CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to land use and zoning; amending Section 23.76.006 of the Seattle Municipal Code to clarify that a land use decision to waive or modify structure width or setbacks for a youth service center, and integrated SEPA decisions, are Type II decisions that may be appealed to the City Hearing Examiner.

WHEREAS, in 2014, the Seattle City Council adopted Ordinance 124610, adding subsection 23.51A.004.B.6 to the Seattle Municipal Code and permitting youth service centers under certain circumstances. That regulation identifies a decision to waive or modify structure width or setbacks for a youth service center (“youth service center decision”) as a Type II land use decision; and

WHEREAS, as part of Ordinance 124610, the Council intended that any youth service center decision be subject to an open record administrative appeal to the Hearing Examiner; and

WHEREAS, the fiscal note and supporting letter to Ordinance 124610 suggested that youth service center decisions would be subject to an administrative appeal to the Hearing Examiner; and

WHEREAS, in Seattle Hearing Examiner Cause No. MUP-17-001, the Hearing Examiner found that she lacked jurisdiction to hear an administrative appeal of a youth service center decision because SMC 23.76.006.C.2 does not identify youth service center decisions as a Type II land use decision; and

WHEREAS, to clarify the Council’s intent and to correct the oversight when the Council mistakenly failed to make a conforming amendment to SMC 23.76.006.C.2, the Council wants to explicitly add youth service center decisions to the list of Type II decisions so they are clearly appealable to the Hearing

Examiner; and

WHEREAS, there is a current controversy whether the Hearing Examiner has jurisdiction over an appeal of a youth service center decision; and

WHEREAS, this ordinance is necessary to ensure that courts and other decision-makers understand the Council intended and continues to intend that youth service center decisions are Type II land use decisions subject to an open record appeal to the Hearing Examiner; and

WHEREAS, the Council intends that this curative ordinance shall apply retroactively to the effective date of Ordinance 124610, and in particular to any pending appeal of a youth service center decision filed after that effective date; NOW, THEREFORE,

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:
