Section 1. The permission granted by Ordinance 122113, to construct, maintain, and operate a

2. **Term.** The permission (~~(herein)~~) granted to (~~(the)~~) Permittee (~~(, its successors and assigns,~~ shall be) is for a renewal term of ten ((10)) years ((commencing 30 days after the Mayor's signature,) starting on June 21, 2016, and ((terminating)) ending at 11:59 p.m. ((ten years thereafter,)) on June 20, 2026. ((; provided, however, that upon)) Upon written application (~~(of)~~) made by the Permittee at least ((thirty (60)) 180 days before expiration of the first renewal term, the Director or the City Council may renew the permit for ((two (2)) one additional successive ((ten (10)) ten-year ((terms)) term, ((provided further that the total term of the permission as originally granted and thus extended)) subject to the right of the City to require the removal of the pedestrian skybridge or to revise by ordinance any of the terms and conditions of the permission granted by this ordinance. The total term of the permission, including the original term starting in 2006 and subsequent renewals, shall not exceed ((thirty (30)) 30 years ((subject to the right of The City of Seattle ("City") by ordinance to then revise any of the terms and conditions contained herein)) total from the term authorized in Ordinance 122113, June 20, 2036. The Permittee shall submit any application for a new permission no later than 180 days prior to the expiration of the then-existing term.

3. **Protection of utilities.** The permission granted is (~~(hereby)~~) subject to the Permittee bearing the expense of any protection, support, or relocation of existing utilities deemed necessary by the owners of the ((utility)) utilities, and ((shall be done at Permittee's expense with)) the Permittee being responsible for any ((subsequent)) damage to the utilities due to the construction, repair, reconstruction, maintenance, ((of)) operation, or removal of ((said)) the pedestrian skybridge and for any consequential damages that may result from any damage to utilities or interruption in service caused by any of the foregoing.

4. **Removal for public use or for cause.** The ((permit)) permission granted (~~(hereby)~~) is subject to ((primary and secondary)) use of the street right-of-way or other public place (collectively, "public place") by the City and the public ((of the street right-of-way)) for travel, ((and)) utility purposes, and

other public uses or benefits. ~~((the))~~ The City expressly reserves the right to deny renewal, or terminate the permission at any time prior to expiration of the initial term or any renewal term, and require the Permittee to remove ~~((said))~~ the pedestrian skybridge, or any part thereof or installation on the public place, at the Permittee's sole cost and expense in the event that:

(a) ~~((The))~~ the City Council determines ~~((;))~~ by ordinance ~~((;))~~ that the space occupied by the pedestrian skybridge is necessary for any ~~((primary or secondary))~~ public use or benefit ~~((;))~~ or that ~~((said))~~ the pedestrian skybridge interferes with any ~~((primary or secondary))~~ public use or benefit; or

(b) the Director determines that use of the pedestrian skybridge has been abandoned; or

~~((b))~~ (c) ((The)) the Director determines that any term or condition of this ordinance has been violated, and ~~((such))~~ the violation has not been corrected by the Permittee by the compliance date after ~~((notice of violation has been given by the City))~~ a written request by the City to correct the violation ~~((unless a notice to correct is not required due to an immediate threat to the health or safety of the public)).~~

A City Council determination that the space is ~~((necessary for a primary or secondary))~~ needed for, or the pedestrian skybridge interferes with, a public use or benefit ~~((shall be))~~ is conclusive and final without any right of the Permittee to resort to the courts to adjudicate the matter.

5. Permittee's obligation to remove and restore. ~~((In the event that))~~ If the permission ~~((hereby))~~ granted ~~((extends to its termination in thirty (30) years, or the City orders removal of said pedestrian skybridge pursuant to the terms of this ordinance))~~ is not renewed at the expiration of a term, or if the permission expires without an application for a new permission being granted, or if the City terminates the permission, then within ~~((ninety (90)))~~ 90 days after ~~((such))~~ the expiration ~~((;))~~ or termination ~~((, or order of removal))~~ of the permission, or ~~((;))~~ prior to ~~((the))~~ any earlier date stated in an ~~(("Order to Remove," as the case may be))~~ ordinance or order requiring removal of the pedestrian skybridge, the Permittee shall, at its own expense, remove ~~((said))~~ the pedestrian skybridge and all of the Permittee's equipment and property from the public place and ~~((shall place all portions of the street~~

)) replace and restore all portions of the public place that may have been disturbed for any part of ((said
)) the pedestrian skybridge ((;)) in as good condition for public use as ((it was)) existed prior to
construction of ((said)) the pedestrian skybridge ((;)) and in at least as good condition in all respects as
the abutting portions ((thereof)) of the public place as required by Seattle Department of Transportation
(SDOT) right-of-way restoration standards.

Failure to remove the pedestrian skybridge as required by this section is a violation of Chapter
15.90 of the Seattle Municipal Code (SMC) or successor provision; however, applicability of Chapter
15.90 does not eliminate any remedies available to the City under this ordinance or any other authority.
If the Permittee does not timely fulfill its obligations under this section, the City may in its sole
discretion remove the pedestrian skybridge and restore the public place at the Permittee's expense, and
collect such expense in any manner provided by law.

Upon the Permittee's completion of removal and restoration in accordance with this section, or
upon the City's completion of the removal and restoration and the Permittee's payment to the City for
the City's removal and restoration costs, the Director shall then issue a certification that the Permittee
has fulfilled its removal and restoration obligations under this ordinance. Upon prior notice to the
Permittee and entry of written findings that it is in the public interest, the Director may, in the Director's
sole discretion, conditionally or absolutely excuse the Permittee from compliance with all or any of the
Permittee's obligations under this section.

6. **Repair or reconstruction.** The pedestrian skybridge shall remain the exclusive responsibility
of the Permittee and the Permittee shall maintain the pedestrian skybridge in good and safe condition for
the protection of the public. The Permittee shall not ((commence reconstruction, relocation,
readjustment,)) reconstruct or repair ((of said)) the pedestrian skybridge except ((under the supervision
of, and)) in strict accordance with ((;)) plans and specifications approved by the Director. The Director
((in his/her)) may, in the Director's judgment, ((may)) order ((such reconstruction, relocation,

~~readjustment or repair of said~~) the pedestrian skybridge reconstructed or repaired at the Permittee's ((
own)) cost and expense because of: the deterioration or unsafe condition of ((said)) the pedestrian
skybridge; ((;)) ((~~grade separations, or~~)) the installation, construction, reconstruction, maintenance,
operation, or repair of any ((and all)) municipally-owned public utilities; ((;)) or ((~~for~~)) any other cause.

7. **Failure to correct unsafe condition.** After written notice to the Permittee ((;)) and failure of
the Permittee to correct ((said)) an unsafe ((~~or risk-prone~~)) condition within the time stated in ((such))
the notice, the Director may order ((said)) the pedestrian skybridge be closed or removed at the
Permittee's expense if the Director deems that ((it)) the pedestrian skybridge has become unsafe or
creates a risk of injury to the public. ((In a situation in which)) If there is an immediate threat to the
health or safety of the public, a notice to correct is not required.

8. **Continuing obligations.** Notwithstanding termination or expiration of the permission
granted, or closure or removal of ((said)) the pedestrian skybridge, the Permittee shall remain bound by
all of its obligations under this ordinance until ((:

- a) ~~said pedestrian skybridge and all its equipment and property are removed from the street;~~
- b) ~~the area is cleared and restored in a manner and to a condition satisfactory to the~~

~~Director; and~~

e)) the Director ((certifies)) has issued a certification that the Permittee has ((discharged its
obligations herein.)) fulfilled its removal and restoration obligations under Section 5 of this ordinance.
Notwithstanding the issuance of that certification, the Permittee shall continue to be bound by the
obligations in Section 5 of this ordinance and shall remain liable for any unpaid fees assessed under
Section 14 of this ordinance.

~~Provided that upon prior notice to the Permittee and entry of written findings that such is in the~~
~~public interest, the Director may, in his/her sole discretion, excuse the Permittee, conditionally or~~
~~absolutely, from compliance with all or any of the Permittee's obligations to remove said pedestrian~~

~~skybridge and its property, and restore disturbed areas.))~~

9. **Release, hold harmless, indemnification, and duty to defend.** ~~((Said pedestrian skybridge shall remain the exclusive responsibility of the Permittee.))~~ The Permittee, by ~~((acceptance of))~~ accepting the terms ~~((set forth in))~~ of this ordinance, ~~((and the permission hereby granted,))~~ releases the City, its officials, officers, employees, and agents from any and all claims, ~~((resulting from damage or loss to its own property and does covenant and agree for itself, its successors and assigns, with the City,))~~)) actions, suits, liability, loss, costs, expense, attorneys' fees, or damages of every kind and description arising out of or by reason of the pedestrian skybridge or this ordinance, including but not limited to claims resulting from injury, damage, or loss to the Permittee or the Permittee's property.

The Permittee agrees to at all times ~~((protect and save harmless))~~ defend, indemnify, and hold harmless the City, its officials, officers, employees, and agents from and against all claims, actions, suits, liability, loss, costs, expense, attorneys' fees, or damages of every kind and description, ~~((~~) excepting only ~~((such))~~ damages that may result from the sole negligence of the City, ~~((, which))~~ that may accrue to, be asserted by, or be suffered by ~~((,))~~ any person or ~~((persons and/or))~~ property ~~((or properties,))~~ including, without limitation, damage, death, or injury to members of the public or to the Permittee's ~~((its))~~ officers, agents, employees, contractors, invitees, tenants, ~~((and))~~ tenants' invitees, licensees, or ~~((its))~~ successors and assigns, arising out of or by reason of: ((the maintenance, operation or use of said pedestrian skybridge, or any portion thereof, or by reason of anything that has been done, or may at any time be done, by the Permittee, its successors and assigns, by reason of this ordinance, or by reason of))

(a) the existence, condition, construction, reconstruction, modification, maintenance, operation, use, or removal of the pedestrian skybridge or any portion thereof, or the use, occupation, or restoration of the public place or any portion thereof by the Permittee or any other person or entity;

(b) anything that has been done or may at any time be done by the Permittee by reason of

this ordinance; or

(c) the Permittee (~~(, its successors or assigns,)~~) failing or refusing to strictly comply with (~~each and~~) every provision of this ordinance;

or arising out of or by reason of the pedestrian skybridge or this ordinance in any other way.

~~((and if))~~ If any ((such)) suit, action, or claim ((be)) of the nature described above is filed, instituted, or begun against the City, the Permittee (~~(, its successors and assigns,)~~) shall ((;)) upon notice ~~((thereof))~~ from the City ((;)) defend the ~~((same))~~ City, with counsel acceptable to the City, at ~~((its or their))~~ the sole cost and expense of the Permittee, and ~~((in case))~~ if a judgment ((shall be)) is rendered against the City in any suit or action, the Permittee (~~(, its successors and assigns,)~~) shall fully satisfy ~~((said))~~ the judgment within ((ninety (90)) 90 days after ((such)) the action or suit ((shall have)) has been finally determined, if determined adversely to the City. ~~((Provided that if))~~ If it is determined by a court of competent jurisdiction that Revised Code of Washington (RCW) 4.24.115 applies to this ordinance, then in the event claims or damages are caused by or result from the concurrent negligence of ~~((a))~~ the City, its agents, contractors, or employees, ~~((;))~~ and ~~((b))~~ the Permittee, its agents, contractors, or employees, ~~((or its successors or assigns,))~~ this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Permittee or the Permittee's agents, contractors, or employees, ~~((or its successors or assigns.))~~

10. **Insurance.** For as long as the Permittee (~~(, its successors and assigns, shall))~~ exercises any permission granted by this ordinance and until ~~((said pedestrian skybridge is entirely removed from its location as described in Section 1 or until discharged by order of))~~ the Director ~~((as provided in))~~ has issued a certification that the Permittee has fulfilled its removal and restoration obligations under Section 5 of this ordinance, the Permittee shall obtain and maintain in full force and effect, at its own expense, insurance ~~((policies which fully))~~ and/or self-insurance that protects the Permittee and the City from ~~((any all))~~ claims and risks of loss from perils ~~((which))~~ that can be insured against under

commercial general liability (CGL) insurance ((contracts and fire insurance contracts, including any extended coverage endorsements thereto which are customarily available from time to time,)) policies in conjunction with:

(a) construction, reconstruction, modification, operation, maintenance, use, ~~((or))~~ existence, ~~((of said))~~ or removal of the pedestrian skybridge, or any portion thereof, as well as restoration of any disturbed areas of the public place in connection with removal of the pedestrian skybridge;

(b) the Permittee's activity upon ~~((,))~~ or the use or occupation of ~~((,))~~ the ~~((area))~~ public place described in Section 1 of this ordinance; and

(c) ~~((any and all))~~ claims and risks in connection with ~~((and activity))~~ activities performed by the Permittee by virtue of the permission granted by this ordinance.

Minimum insurance requirements ~~((shall be a policy of comprehensive commercial general liability of a form acceptable to the City))~~ are CGL insurance written on an occurrence form at least as broad as the Insurance Services Office (ISO) CG 00 01. The City ((will require)) requires insurance coverage to be placed with ((a company)) an insurer admitted and licensed to conduct business in Washington State ((, except that if it is infeasible to obtain such a policy, the City may approve an alternative company)) or with a surplus lines carrier pursuant to chapter 48.15 RCW. If coverage is placed with any other insurer or is partially or wholly self-insured, such insurer(s) or self-insurance is subject to approval by the City's Risk Manager.

Minimum ~~((policy))~~ limits of liability shall be ~~((Two Million Dollars (\$2,000,000)))~~ \$2,000,000 per ((occurrence)) Occurrence; ((and Four Million Dollars (\$4,000,000))) \$4,000,000 ((- annual aggregate each period)) General Aggregate; and \$2,000,000 Products/Completed Operations Aggregate, including Premises Operation, Personal/Advertising Injury, and Contractual Liability. Coverage shall ((specifically name said pedestrian skybridge exposure. Liability coverage shall add by endorsement)) include ((the)) "The City of Seattle, its ((elected and appointed)) officers, officials, employees, and

agents” as additional insureds for primary and non-contributory limits of liability subject to a Separation of Insureds clause. (~~Coverage shall contain a Separation of Insured’s clause indicating essentially that “except with respect to the limits of insurance, and any rights or duties specifically assigned in this coverage part to the first named insured, this insurance applies as if each named insured were the only named insured, and separately to each against whom claim is made or suit is brought”. The City will not accept a certificate of insurance as evidence of current coverage.~~

~~Evidence of current coverage shall be submitted to the City in the form of a photocopy of the insurance policy declaration page, indicating all endorsements attached thereto, and is a condition to the validity of this permit.~~

~~Wherever in the judgment of the Risk Manager of the City of Seattle, such insurance filed pursuant to the provisions hereof shall be deemed insufficient to fully protect the City of Seattle, the Permittee shall, upon demand by the Risk Manager, furnish additional insurance in such amount as may be specified by the Risk Manager.)~~

Within 60 days after the effective date of this ordinance, the Permittee shall provide to the City, or cause to be provided, certification of insurance coverage including an actual copy of the blanket or designated additional insured policy provision per the ISO CG 20 12 endorsement or equivalent. The insurance coverage certification shall be delivered or sent to the Director or to SDOT at an address as the Director may specify in writing from time to time. The Permittee shall provide a certified complete copy of the insurance policy to the City promptly upon request.

If the Permittee is self-insured, a letter of certification from the Corporate Risk Manager may be submitted in lieu of the insurance coverage certification required by this ordinance, if approved in writing by the City’s Risk Manager. The letter of certification must provide all information required by the City’s Risk Manager and document, to the satisfaction of the City’s Risk Manager, that self-insurance equivalent to the insurance requirements of this ordinance is in force. After a self-insurance

certification is approved, the City may from time to time subsequently require updated or additional information. The approved self-insured Permittee must provide 30 days' prior notice of any cancellation or material adverse financial condition of its self-insurance program. The City may at any time revoke approval of self-insurance and require the Permittee to obtain and maintain insurance as specified in this ordinance.

In the event that the Permittee assigns or transfers the permission granted by this ordinance, the Permittee shall maintain in effect the insurance required under this section until the Director has approved the assignment or transfer pursuant to Section 13 of this ordinance.

11. **Contractor insurance.** The Permittee shall contractually require that any and all of its contractors performing ~~((construction))~~ work on ~~((the))~~ any premises ~~((as))~~ contemplated by this permit name ~~((the))~~ "The City of Seattle, its officers, officials, employees, and agents" as ~~((and))~~ additional insureds for primary and non-contributory limits of liability on all ~~((policies of public))~~ CGL, Automobile and Pollution liability insurance ~~((, and))~~ and/or self-insurance. The Permittee shall also include in all contract documents with its contractors a third-party beneficiary provision extending to the City construction indemnities and warranties granted to the Permittee. ~~((to the City as well.))~~

12A. **Performance bond.** Within ~~((sixty (60)))~~ 60 days after the effective date of this ordinance, the Permittee shall deliver to the Director for filing with the City Clerk a ~~((good and))~~ sufficient bond executed by a surety company authorized and qualified to do business in the State of Washington that is: in the ~~((sum))~~ amount of ~~((Five Hundred Thousand Dollars (\$500,000)))~~ \$30,000, ~~((executed by a surety company authorized and qualified to do business in the State of Washington,))~~ and conditioned with a requirement that the Permittee ~~((will))~~ shall comply with ~~((each and))~~ every provision of this ordinance and with ~~((each and))~~ every order of the Director ~~((pursuant thereto; provided that if the Mayor of the City in his/her judgment shall deem any bond or bonds filed to be insufficient and demand a new or additional bond, the Permittee shall furnish a new or additional bond in such amount as the~~

~~Mayor may specify to be necessary to fully protect the City)) issued under this ordinance. ((Said bond shall remain in effect until such time as said pedestrian skybridge is entirely removed from its location as described in Section 1, or until discharged by order of the Director as provided in Section 5 of this ordinance.))~~ The Permittee shall ensure that the bond remains in effect until the Director has issued a certification that the Permittee has fulfilled its removal and restoration obligations under Section 5 of this ordinance. An irrevocable letter of credit approved by the Director in consultation with the City Attorney's Office may be substituted for the bond. In the event that the Permittee assigns or transfers the permission granted by this ordinance, the Permittee shall maintain in effect the bond or letter of credit required under this section until the Director has approved the assignment or transfer pursuant to Section 13 of this ordinance.

12B. **Adjustment of insurance and bond requirements.** The Director may adjust minimum liability insurance levels and surety bond requirements during the term of this permission. If the Director determines that an adjustment is necessary to fully protect the interests of the City, the Director shall notify the Permittee of the new requirements in writing. The Permittee shall, within 60 days of the date of the notice, provide proof of the adjusted insurance and surety bond levels to the Director.

13. **Consent for and conditions of assignment or transfer.** ((The Permittee, its successors and assigns shall not assign or transfer any privileges conferred)) The permission granted by this ordinance shall not be assignable or transferable by operation of law; nor shall the Permittee transfer, assign, mortgage, pledge, or encumber the same without the Director's consent ((of the City Council by resolution)), which the Director shall not unreasonably refuse. ((Notwithstanding anything contained herein to the contrary, consent of the City Council shall not be required for any transfer or assignment of the privileges conferred by this ordinance by way of mortgage, pledge or encumbrance or by way of foreclosure or deed in lieu of foreclosure of any mortgage, pledge or encumbrances. If permission is granted, the assignee or transferee shall be bound by all the terms and conditions of this ordinance.))

The Director may approve assignment or transfer of the permission granted by this ordinance to a successor entity only if the successor or assignee has accepted in writing all of the terms and conditions of the permission granted by this ordinance; has provided, at the time of the acceptance, the bond and certification of insurance coverage required under this ordinance; and has paid any fees due under Section 14 of this ordinance. Upon the Director's approval of an assignment or transfer, the rights and obligations conferred on the Permittee by this ordinance shall be conferred on the successors and assigns. Any person or entity seeking approval for an assignment or transfer of the permission granted by this ordinance shall provide the Director with a description of the current and anticipated use of the pedestrian skybridge.

14A. **Inspection fees.** The Permittee (~~(, its successors and assigns,)~~) shall, as provided by SMC Chapter 15.76 or successor provision, pay (~~(to)~~) the City (~~(such)~~) the amounts (~~(as may be justly chargeable)~~) charged by the City (~~(as costs of inspection of said)~~) to inspect the pedestrian skybridge during construction, reconstruction, repair, annual (~~(structural)~~) safety inspections, and at other times deemed necessary (~~(to ensure the safety of said pedestrian skybridge, under direction of the Director, as provided by Municipal Code Section 15.76)~~) by the City. An inspection or approval of the pedestrian skybridge by the City shall not be construed as a representation, warranty, or assurance to the Permittee or any other person as to the safety, soundness, or condition of the pedestrian skybridge. Any failure by the City to require correction of any defect or condition shall not in any way limit the responsibility or liability of the Permittee.

14B. **Inspection reports.** The Permittee shall submit to the Director, or to SDOT at an address specified by the Director, an inspection report that:

- (a) describes the physical dimensions and condition of all load-bearing elements;
- (b) describes any damages or possible repairs to any element of the pedestrian skybridge;
- (c) prioritizes all repairs and establishes a timeframe for making repairs; and

(d) is stamped by a professional structural engineer licensed in the State of Washington.

A report meeting the foregoing requirements shall be submitted within 60 days after the effective date of this ordinance. In the event of a natural disaster or other event that may have damaged the pedestrian skybridge, the Director may require that additional reports be submitted by a date established by the Director. The Permittee has the duty of inspecting and maintaining the pedestrian skybridge. The responsibility to submit structural inspection reports required by the Director does not waive or alter any of the Permittee's other obligations under this ordinance. The receipt of any reports by the Director shall not create any duties on the part of the Director. Any failure by the Director to require a report, or to require action after receipt of any report, shall not waive or limit the obligations of the Permittee.

14C. **Annual fee.** Beginning on June 21, 2016, and annually thereafter, the Permittee shall ((also)) promptly pay to the City, ((in advance)) upon statements ((rendered)) or invoices issued by the Director, an annual fee ((for the privileges granted and exercised hereunder of One Thousand One Hundred Forty three Dollars (\$1,143) beginning on the effective date of this ordinance and annually thereafter)) of \$5,280 or as adjusted annually thereafter, for the privileges granted by this ordinance.

Adjustments to the annual fee ((amount)) shall be made in accordance with a term permit fee schedule adopted by the City Council ((by ordinance)) and may be ((adjusted)) made every year. In the absence of ((such)) a schedule, the Director may only increase or decrease the previous year's fee ((amount annually)) to reflect any inflationary changes so as to charge ((said)) the fee in constant dollar terms. This adjustment will be calculated by adjusting the previous year's fee ((amount)) by the percentage change between the two most recent year-end values available ((of)) for the Consumer Price Index for the Seattle-Tacoma-Bremerton Area, All Urban Consumers, All Products, ((and)) Not Seasonally Adjusted. All payments shall be made to the City Finance Director for credit to the Transportation Operating Fund.

15. **Compliance with other laws.** ((The Permittee shall not discriminate against any (1)

~~employee, (2) applicant for employment, or (3) person with respect to the award or referral of a contract or with respect to the conditions, terms, price or performance standards, or other provisions of a contract in connection with the design, architectural or structural engineering work or the construction, repair, or maintenance of said pedestrian skybridge permitted to be erected and/or operate pursuant to this ordinance, on the basis of race, religion, creed, color, sex, marital status, sexual orientation, gender identity, political ideology, ancestry, age, national origin, or the presence or any sensory, mental or physical handicap unless based upon bona fide occupational qualification. The Permittee shall:))~~
Permittee shall construct, maintain, and operate the pedestrian skybridge in compliance with all applicable federal, state, County, and City laws and regulations. Without limitation, in all matters pertaining to the pedestrian skybridge, the Permittee shall comply with the City's laws prohibiting discrimination in employment and contracting including the Seattle Fair Employment Practices Ordinance, SMC Chapter 14.04, and the Fair Contracting Practices Code, SMC Chapter 14.10 (or successor provisions).

~~((a) post in conspicuous places available to such employees and applicants for such employment, notices setting forth the provisions of this non discrimination clause.~~

~~b) insert in any contract for work undertaken in connection with the design, architectural or structural engineering work or the repair, construction, maintenance or operation of said pedestrian skybridge referenced in this ordinance language substantially similar to the language contained in this Section 15 and which requires any person or entity entering into such contract to comply with the non discrimination provisions of this Section.))~~

Section 3. Acceptance of terms and conditions. The Permittee shall deliver to the Director its written signed acceptance of the terms of this ordinance within 60 days after the effective date of this ordinance. The Director shall file the written acceptance with the City Clerk. If no such acceptance is received within that 60-day period, the privileges conferred by this ordinance shall be deemed declined or abandoned and the

permission granted deemed lapsed and forfeited and the Permittee shall, at its own expense, remove the pedestrian skybridge and all of the Permittee's equipment and property and replace and restore all portions of the public place as provided in Section 5 of Ordinance 122113.

Section 4. Obligations run with the Property. The obligations and conditions imposed on the Permittee by this ordinance are covenants that bind the Permittee's heirs, successors, and assigns regardless of whether the Director has approved an assignment or transfer of the permission granted by this ordinance. The Permittee shall, within 60 days of the effective date of this ordinance, and prior to conveying any interest in the encroachments or improvements that are the subject of this ordinance, deliver to the Director, on a form supplied by the Director, a covenant agreement imposing the obligations and conditions in this ordinance, signed and acknowledged by the Permittee, and recorded with the King County Recorder's Office. The Director shall file the recorded covenant agreement with the City Clerk. The covenant agreement shall reference this ordinance by its ordinance number.

Section 5. Section titles. Section titles are for convenient reference only and do not modify or limit the text of a section.

Section 6. Ratify and confirm. Any act consistent with the authority of this ordinance taken after its passage and prior to its effective date is ratified and confirmed.

Section 7. This ordinance shall take effect and be in force 30 days after its approval by the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it shall take effect as provided by Seattle Municipal Code Section 1.04.020.
