CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to land use and zoning; providing that transitional encampments for homeless individuals are allowed on any property owned or controlled by a religious organization without approval of a permit under the Seattle Land Use Code, to permit transitional encampments for homeless individuals as an interim use on all publicly owned or private property within the City of Seattle, and providing for renewal of temporary use permits for transitional encampments as a Type I decision of the Director of the Seattle Department of Construction and Inspections; amending Sections 23.40.002, 23.42.054, 23.42.056, 23.76.004, 23.76.006, 23.76.032, and 23.84A.038 of the Seattle Municipal Code; and amending Ordinance 124747.

WHEREAS, Seattle has been in a State of Civil Emergency on homelessness since 2015; and

WHEREAS, the 2019 Point in Time Count found there are 11,199 homeless people in King County including 5,228 sleeping unsheltered on the streets; and

WHEREAS, tiny house villages have proven to be an effective place for homeless individuals and families to find the safety, privacy, and human dignity necessary to get back on their feet and transition to affordable housing; and

WHEREAS, tiny houses provide the security of a sturdy wood structure, a place to store personal belongings, insulation, and electricity; and

WHEREAS, tiny house villages have operated with a self-management model where residents democratically run their communities; residents have reported this model has helped them overcome the isolation and alienation of homelessness, and residents have become more successful transitioning into permanent housing; and

WHEREAS, in 2018 residents of tiny house villages successfully transitioned to permanent housing at higher rates than residents of shelters, with 56 percent obtaining permanent housing or transitional housing; and

WHEREAS, between 2016 and 2018, approximately 500 people transitioned to permanent housing from Seattle's tiny house villages; and

WHEREAS, through the 2020 Adopted Budget the Council appropriated approximately \$2,015,000 to fund

operations and siting for two additional tiny house villages or enhanced shelter and approved Statement of Legislative Intent HOM-4-A-2, which requests cost estimate and siting information for tiny house villages; and

WHEREAS, the Council intends to consider in the future whether to increase or remove the limit on the maximum number of interim use transitional encampments based on changes in the population of unsheltered persons, available siting opportunities, funding availability, and the success of tiny house villages in exits to permanent housing; and

WHEREAS, Ordinance 124747, which established “Transitional Encampments as an interim use” in Seattle’s land use code in 2015, created the legal framework for Seattle’s tiny house villages, but allowed no more than three tiny house villages at any one time, and will sunset on March 31, 2020 if there is no further legislative action; NOW, THEREFORE,
