The issuance of a Certificate of Occupancy for existing buildings, either if no Certificate of Occupancy has previously been issued or if a change of occupancy is requested, requires a building permit. If there is no construction valuation (there is no work which would require a building permit), the minimum building permit fee shall be assessed. In addition to the minimum building permit fee, if records research, plan examination, or inspection is required, charges shall be assessed at the SDCI hourly rate. If work is being done as authorized by a permit, the permanent Certificate of Occupancy fee is not assessed in addition to the building permit fee. The fee for a temporary Certificate of Occupancy shall be charged at the rate of 1/2 the base fee. The fee for the duplication of a Certificate of Occupancy is ((~~\$35.10~~) \$36.10) unless records research, plan examination, or inspection is required, in which case charges shall be assessed at the SDCI hourly rate.
