BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. A new 2021 LTGO Taxable Bond Fund (36810) is created in the City Treasury, into which the principal proceeds and any premium received from the sale and delivery of limited tax general obligation bonds in 2021 shall be deposited for the purpose of paying all or part of the costs of various elements of the City's capital improvement program and other City purposes approved by ordinance. The Fund shall receive earnings on its positive balances and pay interest on its negative balances. The Director of Finance is authorized to create other Accounts or Subaccounts as may be needed.

Section 2. The Director of Finance is authorized to make a non-revolving loan of up to \$50 million principal and interest outstanding from the Construction and Inspections Fund to the 2021 LTGO Taxable Bond Fund, created by Section 1 of this ordinance, to provide bridge financing for expenditures related to the West Seattle Bridge Immediate Response project (MC-TR-C110) that will be financed by authorized, taxable limited tax general obligation (LTGO) bond proceeds. The loan is to be repaid no later than December 31, 2021, with interest on the loan at the rate of return of the City's Consolidated Cash Pool. The entire principal and interest amount of the loan drawn is intended to be repaid with proceeds from the future sale of taxable LTGO bonds issued in 2021.

Section 3. The Director of Finance may effectuate the loan authorized in Section 2 of this ordinance by transferring cash from the Construction and Inspections Fund to the 2021 LTGO Taxable Bond Fund, or by carrying the 2021 LTGO Taxable Bond Fund in a negative cash position, in an amount not to exceed \$50 million until no later than December 31, 2021, or until repayment with proceeds from the sale of taxable LTGO bonds in 2021, whichever is earlier. The Director of Finance is further authorized to establish, and modify if necessary from time to time, a repayment plan and schedule.

Section 4. The Director of Finance is authorized to make a non-revolving loan of up to \$20 million principal and interest outstanding from the Real Estate Excise Tax (REET) II Capital Projects Fund (30020) to the 2021 LTGO Taxable Bond Fund, created by Section 1 of this ordinance, to provide bridge financing for expenditures related to the West Seattle Bridge Immediate Response project (MC-TR-C110) that will be financed by authorized, taxable limited tax general obligation (LTGO) bond proceeds. The loan is to be repaid no later than December 31, 2021, with interest on the loan at the rate of return of the City's Consolidated Cash Pool. The entire principal and interest amount of the loan drawn is intended to be repaid with proceeds from the future sale of taxable LTGO bonds issued in 2021.

Section 5. The Director of Finance may effectuate the loan authorized in Section 4 of this ordinance by transferring cash from the REET II Capital Projects Fund to the 2021 LTGO Taxable Bond Fund, or by carrying the 2021 LTGO Taxable Bond Fund in a negative cash position, in an amount not to exceed \$20 million until no later than December 31, 2021, or until repayment with proceeds from the sale of taxable LTGO bonds in 2021, whichever is earlier. The Director of Finance is further authorized to establish, and modify if necessary from time to time, a repayment plan and schedule.
