## CITY OF SEATTLE

## ORDINANCE

COUNCIL BILL

AN ORDINANCE relating to Seattle Public Utilities; authorizing the Director of Seattle Public Utilities to accept on behalf of The City of Seattle the transfer of approximately 155 acres of forest land in the North Fork Tolt River Watershed from Forterra and to acquire approximately 100 acres of forest land located adjacent to the Forterra property and the South Fork Tolt Municipal Watershed owned by the City.

WHEREAS, Forterra (formerly Cascade Land Conservancy) was awarded a Federal Cooperative Endangered

Species Conservation Fund grant to acquire certain real property located in King County, Washington, in the North Fork Tolt River Watershed (the "Property"); and

- WHEREAS, Seattle Public Utilities and Forterra determined Seattle Public Utilities is a more appropriate longterm owner of the Property because it owns lands in the North and South Fork Tolt Watersheds and manages these lands for conservation and protection of its drinking water supply; and
- WHEREAS, following Forterra's acquisition of the Property, Forterra will transfer the Property to Seattle Public Utilities; and
- WHEREAS, a conservation easement granted by Forterra to the Washington State Department of Natural Resources will be the mechanism to protect the Property's conservation values in perpetuity; and
- WHEREAS, Seattle Public Utilities determined that accepting the transfer of and managing the Property according to the conservation easement is consistent with its utility purpose and will not require a commitment of additional financial resources; and
- WHEREAS, Seattle Public Utilities would benefit from contiguous ownership of the Property by acquiring 100 acres of forest land separating the Property from the South Fork Tolt Municipal Watershed; NOW, THEREFORE,
