CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to low-income housing; requesting that a special election be held concurrent with the August 2, 2016 primary election for submission to the qualified electors of the City of a proposition to lift the limit on regular property taxes under chapter 84.55 RCW in order to authorize the City to levy additional taxes for low-income housing for up to seven years; providing for interim financing pending tax receipts; creating a levy oversight committee; requiring annual progress reports; providing for implementation of programs with funds derived from the taxes authorized; and ratifying and confirming certain prior acts.

WHEREAS, the \$145,000,000 housing levy authorized in Ordinance 123013 and approved by the

voters in 2009 (the "2009 Levy") expires with the collection of 2016 property taxes; and

WHEREAS, the \$86,000,000 housing levy authorized in Ordinance 120823 was approved by the voters

in 2002; and

WHEREAS, the \$59,211,000 housing levy authorized in Ordinance 117711 was approved by the voters

in 1995; and

WHEREAS, the \$49,975,000 housing levy authorized in Ordinance 112904 was approved by the voters

in 1986; and

WHEREAS, the \$48,170,000 low-income elderly and handicapped housing bond issue authorized in

Ordinance 110124 was approved by the voters in 1981; and

WHEREAS, the low-income elderly and handicapped housing bond approved in 1981 and three housing levies approved in 1986, 1995, and 2002 have all exceeded goals for producing and preserving housing, and the 2009 Levy programs are meeting or exceeding goals for housing production and assistance; and

WHEREAS, in September 2014, the City Council adopted Resolution 31546, in which the Mayor and the City Council jointly convened the Seattle Housing Affordability and Livability Agenda (HALA) Advisory Committee to evaluate potential strategies to make Seattle more affordable, equitable, and inclusive; and in particular to promote the development and preservation of affordable housing for residents of the City; and

WHEREAS, in July 2015, the HALA Advisory Committee published its Final Advisory Committee Recommendations and the Mayor published Housing Seattle: A Roadmap to an Affordable and Livable City, which outlines a multi-prong approach of bold and innovative solutions to address Seattle's housing

affordability crisis; and

WHEREAS, in October 2015, the City Council adopted Resolution 31622 declaring the City's intent to expeditiously consider strategies recommended by the HALA Advisory Committee, including renewal of the Seattle Housing Levy; and

WHEREAS, the City Council adopted Resolution 31606 endorsing the goals of the Committee to End Homelessness (CEH) in King County Strategic Plan July 2015 - July 2019 and stating the intent to focus investment of new resources on effective prevention and housing services to better align City spending with the federal Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009 and evidenced-based practices; and

WHEREAS, substantial need remains for additional low-income housing and assistance to help lowincome persons access housing they can afford, as documented in the Housing Appendix to the Comprehensive Plan and the City's 2014-2017 Consolidated Plan; and

WHEREAS, chapter 84.55 RCW generally limits the dollar amount of regular property taxes that a city may levy in any year, but RCW 84.55.050 allows a city to levy taxes exceeding such limit by majority approval of the voters, and allows a city to include in the ballot proposition a limit on the purpose for which the additional taxes levied will be used and to provide for the expiration of the additional taxing authority; and

WHEREAS, RCW 35.21.685 authorizes a city to assist in the development or preservation of publicly or privately owned housing for persons of low income by providing loans or grants of general municipal funds to the owners or developers of the housing, including loans or grants to finance the acquisition, construction, or rehabilitation of low-income housing;

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Findings. The City Council makes the following findings and declares as follows:

A. The City of Seattle has insufficient safe, sanitary, and appropriate housing affordable to low-income

households to meet the present and anticipated needs of such households, as documented in the Housing Appendix to the Comprehensive Plan and the City's 2014-2017 Consolidated Plan.

B. Affordable rental housing for low-income households, including people experiencing homelessness, persons with special needs, families, and seniors, often requires a commitment of City funds for development or preservation, or other forms of assistance.

C. Supporting home ownership through grants to low-income homeowners to make critical health and safety repairs, and through loans to low-income first-time homebuyers coupled with homeownership counseling, helps create financial stability for families and promotes mixed income neighborhoods.

D. Rental assistance combined with stabilization services for low-income families and individuals facing eviction helps maintain stable housing and prevents homelessness.

E. Providing funding to help develop, preserve, and finance housing affordable to low-income renters and homebuyers helps create construction jobs and on-going employment and generates income for local businesses.

F. The additional taxes to be levied under this ordinance would enable the City to provide for the housing needs of low-income households and so fulfill the purposes of federal, State, County, and City laws and policies, including without limitation the State Growth Management Act ("GMA"), the Countywide Planning Policies adopted under GMA, and the City's Comprehensive Plan.

Section 2. Definitions. The following terms used in this ordinance shall have the definitions stated below unless the context otherwise clearly requires:

"Household" means a single person, family, or unrelated persons living together.

"Low-income household" means a household with income less than or equal to 80 percent of median income.

"Low-income housing" means housing that will serve "low-income households."

"Median income" means annual median family income for the statistical area or division thereof

including Seattle for which median family income is published from time to time by the U.S. Department of Housing and Urban Development, or successor agency, with adjustments according to household size in a manner determined by the Director of Housing, provided that if an Administrative and Financial Plan adopted under Section 6 of this ordinance shall adopt a substitute definition of "median income," the substitute definition shall apply.

To the extent permitted by State law, income determinations may take into account such exclusions, adjustments, and rules of computation as may be prescribed or used under federal housing laws, regulations, or policies for purposes of establishing income limits, or as may be established in City planning documents consistent with federal laws, regulations, or policies.

Section 3. Proposition to Authorize Levy of Additional Regular Property Taxes. The City hereby submits to the qualified electors of the City a proposition as authorized by RCW 84.55.050, to exceed the levy limitation on regular property taxes contained in chapter 84.55 RCW for property taxes levied in 2016 through 2022 for collection in 2017 through 2023, respectively, raising up to \$290,000,000 in aggregate over a period of up to seven years. The proposition shall be limited so that the City shall not levy more than \$41,428,571 in additional taxes each year, in addition to the maximum amount of regular property taxes the City would have been limited to by RCW 84.55.010 in the absence of voter approval under this ordinance. Proceeds shall be used for the purposes specified in Section 5.A of this ordinance. Pursuant to RCW 84.55.050 (5), the maximum regular property taxes that may be levied in 2023 for collection in 2024 and in later years shall be computed as if the limit on regular property taxes had not been increased under this ordinance.

Section 4. Levy Revenues.

A. Unless otherwise directed by ordinance, all revenues collected from the additional taxes authorized pursuant to this ordinance shall be deposited in the Low-Income Housing Fund to finance housing for low-income households and provide for the housing needs of low-income households. The Director of Finance and Administrative Services or successor department is authorized to create other subfunds or accounts within the

Low-Income Housing Fund as may be needed or appropriate to implement the purposes of this ordinance.

B. Pending expenditure for the purposes authorized in this ordinance, amounts deposited in the Low-Income Housing Fund pursuant to this ordinance may be invested in any investments permitted by applicable law. All investment earnings on the balances shall be deposited into the Low-Income Housing Fund. Amounts received by the City from payments with respect to proceeds of sale or disposition of property, loans, recovery of grants, or insurance proceeds ("program income") shall be deposited into the Low-Income Housing Fund unless otherwise specified by ordinance. The Director of Housing or designee shall use any investment earnings and program income derived from revenues collected from the additional taxes authorized pursuant to this ordinance consistent with the provisions of any Administrative and Financial Plan ("A & F Plan") adopted by the City Council under Section 6 of this ordinance.

Section 5. Administration; Use of Proceeds.

A. The levy funds shall be used to finance affordable housing for low-income households, and otherwise to provide for the housing needs of low-income households.

B. The City Office of Housing, or such other department as may be designated by ordinance, shall administer programs funded with the additional taxes authorized pursuant to this ordinance. Programs adopted by the City Council for use of the funds derived under this ordinance shall be referred to as "Levy Programs." Anticipated Levy Programs are shown in Exhibit 1, attached to this ordinance.

C. For levy funds allocated to assist people experiencing homelessness or those at risk of homelessness, the City Office of Housing and the Human Services Department will allocate such funds to evidence-based homelessness prevention efforts, or the development, preservation, or operation of affordable housing. In addition, it is intended that the funding of such programs will closely align with federal, State, and County strategies and recommended best practices in order to maximize the City's investments targeted to assist people experiencing homelessness or those at risk of homelessness

thereby more effectively serving Seattle's most vulnerable residents.

D. The City Council, upon recommendation of the Oversight Committee described in Section 9 of this ordinance, or upon recommendation of the Mayor, or on its own, may review the timing of the allocations to particular Levy Programs and may by ordinance make changes to the programs, including the amount of funds allocated to any program and/or additions and deletions of programs, consistent with the basic purposes of this ordinance and applicable law. Administration funding shown in Exhibit 1 is intended to be used for administration of Levy Programs. In addition, administration funding may be used for monitoring performance of funded projects, and administration of the Operating and Maintenance Program funding from prior levies. Administration funding for the Operating and Maintenance Program, for the monitoring of funded projects over their lives, and for any use of loan repayments, may come from investment earnings or program income.

Section 6. Administrative and Financial Plans.

A. Every two years, or at such other intervals as the City Council may specify, the Director of Housing, or other department head as may be designated by the Mayor, shall prepare an A & F Plan covering all of the Levy Programs. Such plans shall cover periods commencing in 2017 and continuing through 2023, and thereafter if so specified by the City Council.

B. Unless otherwise requested by the City Council, each A & F Plan shall include: amounts allocated to programs, which may vary from year to year in order to respond to changing housing market conditions, leveraging opportunities, or other circumstances; criteria for evaluating and selecting projects; guidelines for loans or grants, including any fees to be collected to defray costs; requirements for project sponsors; progress and performance reports for each Levy Program; program reviews to ensure that levy funds are used for their stated purposes; and guidelines for use of program income and investment earnings. An A & F Plan may include such other information as the Mayor or Director of Housing may deem appropriate or the City Council may request.

C. The A & F Plan shall be submitted to the City Council for its approval, with such modifications as the City Council may require. For purposes of future updates of the A & F Plan, all criteria, guidelines, and requirements contained in a previously approved A & F Plan shall remain in effect pending approval by City Council of a new A & F Plan, unless otherwise provided by ordinance.

Section 7. Approvals. The Director of Housing or other department head as may be designated by the Mayor, or the designee of such department head, is authorized to:

A. Select projects for funding and to approve, make, and modify loans, grants, or other expenditures to carry out the Levy Programs, provided that such authority is subject to the appropriation of sufficient funds; and

B. Execute and deliver such documents and instruments as the department head or designee determines are necessary or appropriate to implement the financing of specific projects or to otherwise carry out the Levy Programs.

Section 8. Bonds and Notes. To the extent permitted by applicable law, the City may issue bonds, notes or other evidences of indebtedness payable wholly or in part from the proceeds of the additional taxes authorized under this ordinance, and apply such tax proceeds to the payment of principal of, interest on, and premium (if any) on such bonds, notes or other evidences of indebtedness and to the payment of costs associated with them.

Section 9. Oversight Committee.

A. Conditioned upon voter approval of the ballot proposition submitted by this ordinance, there is established an Oversight Committee for the purpose of monitoring the progress of Levy Programs and reporting to the Mayor and the City Council on the progress of Levy Programs. The Committee also shall perform monitoring and reporting functions for any funds remaining from the 2009 Housing Levy. The Committee shall inform the Mayor and the City Council of Levy Program accomplishments and challenges and make recommendations on the A & F Plans and on actions to be taken, including additions to or deletions of

programs or amounts of funds allocated to the several programs, so that Levy Programs may be conducted in a timely and efficient manner. The Committee may elect officers and establish rules of procedure, including what shall constitute a quorum. The Director of Housing or such other department head as may be designated by the Mayor shall provide the Committee such information as is necessary for the Committee to determine the status of individual programs and projects. The Oversight Committee shall consist of 13 voting members, selected as follows: one shall be a City employee appointed by the Mayor or designee; one shall be a City employee appointed by the City Council; the remainder shall be persons outside City government, of whom six shall be appointed by the Mayor and five by the City Council. The appointing authority shall remove any member who is absent from two or more consecutive meetings without cause. The appointing authority may remove any member for other good cause shown or to ensure compliance with subsection 9.B of this ordinance.

B. No more than three Committee members appointed by the Mayor and no more than two Committee members appointed by the City Council shall be an officer, director, board member, trustee, partner, or employee of an entity that receives or competes for funding under this ordinance; or be a member of the immediate family of, or an individual residing with, an officer, director, board member, trustee, partner, or employee of an entity that receives or competes for funding under this ordinance; or be a person seeking or having an arrangement concerning future employment with an entity that receives or competes for funding under this ordinance; or be a person seeking or having an arrangement concerning future employment with an entity that receives or competes for funding under this ordinance. For the purposes of this ordinance, an individual's "immediate family" means the individual's spouse, domestic partner, child, child of a spouse or domestic partner, sibling-in-law, parent, parent of a spouse or domestic partner, a person for whom the individual acts as a guardian, or a person claimed as a dependent on the individual's most recent federal income tax return. Subject to the preceding sentence and applicable law, an individual serving as an officer, director, board member, trustee, partner, or employee of an entity that receives or competes for funding under this ordinance, or who has an interest in such an entity, shall not thereby be disqualified from serving on the Committee, but shall fully disclose any such relationships and shall not vote on any matter in which the interest of such entity is directly involved. For purposes of this

subsection 9.B, "entity" does not include a City department or office.

C. Upon the resignation, retirement, death, incapacity, or removal of a Committee member, the authority appointing such member may appoint a replacement for the balance of the term.

D. Committee members shall serve without compensation.

E. The City Council shall prescribe by ordinance or resolution the terms of office of Committee members, which may be staggered to provide continuity, and the initial committee members shall be selected within six months after voter approval of the proposition submitted by this ordinance. The City Council may prescribe such other rules relating to the operation of the Committee as shall be necessary or appropriate.

F. The Oversight Committee shall continue in existence through 2023, and thereafter if so provided by ordinance.

Section 10. Reporting. The Director of the Office of Housing, or successor department, will prepare and submit to the Oversight Committee, City Council, and the Mayor an annual progress report on the implementation of the Housing Levy.

Section 11. Election - Ballot Title. The City Council directs that the City Clerk file this ordinance with the Director of Elections of King County, Washington, as ex officio supervisor of elections, requesting that the King County Director of Elections call and conduct a special election in the City in conjunction with the primary election to be held on August 2, 2016, for the purpose of submitting to the qualified electors of the City the proposition set forth in this ordinance. The City Clerk is directed to certify to the King County Director of Elections the ballot title approved by the City Attorney in accordance with the City Attorney's responsibilities under RCW 29A.36.071. The following ballot title is submitted to the City Attorney for consideration: Seattle's Proposition 1 concerns increased property taxes for seven years for low-income housing assistance.

The City of Seattle's Proposition 1 concerns replacing the Seattle Housing Levy.

If approved, this proposition would replace an expiring levy to fund: housing for low-income seniors, workers, and households, and the disabled and mentally ill; and homelessness prevention and reduction programs, including emergency rental assistance for at-risk families.

It authorizes regular property taxes above RCW 84.55 limits, allowing \$290,000,000 in additional taxes over seven years beginning in 2017, limited to \$41,428,571/year. The 2017 regular tax rate would be limited to \$3.60/\$1,000 assessed value, including approximately \$0.25/\$1,000 assessed value in additional taxes.

Should this levy lid lift be approved?

Yes

No

Those in favor shall vote "Yes"; those opposed shall mark their ballots "No".

Section 12. Section Titles. Section titles are for convenient reference only and do not modify or limit the text of a section.

Section 13. Severability. If any one or more provisions of this ordinance shall for any reason be held invalid, such invalidity shall not affect any other provision of this ordinance or the levy of additional taxes authorized, but this ordinance shall be construed and enforced as if such invalid provisions had not been contained herein, except that if any provision shall be held invalid by reason of its extent or the range of persons eligible to benefit therefrom, then such provision shall be deemed to be in effect to the extent permitted by law and to benefit only such class of persons as may lawfully be granted the benefit thereof.

Section 14. Ratification. The City Clerk's certification to the King County Director of Elections of the proposition referred to in Section 11, and any other acts taken after the passage of this ordinance and consistent with its authority, are ratified and confirmed.

Section 15. Effectiveness. Those portions of this ordinance providing for the submission of a ballot proposition to the voters shall take effect and be in force immediately upon the approval by the Mayor; or if returned to the City Council by the Mayor unsigned, then immediately upon its return; or if not approved and
