AN ORDINANCE relating to a pedestrian skybridge over and across the alley between University Way Northeast and 15th Avenue Northeast, north of Northeast 45th Street, and certain window protrusions over a portion of University Way Northeast; amending Ordinance 122202, updating the insurance and bond requirements; amending the annual fee and other terms and conditions of the permit; renewing the term of the permit to Limantzakis Properties No. 1 LLC; providing for the acceptance of the permit and

conditions; and ratifying and confirming certain prior acts.

WHEREAS, by Ordinance 122202, The City of Seattle granted Limantzakis Properties No. 1 LLC permission to operate and maintain an existing pedestrian skybridge over and across the alley between University Way Northeast and 15th Avenue Northeast, north of Northeast 45th Street, and certain window protrusions over a portion of University Way Northeast, for a ten-year term, renewable for two successive ten-year terms, and

WHEREAS, the permission authorized by Ordinance 122202 was due for renewal on February 1, 2015; and

WHEREAS, Limantzakis Properties No. 1 LLC submitted an application to the Director of Transportation to renew the permission granted by Ordinance 122202 for a ten year term; and

WHEREAS, Limantzakis Properties No. 1 LLC satisfied all the terms of the original authorizing ordinance and the Director of Transportation recommends that the term permit be renewed for ten years subject to the term identified in this ordinance; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The permission granted to Limantzakis Properties No. 1 LLC by Ordinance 122202, to maintain and operate a pedestrian skybridge over and across the alley between University Way Northeast and 15th Avenue Northeast, north of Northeast 45th Street, and certain window protrusions over a portion of University Way Northeast, is renewed for a ten-year period starting on February 1, 2015, and ending at 11:59 p.m. on January 31, 2025, upon the terms and conditions set forth in Ordinance 122202, as further amended by this ordinance.

Section 2. Ordinance 122202 is amended as follows:

1. **Permission.** Subject to the terms and conditions of this ordinance, The City of Seattle (“City”) grants permission ((is hereby granted)) (also referred to in this ordinance as a permit) to Limantzakis Properties No. 1 LLC, and its successors and assigns (((“Permittee”))) as approved by the Director of Transportation (“Director”) according to Section 13 of this ordinance (the party named above and each such approved

successor and assign is referred to as "Permittee"), to maintain and operate((:-a))) a pedestrian skybridge, and a stairway within, over and across the alley ((parallel to Northeast 45th St and Northeast 47th Street)) between University Way Northeast and 15th Avenue Northeast, north of Northeast 45th Street, ((between the properties known as King County parcel numbers 8816400135 and 8816400015; said skybridge is 20 feet above the existing grade of said alley, to be used by Permittee solely for the purpose of providing overhead access for pedestrians across said alley; and b)) and window protrusions over a portion of University Way Northeast ((abutting Lots 19 and 20, Block 1, University Heights Addition, known as King County parcel number 8816400135, extending approximately three feet four inches (3'-4") into said portion of said street, to occupy approximately 44.3 square feet of street area, and the bottommost part of said window protrusions are, and shall remain, approximately fourteen feet (14'-0") above the existing grade of said street at said location)), adjacent in whole or in part to the property legally described as:

The North 1/2 of Lot 19, all of Lot 20, and the South 1/2 of Lot 21, all in Block 1, University Heights Addition to the City of Seattle, Washington, according to the plat thereof recorded in Volume 9 of Plats, Page 41, records of King County.

2. **Term.** The permission ((herein)) granted to ((the)) Permittee ((its successors and assigns, shall be)) is for a term of ten ((10)) years((, with the date of commencement retroactive to February 1, 2005)) starting on February 1, 2015 and ((terminating)) ending at 11:59 p.m. on January 31, ((2015; provided, however, that)) 2025. ((u))Upon written application ((of)) made by the Permittee at least ((thirty (30))) 180 days before expiration of the term, the Director ((of the Seattle Department of Transportation ("Director"))) or the City Council may renew the permit ((for two (2))) for a successive ((ten (10 year terms)) ten-year term, ((provided further that the)) subject to the right of the City to require the removal of the pedestrian skybridge and window protrusions or to revise by ordinance any of the terms and conditions of the permission granted by this ordinance. The total term of the permission ((as originally granted and thus extended)), including renewals, shall not exceed ((thirty (30))) 30((3)) years ((subject the right of the City of Seattle ("City") by ordinance to then revise any terms and conditions contained herein)). The Permittee shall submit any application for a new

permission no later than 180 days prior to the expiration of the then-existing term.

3. **Protection of utilities.** The permission ~~((is hereby))~~ granted is subject to the Permittee bearing the expense of any protection, support, or relocation of existing utilities deemed necessary by the owners of the ((utility)) utilities, and ((shall be done at the Permittee's expense with)) the Permittee being responsible for any ((subsequent)) damage to the utilities due to the construction, repair, reconstruction, maintenance, ((or)) operation, or removal of ((said)) the pedestrian skybridge and((/or)) window protrusions and for any consequential damages that may result from any damage to utilities or interruption in service caused by any of the foregoing.

4. **Removal for public use or for cause.** The ~~((permit))~~ permission granted ~~((hereby))~~ is subject to ~~((primary and secondary))~~ use ~~((by the public))~~ of the street right-of-way or other public place (collectively, public place) by the City and the public for travel, ((and)) utility purposes, and other public uses or benefits. ((t
))The City expressly reserves the right to deny renewal, or terminate the permission, at any time prior to expiration of the initial term or any renewal term, and require the Permittee to remove ((said)) the pedestrian skybridge and ((/or)) window protrusions, or any part thereof or installation on the public place, at the Permittee's sole cost and expense in the event that:

- a) the City Council determines((;)) by ordinance((;)) that the space occupied by the pedestrian skybridge and((/or)) window protrusions is necessary for any ((primary or secondary)) public use or benefit((;)) or that ((said)) the pedestrian skybridge and((/or)) window protrusions interferes with any ((primary or secondary)) public use or benefit; or
- b) the Director determines that use of the pedestrian skybridge and window protrusion has been abandoned; or
- c) the Director determines that any term or condition of this ordinance has been violated, and ((such)) the violation has not been corrected by the Permittee by the compliance date after a ~~((notice of violation has been given))~~ written request by the City to correct the violation (unless a notice to correct

is not required due to an immediate threat to the health or safety of the public).

A City Council determination that the space is ~~((necessary for a primary or secondary))~~ needed for, or the pedestrian skybridge and window protrusions interferes with, a public use or benefit ((shall be)) is conclusive and final without any right of the Permittee to resort to the courts to adjudicate the matter.

5. **Permittee's obligation to remove and restore.** ~~((In the event that))~~ If the permission ((hereby)) granted ((extends to its termination in thirty (30) years,)) is not renewed at the expiration of a term, or if the permission expires without an application for a new permission being granted, or if the City ((orders removal of said)) terminates the permission, then within 90 days after the expiration or termination of the permission, or prior to any earlier date stated in an ordinance or order requiring removal of the pedestrian skybridge and ((/or)) window protrusions ((pursuant to the terms of this ordinance, then within ninety (90) days after such expiration, termination or order of removal, or prior to the date stated in an "Order to Remove", as the case may be)), the Permittee shall, at its own expense, remove ((said)) the pedestrian skybridge and ((/or)) window protrusions and ((shall place)) all of the Permittee's equipment and property from the public place and replace and restore all portions of the ((street)) public place that may have been disturbed for any part of ((said)) the pedestrian skybridge and((/or)) window protrusions((;)) in as good condition for public use as ((it was)) existed prior to construction of ((said)) the pedestrian skybridge and((/or)) window protrusion, and in at least as good condition in all respects as the abutting portions ((thereof)) of the public place as required by SDOT right-of-way restoration standards.

Failure to remove the pedestrian skybridge and window protrusions as required by this section is a violation of Chapter 15.90 of the Seattle Municipal Code (SMC) or successor provision; however, applicability of Chapter 15.90 does not eliminate any remedies available to the City under this ordinance or any other authority. If the Permittee does not timely fulfill its obligations under this section, the City may in its sole discretion remove the pedestrian skybridge and window protrusions and restore the public place at the Permittee's expense, and collect such expense in any manner provided by law.

~~((Whereupon,))~~ Upon the Permittee's completion of removal and restoration in accordance with this section, or upon the City's completion of the removal and restoration and the Permittee's payment to the City for the City's removal and restoration costs, the Director shall then issue a ~~((certificate discharging))~~ certification that the Permittee ~~((from responsibility))~~ has fulfilled its removal and restoration obligations under this ordinance ~~((for occurrences after the date of such discharge))~~. Upon prior notice to the Permittee and entry of written findings that it is in the public interest, the Director may, in the Director's sole discretion, conditionally or absolutely excuse the Permittee from compliance with all or any of the Permittee's obligations under this section.

6. **Repair or reconstruction.** The pedestrian skybridge and window protrusions shall remain the exclusive responsibility of the Permittee and the Permittee shall maintain the pedestrian skybridge and window protrusion in good and safe condition for the protection of the public. The Permittee shall not ~~((commence reconstruction, relocation, readjustment))~~ reconstruct or repair ~~((of said))~~ the pedestrian skybridge and~~((or))~~ window protrusions~~((;))~~ except ~~((under the supervision of, and))~~ in strict accordance with plans and specifications approved by the Director. The Director~~((, in his/her))~~ may, in the Director's judgment, order ~~((such reconstruction, relocation, readjustment or repair of said))~~ the pedestrian skybridge and~~((or))~~ window protrusions reconstructed or repaired at the Permittee's ~~((own))~~ cost and expense ~~(())~~for: ~~((a))~~ the deterioration or unsafe condition of ~~((said))~~ the pedestrian skybridge and~~((or))~~ window protrusions~~((, grade separations, or (b)))~~; the installation, construction, reconstruction, maintenance, operation, or repair of any ~~((and all))~~ municipally-owned public utilities~~((;))~~; ~~((c))~~ or for any other cause.

7. **Failure to correct unsafe condition.** After written notice to the Permittee~~((;))~~ and failure of the Permittee to correct ~~((said))~~ an unsafe ~~((or risk prone))~~ condition within the time stated in ~~((such))~~ the notice, the Director may order ~~((said))~~ the pedestrian skybridge and~~((or))~~ window protrusions be closed or removed at the Permittee's expense if the Director deems that ~~((it has))~~ the pedestrian skybridge and window protrusions have become unsafe or create~~((s))~~ a risk of injury to the public. ~~((In a situation in which))~~ If there is an

immediate threat to the health or safety of the public, a notice to correct is not required.

8. **Continuing obligations.** Notwithstanding termination or expiration of the permission granted, or closure or removal of ~~((said))~~ the pedestrian skybridge and~~((/or))~~ window protrusions, the Permittee shall remain bound by all of its obligations under this ordinance until~~((:~~

a) ~~said pedestrian skybridge and window protrusions and all of their equipment and property are removed from the street; and~~

b) ~~the areas is cleared and restored in a manner and to a condition satisfactory to the Director; and~~

e))) the Director ~~((certifies))~~ has issued a certification that the Permittee has ~~((been discharged of its obligations herein. Provided, that upon such notice to the Permittee and entry of written findings that such is in the public interest, the Director may, in his/her sole discretion, excuse the Permittee, conditionally or absolutely, from compliance with all or any of the Permittee's obligations to remove said pedestrian skybridge and/or window protrusion and its property, and restore disturbed areas))~~ fulfilled its removal and restoration obligations under Section 5 of this ordinance. Notwithstanding the issuance of that certification, the Permittee shall continue to be bound by the obligations in Section 9 of this ordinance and shall remain liable for any unpaid fees assessed under Section 14 of this ordinance.

9. **Release, hold harmless, indemnification, and duty to defend.** ~~((Said pedestrian skybridge and/or window protrusions shall remain the exclusive responsibility of the Permittee.))~~ The Permittee, by ~~((acceptance))~~ accepting the terms of this ordinance ~~((and the permission hereby granted, does))~~, releases the City, its officials, officers, employees, and agents from any and all claims~~((resulting))~~, actions, suits, liability, loss, costs, expense, attorneys' fees, or damages of every kind and description arising out of or by reason of the pedestrian skybridge and window protrusions or this ordinance, including but not limited to claims resulting from injury, damage, or loss to the Permittee or the Permittee's property.

The Permittee agrees to at all times defend, indemnify, and hold harmless the City, its officials, officers, employees, and agents from and against all claims, actions, suits, liability, loss, costs, expense, attorneys' fees,

or damages of every kind and description, excepting only damages that may result from ~~((damage or loss to its own property and does covenant and agree for itself, their successors and assigns, with the City, to at all times protect and save harmless the City from all claims, actions, suits, liability, loss, costs, expense or damages of every kind and description(excepting only such damages that may result from))~~ the sole negligence of the City ~~((s))~~, which may accrue to, be asserted by, or be suffered by~~((s))~~ any person ~~((or persons and/))~~ or property~~((or properties,))~~ including, without limitation, damage, death, or injury to members of the public or to the Permittee ~~((s))~~'s ~~((its))~~ officers, agents, employees, contractors, invitees, tenants ~~((and))~~, tenants' invitees, licensees, or ~~((their))~~ successors and assigns, arising out of or by reason of:

(a) ~~((by reason of))~~ the existence, condition, construction, reconstruction, modification, maintenance, operation, ~~((or))~~ use, or removal of ~~((said))~~ the pedestrian skybridge and~~((/or))~~ window protrusions~~((s))~~ or any portion thereof, or the use, occupation, or restoration of the public place or any portion thereof by the Permittee or any other person or entity; or

(b) anything that has been done~~((s))~~ or may at any time be done~~((s))~~ by the Permittee~~((, its successors and assigns,))~~ by reason of this ordinance~~((s))~~; or

(c) the Permittee ~~((, its successors or assigns,))~~ failing or refusing to strictly comply with ~~((each and))~~ every provision of this ordinance, ~~((; and if any such))~~ or arising out of or by reason of the pedestrian skybridge and window protrusions or this ordinance in any other way.

If any suit, action, or claim ~~((be))~~ of the nature described above is filed, instituted, or begun against the City, the Permittee~~((, its successors and assigns,))~~ shall~~((s))~~ upon notice ~~((thereof))~~ from the City~~((s))~~ defend the ~~((same))~~ City, with counsel acceptable to the City, at ~~((its or their))~~ the sole cost and expense of the Permittee, and ~~((in case))~~ if a judgment ~~((shall be))~~ is rendered against the City in any suit or action, the Permittee~~((, its successors and assigns,))~~ shall fully satisfy ~~((said))~~ the judgment within ~~((ninety-))~~ 90~~((s))~~ days after ~~((such))~~ the action or suit ~~((shall have))~~ has been finally determined, if determined adversely to the City. ~~((Provided that, if))~~ If it is determined by a court of competent jurisdiction that Revised Code of Washington (RCW) 4.24.115

applies to this ordinance, then in the event claims or damages are caused by or result from the concurrent negligence of

~~((a))~~ the City, its agents, contractors, or employees~~((s))~~, and~~((s))~~

~~((b))~~ the Permittee, its agents, contractors, or employees ~~((or their successors and assigns))~~, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Permittee or the Permittee's agents, contractors, or employees ~~((or its successors and assigns))~~.

The City may at any time revoke approval of self-insurance and require the Permittee to obtain and maintain insurance as specified in this ordinance.

An irrevocable letter of credit approved by the Director in consultation with the City Attorney's Office may be substituted for the bond. An inspection or approval of the pedestrian skybridge and window protrusions by the City shall not be construed as a representation, warranty, or assurance to the Permittee or any other person as to the safety, soundness, or condition of the pedestrian skybridge and window protrusions. Any failure by the City to require correction of any defect or condition shall not in any way limit the responsibility or liability of the Permittee.

14b. **Inspection reports.** The Permittee shall submit to the Director, or to SDOT at an address specified by the Director, an inspection report that:

- (d) is stamped by a professional structural engineer licensed in the State of Washington.

A report meeting the foregoing requirements shall be submitted within 60 days after the effective date of this ordinance; subsequent reports shall be submitted every two years, within 30 days prior to the anniversary date of the last inspection report; provided that, in the event of a natural disaster or other event that may have damaged the pedestrian skybridge and window protrusions, the Director may require that additional reports be submitted by a date established by the Director. The Permittee has the duty of inspecting and maintaining the pedestrian skybridge and window protrusions. In the absence of ((such)) a schedule, the Director may only increase or decrease the previous year's fee ((amount annually)) to reflect any inflationary changes so as to charge ((said)) the fee in constant dollar terms. This adjustment will be calculated by adjusting the previous year's fee ((amount)) by the percentage change between the two most recent year-end values available ((of)) for the Consumer Price Index for the Seattle-Tacoma-Bremerton Area,
