITION TO THE TOWN OF SEATTLE, AS LAID OUT BY A.A. DENNY (COMMONLY KNOWN AS A.A. DENNY'S THIRD ADDITION TO THE CITY OF SEATTLE), ACCORDING TO THE PLAT THEROF RECORDED IN VOLUME 1 OF PLATS, PAGE 33, IN KING COUNTY, WASHINGTON

Section 2. **Term.** The permission granted to the Permittee is for a renewed term of 15 years starting on the effective date of this ordinance, and ending at 11:59 p.m. on the last day of the fifteenth year. Upon written application made by the Permittee at least one year before the expiration of the first term, the Director or City Council may renew the permit once, for a successive 15-year term, subject to the right of the City to require the removal of the pedestrian tunnel or to revise by ordinance any of the terms and conditions of the permission granted by this ordinance. The total term of the permission, including renewals, shall not exceed 30 years.

Section 3. **Protection of utilities.** The permission granted is subject to the Permittee bearing the expense of any protection, support, or relocation of existing utilities deemed necessary by the owners of the utilities, and the Permittee being responsible for any damage to the utilities due to the construction, repair, reconstruction, maintenance, operation, or removal of the underground pedestrian concourse tunnel and for any consequential damages that may result from any damage to utilities or interruption in service caused by any of the foregoing.

Section 4. **Removal for public use or for cause.** The permission granted is subject to use of the street right-of-way or other public place (collectively, “public place”) by the City and the public for travel, utility purposes, and other public uses or benefits. The City expressly reserves the right to deny renewal, or terminate the permission at any time prior to expiration of the initial term or any renewal term, and require the Permittee to remove the underground pedestrian concourse tunnel, or any part thereof or installation on the public place, at the Permittee’s sole cost and expense if:

A. The City Council determines by ordinance that the space occupied by the underground pedestrian concourse tunnel is necessary for any public use or benefit or that the underground pedestrian concourse tunnel interferes with any public use or benefit; or

B. The Director determines that use of the underground pedestrian concourse tunnel has been abandoned; or

C. The Director determines that any term or condition of this ordinance has been violated, and the

violation has not been corrected by the Permittee by the compliance date after a written request by the City to correct the violation (unless a notice to correct is not required due to an immediate threat to the health or safety of the public).

A City Council determination that the space is needed for, or the underground pedestrian concourse tunnel interferes with, a public use or benefit is conclusive and final without any right of the Permittee to resort to the courts to adjudicate the matter.

Section 5. **Permittee's obligation to remove and restore.** If the permission granted is not renewed at the expiration of a term, or if the permission expires without an application for a new permission being granted, or if the City terminates the permission, then within 90 days after the expiration or termination of the permission, or prior to any earlier date stated in an ordinance or order requiring removal of the underground pedestrian concourse tunnel, the Permittee shall, at its own expense, remove the underground pedestrian concourse tunnel and all of the Permittee's equipment and property from the public place and replace and restore all portions of the public place that may have been disturbed for any part of the underground pedestrian concourse tunnel in as good condition for public use as existed prior to construction of the underground pedestrian concourse tunnel and in at least as good condition in all respects as the abutting portions of the public place as required by Seattle Department of Transportation (SDOT) right-of-way restoration standards.

Failure to remove the underground pedestrian concourse tunnel as required by this section is a violation of Chapter 15.90 of the Seattle Municipal Code (SMC) or successor provision; however, applicability of Chapter 15.90 does not eliminate any remedies available to the City under this ordinance or any other authority. If the Permittee does not timely fulfill its obligations under this section, the City may in its sole discretion remove the underground pedestrian concourse tunnel and restore the public place at the Permittee's expense, and collect such expense in any manner provided by law.

Upon the Permittee's completion of removal and restoration in accordance with this section, or upon the City's completion of the removal and restoration and the Permittee's payment to the City for the City's removal

and restoration costs, the Director shall then issue a certification that the Permittee has fulfilled its removal and restoration obligations under this ordinance. Upon prior notice to the Permittee and entry of written findings that it is in the public interest, the Director may, in the Director's sole discretion, conditionally or absolutely excuse the Permittee from compliance with all or any of the Permittee's obligations under this section.

Section 6. Repair or reconstruction. The underground pedestrian concourse tunnel shall remain the exclusive responsibility of the Permittee and the Permittee shall maintain the underground pedestrian concourse tunnel in good and safe condition for the protection of the public. The Permittee shall not reconstruct or repair the underground pedestrian concourse tunnel except in strict accordance with plans and specifications approved by the Director. The Director may, in the Director's judgment, order the underground pedestrian concourse tunnel reconstructed or repaired at the Permittee's cost and expense because of: the deterioration of the underground pedestrian concourse tunnel; the installation, construction, reconstruction, maintenance, operation, or repair of any municipally-owned public utilities; or for any other cause.

Section 7. Failure to correct unsafe condition. After written notice to the Permittee and failure of the Permittee to correct an unsafe condition within the time stated in the notice, the Director may order the underground pedestrian concourse tunnel be removed at the Permittee's expense if the Director deems that the underground pedestrian concourse tunnel creates a risk of injury to the public. If there is an immediate threat to the health or safety of the public, a notice to correct is not required.

Section 8. Continuing obligations. Notwithstanding termination or expiration of the permission granted, or removal of the underground pedestrian concourse tunnel, the Permittee shall remain bound by all of its obligations under this ordinance until the Director has issued a certification that the Permittee has fulfilled its removal and restoration obligations under Section 5 of this ordinance, or the Seattle City Council passes a new ordinance to renew the permission granted and/or establish a new term. Notwithstanding the issuance of that certification, the Permittee shall continue to be bound by the obligations in Section 9 of this ordinance and shall remain liable for any unpaid fees assessed under Section 14 and Section 16 of this

ordinance.

Section 9. **Release, hold harmless, indemnification, and duty to defend.** The Permittee, by accepting the terms of this ordinance, releases the City, its officials, officers, employees, and agents from any and all claims, actions, suits, liability, loss, costs, expense, attorneys' fees, or damages of every kind and description arising out of or by reason of the underground pedestrian concourse tunnel or this ordinance, including but not limited to claims resulting from injury, damage, or loss to the Permittee or the Permittee's property.

The Permittee agrees to at all times defend, indemnify, and hold harmless the City, its officials, officers, employees, and agents from and against all claims, actions, suits, liability, loss, costs, expense, attorneys' fees, or damages of every kind and description, excepting only damages that may result from the sole negligence of the City, that may accrue to, be asserted by, or be suffered by any person or property including, without limitation, damage, death or injury to members of the public or to the Permittee's officers, agents, employees, contractors, invitees, tenants, tenants' invitees, licensees, or successors and assigns, arising out of or by reason of:

A. The existence, condition, construction, reconstruction, modification, maintenance, operation, use, or removal of the underground pedestrian concourse tunnel;

B. Anything that has been done or may at any time be done by the Permittee by reason of this ordinance; or

C. The Permittee failing or refusing to strictly comply with every provision of this ordinance; or arising out of or by reason of the underground pedestrian concourse tunnel or this ordinance in any other way.

If any suit, action, or claim of the nature described above is filed, instituted, or begun against the City, the Permittee shall upon notice from the City defend the City, with counsel acceptable to the City, at the sole cost and expense of the Permittee, and if a judgment is rendered against the City in any suit or action, the Permittee shall fully satisfy the judgment within 90 days after the action or suit has been finally determined, if determined adversely to the City. If it is determined by a court of competent jurisdiction that Revised Code of

Washington (RCW) 4.24.115 applies to this ordinance, then in the event claims or damages are caused by or result from the concurrent negligence of the City, its agents, contractors, or employees, and the Permittee, its agents, contractors, or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Permittee or the Permittee's agents, contractors, or employees.

Section 10. **Insurance.** For as long as the Permittee exercises any permission granted by this ordinance and until the Director has issued a certification that the Permittee has fulfilled its removal and restoration obligations under Section 5 of this ordinance, the Permittee shall obtain and maintain in full force and effect, at its own expense, insurance and/or self-insurance that protects the Permittee and the City from claims and risks of loss from perils that can be insured against under commercial general liability (CGL) insurance policies in conjunction with:

A. Construction, reconstruction, modification, operation, maintenance, use, existence, or removal of the underground pedestrian concourse tunnel, as well as restoration of any disturbed areas of the public place in connection with removal of the underground pedestrian concourse tunnel;

B. The Permittee's activity upon or the use or occupation of the public place described in Section 1 of this ordinance; and

C. Claims and risks in connection with activities performed by the Permittee by virtue of the permission granted by this ordinance.

Minimum insurance requirements are CGL insurance written on an occurrence form at least as broad as the Insurance Services Office (ISO) CG 00 01. The City requires insurance coverage to be placed with an insurer admitted and licensed to conduct business in Washington State or with a surplus lines carrier pursuant to chapter 48.15 RCW. If coverage is placed with any other insurer or is partially or wholly self-insured, such insurer(s) or self-insurance is subject to approval by the City's Risk Manager.

Minimum limits of liability shall be \$5,000,000 per Occurrence; \$10,000,000 General Aggregate; \$5,000,000 Products/Completed Operations Aggregate, including Premises Operations; Personal/Advertising

Injury; Contractual Liability. Coverage shall include the “City of Seattle, its officers, officials, employees and agents” as additional insureds for primary and non-contributory limits of liability subject to a Separation of Insureds clause.

Within 60 days after the effective date of this ordinance, the Permittee shall provide to the City, or cause to be provided, certification of insurance coverage including an actual copy of the blanket or designated additional insured policy provision per the ISO CG 20 12 endorsement or equivalent. The insurance coverage certification shall be delivered or sent to the Director or to SDOT at an address as the Director may specify in writing from time to time. The Permittee shall provide a certified complete copy of the insurance policy to the City promptly upon request.

If the Permittee is self-insured, a letter of certification from the Corporate Risk Manager may be submitted in lieu of the insurance coverage certification required by this ordinance, if approved in writing by the City’s Risk Manager. The letter of certification must provide all information required by the City’s Risk Manager and document, to the satisfaction of the City’s Risk Manager, that self-insurance equivalent to the insurance requirements of this ordinance is in force. After a self-insurance certification is approved, the City may from time to time subsequently require updated or additional information. The approved self-insured Permittee must provide 30 days’ prior notice of any cancellation or material adverse financial condition of its self-insurance program. The City may at any time revoke approval of self-insurance and require the Permittee to obtain and maintain insurance as specified in this ordinance.

In the event that the Permittee assigns or transfers the permission granted by this ordinance, the Permittee shall maintain in effect the insurance required under this section until the Director has approved the assignment or transfer pursuant to Section 13 of this ordinance.

Section 11. **Contractor insurance.** The Permittee shall contractually require that any and all of its contractors performing work on any premises contemplated by this permit name the “City of Seattle, its officers, officials, employees and agents” as additional insureds for primary and non-contributory limits of

liability on all CGL, Automobile and Pollution liability insurance and/or self-insurance. The Permittee shall also include in all contract documents with its contractors a third-party beneficiary provision extending to the City construction indemnities and warranties granted to the Permittee.

Section 12. **Adjustment of insurance and bond requirements.** The Director may adjust minimum liability insurance levels and require surety bond requirements during the term of this permission. If the Director determines that an adjustment is necessary to fully protect the interests of the City, the Director shall notify the Permittee of the new requirements in writing. The Permittee shall, within 60 days of the date of the notice, provide proof of the adjusted insurance and surety bond levels to the Director.

Section 13. **Consent for and conditions of assignment or transfer.** When the Property is transferred, the permission granted by this ordinance shall be assignable and transferable by operation of law pursuant to Section 19 of this ordinance. Prior to transfer, the new owner of the Property shall accept in writing all of the terms and conditions of the permission granted by this ordinance and the new owner of the Property shall be conferred with the rights and obligations of Permittee by this ordinance. Other than a transfer to a new owner of the Property, Permittee shall not transfer, assign, mortgage, pledge or encumber the same without the Director's consent, which the Director shall not unreasonably refuse. The Director may approve assignment or transfer of the permission granted by this ordinance to a successor entity only if the successor or assignee has accepted in writing all of the terms and conditions of the permission granted by this ordinance; has provided, at the time of the acceptance, the bond and certification of insurance coverage required under this ordinance; and has paid any fees due under Section 14 and Section 16 of this ordinance. Upon the Director's approval of an assignment or transfer, the rights and obligations conferred on the Permittee by this ordinance shall be conferred on the successors and assigns. Any person or entity seeking approval for an assignment or transfer of the permission granted by this ordinance shall provide the Director with a description of the current and anticipated use of the underground pedestrian concourse tunnel.

Section 14. **Inspection fees.** The Permittee shall, as provided by SMC Chapter 15.76 or successor

provision, pay the City the amounts charged by the City to inspect the underground pedestrian concourse tunnel during construction, reconstruction, repair, annual safety inspections, and at other times deemed necessary by the City. An inspection or approval of the underground pedestrian concourse tunnel by the City shall not be construed as a representation, warranty, or assurance to the Permittee or any other person as to the safety, soundness, or condition of the underground pedestrian concourse tunnel. Any failure by the City to require correction of any defect or condition shall not in any way limit the responsibility or liability of the Permittee.

Section 15. **Inspection reports.** The Permittee shall submit to the Director, or to SDOT at an address specified by the Director, an inspection report that:

- A. Describes the physical dimensions and condition of all load-bearing elements;
- B. Describes any damages or possible repairs to any element of the underground pedestrian concourse tunnel;
- C. Prioritizes all repairs and establishes a timeframe for making repairs; and
- D. Is stamped by a professional structural engineer licensed in the State of Washington.

A report meeting the foregoing requirements shall be submitted within 60 days after the effective date of the ordinance; subsequent reports shall be submitted every two years, provided that, in the event of a natural disaster or other event that may have damaged the underground pedestrian concourse tunnel, the Director may require that additional reports be submitted by a date established by the Director. The Permittee has the duty of inspecting and maintaining the underground pedestrian concourse tunnel. The responsibility to submit structural inspection reports periodically or as required by the Director does not waive or alter any of the Permittee's other obligations under this ordinance. The receipt of any reports by the Director shall not create any duties on the part of the Director. Any failure by the Director to require a report, or to require action after receipt of any report, shall not waive or limit the obligations of the Permittee.

Section 16. **Annual fee.** Beginning on the effective date of this ordinance the Permittee shall pay an Issuance Fee, and annually thereafter, the Permittee shall promptly pay to the City, upon statements or invoices

issued by the Director, an Annual Renewal Fee, and an Annual Use and Occupation fee of \$32,736, or as adjusted annually thereafter, for the privileges granted by this ordinance.

Adjustments to the Annual Use and Occupation Fee shall be made in accordance with a term permit fee schedule adopted by the City Council and may be made every year. In the absence of a schedule, the Director may only increase or decrease the previous year's fee to reflect any inflationary changes so as to charge the fee in constant dollar terms. This adjustment will be calculated by adjusting the previous year's fee by the percentage change between the two most recent year-end values available for the Consumer Price Index for the Seattle-Tacoma-Bellevue Area, All Urban Consumers, All Products, Not Seasonally Adjusted. Permittee shall pay any other applicable fees, including fees for reviewing applications to renew the permit after expiration of the first term. All payments shall be made to the City Finance Director for credit to the Transportation Fund.

Section 17. Compliance with other laws. Permittee shall construct, maintain, and operate the underground pedestrian concourse tunnel in compliance with all applicable federal, state, County and City laws and regulations. Without limitation, in all matters pertaining to the underground pedestrian concourse tunnel, the Permittee shall comply with the City's laws prohibiting discrimination in employment and contracting including Seattle's Fair Employment Practices Ordinance, Chapter 14.04, and Fair Contracting Practices code, Chapter 14.10 (or successor provisions).

Section 18. Acceptance of terms and conditions. The Permittee shall provide evidence of insurance coverage required by Section 10 of this ordinance and the covenant agreement required by Section 19 of this ordinance within 60 days after the effective date of this ordinance. Continued occupation of the right-of-way constitutes the Permittee's acceptance of the terms of this ordinance.

Section 19. Obligations run with the Property. The obligations and conditions imposed on the Permittee by and through this ordinance are covenants that run with the land and bind subsequent owners of the property adjacent to the underground pedestrian concourse tunnel and legally described in Section 1 of this ordinance (the "Property"), regardless of whether the Director has approved assignment or transfer of the

permission granted herein to such subsequent owner(s). At the request of the Director, Permittee shall provide to the Director a current title report showing the identity of all owner(s) of the Property and all encumbrances on the Property. The Permittee shall, within 60 days of the effective date of this ordinance, and prior to conveying any interest in the Property, deliver to the Director upon a form to be supplied by the Director, a covenant agreement imposing the obligations and conditions set forth in this ordinance, signed and acknowledged by the Permittee and any other owner(s) of the Property and recorded with the King County Recorder's Office. The Director shall file the recorded covenant agreement with the City Clerk. The covenant agreement shall reference this ordinance by its ordinance number. At the request of the Director, Permittee shall cause encumbrances on the Property to be subordinated to the covenant agreement.

Section 20. **Repealing Section 8 of Ordinance 123793.** Section 8 of Ordinance 123793 is repealed:

~~((Section 8. Continuing obligations. Notwithstanding termination or expiration of the permission granted, or closure or removal of the tunnel, the Permittee shall remain bound by its obligation under this ordinance until:~~

~~(a) the tunnel and all its equipment and property are removed from the right-of-way;~~

~~(b) the area is cleared and restored in a manner and to a condition satisfactory to the~~

~~Director; and~~

~~(c) the Director certifies that the Permittee has discharged its obligations under this ordinance.~~

~~Upon prior notice to the Permittee and entry of written findings that it is in the public interest, the Director may, in the Director's sole discretion, excuse the Permittee, conditionally or absolutely from compliance with all or any of the Permittee's obligations to remove the tunnel and its property and to restore any disturbed areas.))~~

Section 21. **Section titles.** Section titles are for convenient reference only and do not modify or limit the text of a section.

Section 22. This ordinance shall take effect and be in force 30 days after its approval by the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it shall take effect as provided by Seattle Municipal Code Section 1.04.020.
