Section 11. The Council expresses the following intent as to the application of Seattle Municipal Code Chapter 5.54. To maintain a level playing field for the short-term rental industry and other lodging businesses, the Council intends to monitor proposals for any taxes imposed by the Washington State Convention Center Public Facilities District, King County, or the State of Washington, on the short-term rental industry. The City will work with such jurisdictions to ensure that short-term rental businesses are not subject to a short-term rental tax at the State or County level in addition to a City of Seattle short-term rental tax. In the event any short-term rental tax is imposed by any such jurisdiction and the jurisdiction imposing such tax enters into a legally binding agreement with the City to provide to the City proceeds equivalent to the City's collections from tax authorized under this ordinance, the City may commit in such agreement with the other jurisdiction to suspend collection of the City's tax for the duration of the term of such agreement.

Section 12. Services funded by the proceeds of the short-term rental tax are intended to support investments in affordable housing and to support community-initiated equitable development projects, including but not limited to projects described in Resolution 31711. Eligible expenditures include:

- A. Resources necessary to (1) fund one-time expenditures to administer the tax and ongoing administration of assessing and collecting the tax, and (2) to offset the cost of implementing and administering Chapter 6.600.
- B. The remainder of net proceeds shall be used as follows:

1. The first \$5,000,000 of net proceeds, after monies spent pursuant to subsection A of this section, shall be applied to investments in community-initiated equitable development projects;
2. The next \$2,000,000 of net proceeds shall be applied to investments in affordable housing;
3. The remainder of net proceeds shall be used to support community-initiated equitable development projects, including the affordable housing component of those projects.

C. In the annual City budget or by separate ordinance, the City's legislative authority shall from year to year determine the services and funding allocations that will most effectively achieve the goals and outcomes in accordance with chapter 35.32A RCW.

Section 13. Sections 1 through 12 of this ordinance shall take effect on January 1, 2019, and the Short-Term Rental Tax shall be imposed beginning January 1, 2019, on every person engaging within the City in the business of being a short-term rental operator.

Section 14. The provisions of this ordinance are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, or portion of this ordinance, or the invalidity of its application to any person or circumstance, does not affect the validity of the remainder of this ordinance, or the validity of its application to other persons or circumstances.

Section 15. This ordinance shall take effect and be in force 30 days after its approval by the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it shall take effect as provided by Seattle Municipal Code Section 1.04.020.
