CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to land use and zoning; updating regulations to allow virtual meetings for the Design Review program and other land use permit processes following the termination of the civil emergency proclaimed by the Mayor on March 3, 2020, and discontinuation of temporary modifications of procedures enacted in Ordinance 126188; amending Sections 23.41.008, 23.42.057, 23.76.011, 23.76.012, 23.76.015, 23.76.016, 23.76.024, 23.76.046, 23.76.052, and 23.84A.025 of the Seattle Municipal Code; and ratifying and confirming certain prior acts.

WHEREAS, a civil emergency related to public health proclaimed on March 3, 2020, affected the ability to hold in-person public meetings; and

WHEREAS, Ordinance 126188 enacted temporary modifications of procedures including those relating to holding public meetings using electronic communication methods; and

WHEREAS, those temporary code modifications will be repealed in 2022 and removed from the code; and

WHEREAS, the Seattle Department of Construction and Inspections determines that retaining the ability to hold certain kinds of public meetings using electronic communication tools as an option increases public participation, removes barriers to access, and increases collaboration; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. Intent. To allow ongoing review of permit applications during the COVID-19 civil emergency, the City passed Ordinance 126188 temporarily suspending or modifying certain procedures related to permit decisions in Seattle Municipal Code Titles 23 and 25, including those for public meetings. Temporary modifications and suspensions to certain procedures in Seattle Municipal Code Titles 23 and 25 made by Ordinance 126188 will be automatically repealed 60 days after the termination of the civil emergency without City Council action, according to Section 24 of Ordinance 126188. This ordinance is intended to allow electronic and virtual meeting attendance methods prospectively. The City intends to comply with the Open Public Meetings Act, chapter 42.30 RCW, for all applicable meetings required pursuant to Seattle Municipal Code Title 23.

Section 2. Section 23.41.008 of the Seattle Municipal Code, last amended by Ordinance 126509, is amended as follows:

23.41.008 Design Review general provisions

* * *

E. Meetings of the Design Review Board

1. Notice of Design Review Board meetings shall be given as described in subsection

23.76.015.C.

2. All meetings of the Design Review Board shall be held ~~((in the evening in a location that is accessible and conveniently located in the same design review district as the proposed project, except that the East Board may meet in either the East or Central Area district. Board meetings are open to the general public.))~~ virtually, in-person, or a combination of both as follows:

- a. A physical meeting venue option shall be provided for attendance of virtual meetings;
- b. Virtual meetings may be offered to supplement in-person meetings;
- c. If an emergency makes in-person meetings impracticable as declared by the Mayor, meetings shall be held virtually;
- d. In-person meetings shall be accessible; and
- e. All in-person or virtual meetings shall be open to the general public.

The actions of the Board are not quasi-judicial in nature.

3. Design Review Board meetings are limited to the maximum number described in Table B for 23.41.008.

Table B for 23.41.008 Maximum		
Type of design	Early design	Recommended design
Full design	2 ^{1,2}	1 ^{1,2}
Footnotes to Table B for 23.41.008 ¹ There is no limit to the number of Board meetings when: The project is for a lot in a neighborhood residential zone; The development proposal includes a Type IV or Type V described in Chapter 23.76; or Departures are requested, unless the project applicant elects the MHA per Sections 23.58B.050 or 23.58C.050. ² The Director may require additional Design Review Board meetings if the project is complex or the applicant requests it. 23.41.008.E.4.		

4. The Director may require additional Design Review Board meetings above the maximum established in subsection 23.41.008.E.3 if the Director determines the Design Review Board needs additional time for deliberation and evaluation of a project due to the size and complexity of the site or proposed development, the amount and content of public comment, an applicant's insufficient response to previous Board direction, or at the applicant's request. If the Design Review Board cannot complete a recommendation, it shall identify

reasons why another recommendation meeting is necessary.

Section 3. Section 23.42.057 of the Seattle Municipal Code, enacted by Ordinance 126287, is amended as follows:

23.42.057 Permanent supportive housing

Permanent supportive housing must meet the development standards for the zone in which it is located except as follows:

* * *

C. Community engagement and relations. The applicant shall submit a draft community relations plan in a form acceptable to the Director and the Director of the Office of Housing. The draft community relations plan shall describe the overall community engagement and communication strategy throughout the project's pre-development, design, construction, and operation phases. In addition to compliance with the draft community relations plan, the applicant must hold at least one community meeting in-person, or virtually in the event of an emergency that makes in-person meetings impracticable as declared by the Mayor. Virtual meetings may be offered to supplement in-person meetings. This meeting shall be exclusively about the project and the applicant must send notice of the meeting to neighbors at least within 500 feet of the site.

Section 4. Section 23.76.011 of the Seattle Municipal Code, last amended by Ordinance 125429, is amended as follows:

23.76.011 Notice of design guidance and planned community development process

* * *

C. For the required meeting for the preparation of priorities for a planned community development, and for a public meeting required for early design guidance, the time, date, location, virtual location if applicable, and purpose of the meeting shall be included with the mailed notice.

* * *

Section 5. Section 23.76.012 of the Seattle Municipal Code, last amended by Ordinance 125603, is amended as follows:

23.76.012 Notice of application

* * *

C. Contents of ~~((Notice.))~~ notice

1. The City's official notice of application is the notice placed in the Land Use Information Bulletin, which shall include the following required elements as specified in RCW 36.70B.110:
 - a. Date of application, date of notice of completion for the application, and the date of the notice of application;
 - b. A description of the proposed project action and a list of the project permits included in the application, including if applicable:
 - 1) ~~((a))~~ A list of any studies requested by the Director;
 - 2) ~~((a))~~ A statement that the project relies on the adoption of a Type V Council land use decision to amend the text of Title 23;
 - c. The identification of other permits not included in the application to the extent known by the Director;
 - d. The identification of existing environmental documents that evaluate the proposed project, and the location where the application and any studies can be reviewed;
 - e. A statement of the public comment period and the right of any person to comment on the application, request an extension of the comment period, receive notice of and participate in any hearings, and request a copy of the decision once made, and a statement of any administrative appeal rights;
 - f. The date, time, ~~((place))~~ location, virtual location if applicable, and type of hearing, if applicable and if scheduled at the date of notice of the application;
 - g. A statement of the preliminary determination, if one has been made at the time of

notice, of those development regulations that will be used for project mitigation and the proposed project's consistency with development regulations;

h. A statement that an advisory committee is to be formed as provided in Section 23.69.032, for notices of intent to file a Major Institution master plan application;

i. Any other information determined appropriate by the Director; and

j. The following additional information if the early review DNS process is used:

1) A statement that the early review DNS process is being used and the Director expects to issue a DNS for the proposal;

2) A statement that this is the only opportunity to comment on the environment impacts of the proposal;

3) A statement that the proposal may include mitigation measures under applicable codes, and the project review process may incorporate or require mitigation measures regardless of whether an EIS is prepared; and

4) A statement that a copy of the subsequent threshold determination for the proposal may be obtained upon written request.

2. All other forms of notice, including but not limited to large notice and land use signs, placards, and mailed notice, shall include the following information: the project description, location of the project, date of application, location where the complete application file may be reviewed, and a statement that persons who desire to submit comments on the application or who request notification of the decision may so inform the Director in writing within the comment period specified in subsection 23.76.012.D. ~~((of this Section 23.76.012.))~~ The Director may, but need not, include other information to the extent known at the time of notice of application. Except for the large notice sign, each notice shall also include a list of the land use decisions sought. The Director shall specify detailed requirements for large notice and land use signs.
