CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to the Traffic Code; amending Sections 11.14.277, 11.16.121, and 11.76.015 of, and adding a new Section 11.14.276 to, the Seattle Municipal Code to establish on-street paid parking rates for large events that are expected to draw at least 10,000 attendees.

WHEREAS, Section 11.16.121 of the Seattle Municipal Code (SMC) sets limits on parking rates at parking

payment devices and establishes policy objectives for the Director of Transportation to adjust parking

rates; and

WHEREAS, the City's Comprehensive Plan recognizes the importance of paid on-street parking to encourage vehicle turnover, customer access, and efficient allocation of parking among a diverse group of users; and

WHEREAS, SDOT currently manages an installed base of about 11,000 paid parking spaces in 20 business districts with over 30 parking areas with different hourly rates, maximum time limits, and hours of operation; and

WHEREAS, since 2010, with the passage of Ordinance 123462, the Seattle Department of Transportation's Performance-Based Parking Pricing Program has conducted regular paid parking studies and adjusted rates based on those data results as needed, in order to achieve the policy goal of one to two spaces available on each block face throughout the day in paid parking areas in downtown and neighborhood business districts; and

WHEREAS, since 2010, SDOT has made over 300 changes to parking area rates and hours of operation, based on data, and will likewise manage event rate pricing based on data; and

WHEREAS, subsection 11.16.121.C of the Seattle Municipal Code encourages an adequate amount of on-street parking availability for a variety of parking users, efficient use of off-street parking facilities, and enhanced use of transit and other transportation alternatives; and

WHEREAS, the Climate Pledge Arena is scheduled to open in the fall of 2021, and is eventually expected to have up to 250 large events per year with over 10,000 attendees; and

WHEREAS, given the significant number of attendees expected to attend large events at Climate Pledge Arena in comparison to the small number of on-street parking spots in the surrounding neighborhood, the Seattle Department of Transportation (SDOT) needs to increase the maximum hourly on-street parking rate during large events (referred to as "event rates") to ensure parking turnover consistent with SDOT's goals of parking turnover set forth at SMC 11.16.121.C; and

WHEREAS, SDOT and the Uptown community want to ensure some on-street parking access for businesses,

residents, and visitors in this neighborhood and prevent gridlock in Uptown during large events and one way to meet these goals is through adoption of event parking rates as set forth in this ordinance; ~~and WHEREAS, SDOT may eventually charge event rates in other areas around or near large stadiums or arenas if needed to meet its goals of parking turnover at SMC 11.16.121.C;~~ NOW, THEREFORE,
