CITY OF SEATTLE

ORDINANCE	
COUNCIL BILL	

AN ORDINANCE related to the operation of open-air tour vehicles; creating a new Chapter 15.66 in the Seattle Municipal Code; and amending Section 15.91.002 of the Seattle Municipal Code. WHEREAS, distracted driving by motorists poses a significant risk of injury or death to pedestrians, bicyclists, and other motorists; and

WHEREAS, the dangers of distracted driving are more likely to be magnified by the operation of an open-air tour vehicle where information and entertainment are shared through music, noise, interaction with passengers, as well as interaction with pedestrians; and

WHEREAS, narration and entertainment in an open-air tour vehicle also serve as a distraction to other drivers; and

WHEREAS, open-air tour vehicle drivers have increased responsibilities because of the potentially large

number of passengers, large vehicle mass, and lack of side windows that increase the danger of serious injury to persons inside and outside of the vehicle in a collision; and

WHEREAS, prohibiting open-air tour vehicle drivers from conducting tour narration or entertainment while driving in the City will reduce distracted driving and advance traffic safety by reducing the likelihood of collisions and injuries caused by distracted driving; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:
