

City objective during a time of civil emergency; and

WHEREAS, The City of Seattle intends to exercise its taxing authority, as granted by the Washington State Constitution and as authorized by the Washington State Legislature; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The City Council finds and declares that:

A. There is no viable alternative to meet a core City objective.

B. On March 3, 2020, the Mayor proclaimed that a civil emergency exists in Seattle related to the COVID-19 virus.

C. On March 11, 2020, the Governor of Washington State and the Local Health Officer for Public Health - Seattle & King County issued parallel orders prohibiting gatherings of 250 people or more for social, spiritual, and recreational activities in King County.

D. On March 13, 2020, the Governor of Washington State issued an emergency order announcing all K-12 schools in Washington to be closed from March 17, 2020, through April 24, 2020, to combat the spread of the disease.

E. On March 13, 2020, the President of the United States declared a national emergency to allow the government to marshal additional resources to combat the virus.

F. On March 23, 2020, the Governor of Washington State issued an emergency order (“the Stay Home, Stay Safe order”) announcing that “[a]ll people in Washington State shall immediately cease leaving their home or place of residence except: (1) to conduct or participate in essential activities, and/or (2) for employment in essential business services.”

G. As of April 1, 2020, the Washington State Department of Health confirmed 5,984 cases of COVID-19 and 247 deaths caused by the virus.

H. The COVID-19 crisis has had a significant adverse impact on the local economy, impacting the retail, restaurant, and other industries, resulting in layoffs and reduced work hours for a significant percentage

of this workforce and loss of income for small businesses. These impacts are being felt most strongly by people with low incomes who have become unemployed or had their work hours severely reduced.

I. There are at least 38,000 businesses in Seattle employing a minimum of 655,000 individuals. Since the Governor of Washington State closed or limited operations of many businesses in the state, over 133,000 individuals statewide and 37,000 individuals in King County, alone, have filed for unemployment insurance in just the first weeks. Unemployment insurance generally only covers a portion of lost wages. Those filing for unemployment insurance will, in all likelihood, only increase as the closure continues. This will put more and more Seattle households, particularly low-income households, in financial peril.

J. Federal and state assistance to people with low incomes will not be sufficient to meet their basic needs during the COVID-19 public health and economic crisis. Additional financial support to people with low incomes is necessary to help meet their basic needs such as housing, food, and medical care, and to help minimize impacts to public health as well as the local economy.

K. The City's Adopted 2020 Budget fully appropriates all available municipal revenues to address the many and varied needs of the community.

L. On March 17, *The Seattle Times* quoted the City Budget Director as saying that a "best-case scenario" would be that the COVID 19 civil emergency causes as little as a \$110 million or seven percent reduction in General Fund revenues available for City spending priorities in 2020 (and this estimate was made prior to the Governor's emergency order closing all restaurants, bars, and other non-essential businesses).

M. This bill will impose a new payroll expense tax on the largest businesses that will provide new revenues to allow the City, through the procedures described herein, to make immediate cash assistance available to those households most impacted by the COVID-19 civil emergency.

N. The City will provide such immediate cash assistance through Council Bill (CB) 119774.

O. The interfund loan contemplated in CB 119773 is necessary to provide the immediate cash assistance through CB 119774 and is dependent on the tax authorized by this bill going into effect immediately and not

being overturned by referendum.

P. As a result of the City having already fully committed the City's General Fund through the 2020 Adopted Budget and of the anticipated decrease in General Fund revenues, other means of repaying the interfund loans authorized by CB 119773 would not be feasible if the tax authorized by this bill were overturned by referendum.

Section 2. A new Chapter 5.38 is added to the Seattle Municipal Code as follows:

Chapter 5.38 TAX ON CORPORATE PAYROLL

5.38.010 Administrative provisions

All of the provisions contained in Chapter 5.55 shall have full force and application with respect to taxes imposed under the provisions of this Chapter 5.38 except as may be expressly stated to the contrary herein.

5.38.020 Definitions

The definitions contained in Chapter 5.30 shall be fully applicable to this Chapter 5.38 except as may be expressly stated to the contrary herein. The following additional definitions shall apply throughout this Chapter 5.38:

“Business” has the same meaning as that term is defined in SMC 5.30.020. Depending on the context, “business” may also mean a person engaging in business in Seattle.

“Compensation” means remuneration as that term is defined in RCW 50A.05.010, net distributions, or incentive payments, including guaranteed payments, whether based on profit or otherwise, earned for services rendered or work performed, whether paid directly or through an agent, and whether in cash or in property or the right to receive property. “Compensation” does not include payments to an owner of a pass-through entity that are not earned for services rendered or work performed, such as return of capital, investment income, or other income from passive activities.

“Employee” means any individual who performs work, labor, or personal services of any nature for compensation paid by a business. For purposes of this Chapter 5.38, the term “employee”:

1. Includes individuals who are members of limited liability companies, members of professional limited liability companies, partners, other owners of pass-through entities, and sole proprietors; and

2. Includes individuals who would be considered to be independent contractors for purposes of the business license tax under subsection 5.45.090.S.

“Grocery business” means:

1. A business whose primary business is making retail sales of food and food ingredients to consumers that are exempt from the retail sales tax under RCW 82.08.0293; and

2. A business whose primary business is making wholesale sales of food and food ingredients that will be exempt from the retail sales tax under RCW 82.08.0293 when resold by the purchaser.

For subsections (1) and (2) of this definition, “primary business” means that 75 percent of the gross income of the business for purposes of calculating the business license tax under Chapter 5.45 is attributable to that business activity.

“Local government entity” has the same meaning as that term is defined in RCW 4.96.010.

“Net distribution” means the draws from net income by any owner of a pass-through entity. Taxable distributions are limited by the amount of draws or net income for that owner, whichever is less. If the owner’s draw exceeds that individual’s net profit, the excess draw is a return of capital. A return of capital is not taxable because it is a liquidation of an owner’s assets.

“Pass-through entity” includes a trust, partnership, corporation described in Subchapter S of the Internal Revenue Code of 1986, as amended, limited liability company, limited liability partnership, professional corporation, and any other person or entity which is not subject to the income tax imposed by Subtitle A, Chapter 1 of the Internal Revenue Code of 1986, as amended, or which is allowed a deduction in computing such tax for distributions to the owners or beneficiaries of such person or entity.

“Payroll expense” means the compensation paid in Seattle to employees. Compensation is paid in Seattle to an employee if:

1. The employee is primarily assigned within Seattle;
2. The employee is not primarily assigned to any place of business for the tax period and the employee performs 50 percent or more of the employee's service for the tax period in Seattle; or
3. The employee is not primarily assigned to any place of business for the tax period, the employee does not perform 50 percent or more of the employee's service in any one city, and the employee resides in Seattle.

“Primarily assigned” means the business location of the taxpayer where the employee performs the employee's duties.

“Remuneration” has the same meaning as that term is defined in RCW 50A.05.010.

“Tax on corporate payroll” means the payroll expense tax imposed by this Chapter 5.38.

“Taxpayer” means any person who engages in any business in Seattle or who performs any act for which a tax is imposed under this Chapter 5.38.

5.38.030 Tax imposed-Rate

A. A tax on corporate payroll is hereby levied upon and shall be collected from every person engaging in business within Seattle.

B. The amount of the tax on corporate payroll due shall be the payroll expense of the business for the tax period, subject to any deductions authorized under this Chapter 5.38, and multiplied by a rate of 1.30 percent.

C. The tax imposed by this Chapter 5.38 is levied on businesses. A business may not make any deductions from employees' compensation to pay for this tax.

5.38.040 Allocation and apportionment

A. The Director may adopt procedures to allow taxpayers who have payroll expenses consisting of work done and services provided within and outside Seattle to use a representative test period or conduct a survey based on factual data to arrive at a formula with which to calculate the percentage of payroll expense attributable to Seattle. Any formula so established will be subject to review and correction by the Director.

B. If the payroll expense as defined in Section 5.38.020 does not fairly represent the extent of the compensation paid by the taxpayer to its employees that is attributable to work performed or services rendered in Seattle, the taxpayer may petition the Director for, or the Director may require, the employment of another method to effectuate an equitable allocation and apportionment.

C. Nothing in this Chapter 5.38 shall be construed as requiring the payment of any tax for engaging in business when such payment would be in violation of the Constitution or a statute of the United States or of the Constitution or a statute of the State of Washington. Notwithstanding anything to the contrary herein, if imposition of the City's tax would place an undue burden upon interstate commerce or violate other constitutional requirements, a taxpayer shall be allowed a credit to the extent necessary to preserve the validity of the City's tax, and still apply the City's tax to as much of the taxpayer's activities as may be subject to the City's taxing authority.

D. Businesses engaging temporary or contracted employees shall report and pay the tax on the payroll expense of such temporary or contracted employees, whether or not they are from an employment agency.

5.38.050 Exemptions from the tax on corporate payroll

A. The following are exempt from the tax on corporate payroll:

1. Any business having payroll expense, as defined under subsection 5.38.020, of \$7,000,000 or less in the most recent complete calendar year.
2. Any business engaged in business in Seattle as a grocery business.
3. Any business having a formally recognized exemption from income tax pursuant to Sections 501(c), 501(d), or 401(a) of the Internal Revenue Code of 1986, as amended, as qualified by Sections 502, 503, and 504 of the Internal Revenue Code of 1986, as amended.
4. Any individual who is an independent contractor for purposes of the business license tax under Section 5.45.090.S and whose compensation is included in the payroll expense of another business subject to the tax imposed by Section 5.38.030.

5. Businesses that are preempted from taxation by cities pursuant to federal or state statutes or regulations, including, but not limited to, the following:

a. Insurance businesses and their agents as defined by RCW 48.01.050 and 48.17.010, respectively, and whose total revenue is exempt from the business license tax per Chapter 5.45.

b. Businesses that only sell, manufacture, or distribute motor vehicle fuel as defined in RCW 82.38.020 and exempted under RCW 82.38.080.

c. Businesses that only distribute or sell liquor as defined in RCW 66.04.010 and exempted in RCW 66.08.120.

d. Federal and state government agencies and any local governmental entity.

B. Beginning on January 1, 2022, and on January 1 of every year thereafter, the Director shall adjust the amount of the exemption in subsection 5.38.050.A.1 as follows:

1. The amount shall increase commensurate with the rate of growth of the prior year's June-to-June consumer price index (CPI-U) for the Seattle-Tacoma-Bellevue area as published by the United States Department of Labor;

2. If the annual change in the CPI-U is negative, no adjustment to the amount must be made; and

3. The amount calculated shall be rounded to the nearest whole dollar.

5.38.060 Tax on corporate payroll-When due

The tax on corporate payroll imposed by this Chapter 5.38 shall be due and payable in accordance with Section 5.55.040. The tax on corporate payroll shall be due and payable on an annual basis for 2020 and the measure of the tax shall be prorated based on the effective date of the tax. For years subsequent to 2020, the tax on corporate payroll shall be due quarterly. Notwithstanding Section 5.55.040, the tax due for 2020 and 2021 shall be payable on the same date that the tax payment for the fourth quarter of 2021 is due. The Director may use discretion to assign businesses to an annual reporting period. Forms for such filings shall be prescribed by the Director. Persons discontinuing their business activities in Seattle shall report and pay the tax on corporate

payroll at the same time as they file their final business license tax return under Chapter 5.45.

5.38.070 Tax in addition to other license fees or taxes

The tax imposed herein shall be in addition to any license fee or tax imposed or levied under any other law, statute, or ordinance whether imposed or levied by the City, the State, or other governmental entity or political subdivision.

5.38.080 Tax part of operating overhead

It is not the intention of this Chapter 5.38 that the taxes herein levied upon persons engaging in business be construed as taxes upon the customers of such businesses, but that taxes shall be levied upon, and collectible from, the person engaging in the business activities herein designated and that such taxes or fees shall constitute a part of the operating overhead or cost of doing business of such persons.

5.38.090 Rules and regulations

The Director shall adopt, publish, and enforce rules and regulations not inconsistent with this Chapter 5.38 for the purpose of carrying out the provisions of this Chapter 5.38, including but not limited to rules to determine the payroll expense attributable to work performed and services rendered by employees in Seattle.
