**THE CITY OF SEATTLE**

**CHARTER AMENDMENT NUMBER 29**

City of Seattle proposed Charter Amendment No. 29 concerns actions to address homelessness and keep areas clear of encampments.

This measure would require the City to provide 2,000 housing units within one year; and, until 2028: waive land use regulations for units during declared emergencies; adopt homelessness policies; fund behavioral health and addiction treatment; dedicate minimum 12% of annual general fund revenue to homelessness and human services without affecting certain parks funding; implement diversion programs for law violations connected to poverty or behavioral health; and balance keeping public spaces clear of encampments with avoiding harm to

individuals.

Should this measure be enacted into law?
