WHEREAS, the people of Washington passed Initiative Measure No. 1433, amending chapter 49.46 RCW to require employers to provide employees with paid sick leave to care for the health of themselves and their families as of January 1, 2018; and

WHEREAS, Initiative 1433 applies to all employers in Washington and provides that employees accrue at least one hour of paid sick leave for every 40 hours worked; and

WHEREAS, employees are authorized to use paid sick leave for: 1) their own medical care; 2) to provide care for a family member; 3) when their place of business or child's school or place of care has been closed by order of a public official due to a health reason; or 4) when their absence qualifies for domestic violence leave under chapter 49.76 RCW; and

WHEREAS, an employee may begin to use accrued paid sick leave beginning on the employee's ninetieth day of employment; and

WHEREAS, an employer may request reasonable notice for an absence from work, and may require verification for absences longer than three days, but may not require an employee to find a replacement for the time the employee will be absent; and

WHEREAS, employees must be paid their normal hourly compensation or the minimum wage, whichever is greater, and must be allowed to carry over up to 40 hours of unused paid sick leave to the following year; and

WHEREAS, an employer is not required to provide financial or other reimbursement for accrued or unused paid sick time upon an employee's separation from employment; however, if an employee is rehired within 12 months of separation, previously accrued sick leave shall be reinstated and the previous period of employment shall be counted for purposes of determining an employee's eligibility to use paid sick leave; and

WHEREAS, an employer may not adopt or enforce any policy that counts the use of paid sick leave time as an absence that may lead to or result in discipline against the employee; and

WHEREAS, an employer may not discriminate or retaliate against an employee for exercising the right to use of paid sick leave; and

WHEREAS, an employer is not prevented from providing more generous paid sick leave policies or permitting use of paid sick leave for additional purposes; and

WHEREAS, The City of Seattle (City) enacted Chapter 14.16 of the Seattle Municipal Code, requiring paid sick and safe time for employees working in Seattle, and Chapter 14.16 should reflect the more generous workplace protections of the statewide requirements in Initiative Measure No. 1433; and

WHEREAS, the City has enacted Chapter 14.22 of the Seattle Municipal Code, requiring secure scheduling for employees working in Seattle, and Chapter 14.22 would benefit from clarification on employer coverage; and

WHEREAS, the City is a leader on wage, labor, and workforce practices that enhance equity, and liberally construing the protections afforded in Chapters 14.16 and 14.22 of the Seattle Municipal Code in favor of the employee shall accomplish the purposes of Seattle's labor standards ordinances; NOW, THEREFORE,

Further, the employee shall be entitled to use accrued paid sick and paid safe time and accrue additional sick and safe time immediately upon the re-commencement of employment, provided that the

M. When an employer quits, sells out, exchanges, or disposes the employer's business, or the employer's business is otherwise acquired by a successor, an employee shall retain all accrued paid sick and paid safe time and is entitled to use all paid sick and paid safe time as provided in this Chapter 14.16 for work scheduled within the geographic boundaries of the City for the successor employer.

N. Subject to terms and conditions established by the employer, the employer may, but is not required to, loan paid sick time and paid safe time to the employee in advance of accrual by such employee.

Section 5. Section 14.16.030 of the Seattle Municipal Code, last amended by Ordinance 124960, is amended as follows:

14.16.030 Use of paid sick time and paid safe time

A.

1. Paid sick time shall be provided to an employee by an employer. An employee is authorized to use paid sick time for the following reasons:

a. An absence resulting from an employee's mental or physical illness, injury, or health condition; to accommodate the employee's need for medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or an employee's need for preventive medical care; ~~((or))~~ and

b. To allow the employee to provide care of a family member with a mental or physical illness, injury, or health condition; care of a family member who needs medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or care of a family member who needs preventive medical care.

2. Paid safe time shall be provided to an employee by an employer. An employee is authorized

to use paid safe time for the following reasons:

a. When the employee's place of business has been closed by order of a public official, for any health-related reason, to limit exposure to an infectious agent, biological toxin, or hazardous material;

b. ~~((To accommodate the employee's need to care for a child whose school or place of care has been closed by order of a public official for such a reason;))~~ When the employee's child's school or place of care has been closed by order of a public official, for any health-related reason, to limit exposure to an infection agent, biological toxin, or hazardous material; ((or)) and

c. For any of the following reasons related to domestic violence, sexual assault, or stalking, as set out in RCW 49.76.030:

1) To enable the employee to seek legal or law enforcement assistance or remedies to ensure the health and safety of the employee or the employee's family or household members including, but not limited to, preparing for, or participating in, any civil or criminal legal proceeding related to or derived from domestic violence, sexual assault, or stalking;

2) To enable the employee to seek treatment by a health care provider for physical or mental injuries caused by domestic violence, sexual assault, or stalking, or to attend to health care treatment for a victim who is the employee's family or household member;

3) To enable the employee to obtain, or assist a family or household member in obtaining, services from a domestic violence shelter, rape crisis center, or other social services program for relief from domestic violence, sexual assault, or stalking;

4) To enable the employee to obtain, or assist a family or household member in obtaining, mental health counseling related to an incident of domestic violence, sexual assault, or stalking, in which the employee or the employee's family or household member was a victim of domestic violence, sexual assault, or stalking; or

5) To enable the employee to participate in safety planning, temporarily or

permanently relocate, or take other actions to increase the safety of the employee or employee's family or household members from future domestic violence, sexual assault, or stalking.

B. Paid sick time and paid safe time shall be provided upon the request of an employee. When possible, ~~((the))~~ an employee's request shall include the expected duration of the absence. An employer may require an employee to provide reasonable notice of an absence from work, and comply with the employer's usual and customary notice and procedural requirements for absences and/or requesting leave, provided that such requirements do not interfere with the purposes for which the ~~((leave))~~ the paid sick and paid safe time is needed.

1. If the paid leave is foreseeable, the employee must provide a written request ~~((shall be provided))~~ at least ten days, or as early as possible, in advance of the paid leave, unless the employer's normal notice policy requires less advance notice ~~((;))~~ .

2. If the paid leave is unforeseeable, the employee must provide notice as soon as is practicable and must generally comply with an employer's reasonable normal notification policies and/or call-in procedures, provided that such requirements do not interfere with the purposes for which the leave is needed.

C. For ~~((employees covered by the overtime requirements of state and federal laws,))~~ overtime eligible employees, accrued paid sick time and paid safe time shall be used in ~~((the smaller of))~~ hourly increments ~~((or, if feasible by the employer's payroll system, increments that round to the nearest quarter of an hour.))~~ or, if an employer's payroll system tracks compensation in increments of less than one hour, in the smallest increment in which compensation is tracked. ~~((When using quarter-hour increments, employers shall use an employee's available paid sick and paid safe time to round up or down to the nearest quarter hour if necessary to prevent an employer's absence control policy from counting paid sick or paid safe time covered under this Chapter 14.16 as an absence that may lead to or result in any adverse action taken against the employee.))~~ For overtime exempt employees, an employer may make deductions of paid sick time and paid safe time in accordance with state and federal laws. For overtime exempt public employees, paid sick time and paid safe time must be used

in accordance with a pay system established by statute, ordinance, or regulation, or by a policy or practice established pursuant to the principles of public accountability.

D. When the use of accrued time is foreseeable, the employee shall make a reasonable effort to schedule the use of paid sick time or paid safe time in a manner that does not unduly disrupt the operations of the employer.

E. For use of paid sick time of more than three consecutive days for a reason set out in subsection 14.16.030.A.1, an employer may require reasonable ~~((documentation))~~ verification that the employee's use of paid sick time is for an authorized purpose covered by subsection 14.16.030.A.1. If an employer requires reasonable verification, such verification must be provided to the employer within a reasonable time period during or after the leave. An employer's requirements for reasonable verification may not result in an unreasonable burden or expense on the employee and may not exceed privacy or verification requirements otherwise established by law.
