In making such finding, the City Council has given consideration to the amount of the outstanding 2007 SCIDPDA Bonds, the fixed maturities of the 2007 SCIDPDA Bonds and of the portion of the 2017B Bonds allocated to their refunding, the allocable share of the costs of issuance of the 2017B Bonds, and the known earned income from the investment of the amounts deposited with the Refunding Trustee pending payment and redemption of the 2007 SCIDPDA Bonds. The City Council further finds that upon the legal defeasance of the 2007 SCIDPDA Bonds, the obligations, pledges, charges, trusts, covenants, and agreements of the City under the Bond Payment Guaranty Agreement entered into with respect to the 2007 SCIDPDA Bonds shall be discharged.

(b) Refinancing Agreement; Call for Redemption of the 2007 SCIDPDA Bonds. To provide for the loan of a portion of the 2017B Bonds to SCIDPDA to carry out the refunding of the 2007 SCIDPDA Bonds, and to provide for and secure the repayment of such loan, the Director of Finance is authorized and directed to execute the Refinancing Agreement and such other agreements or amendments, in form and substance acceptable to him, with SCIDPDA and such other parties as may be necessary or appropriate. The City further authorizes the Director of Finance and other City officials to take such actions as may be necessary on behalf of the City to cause SCIDPDA to call for redemption on August 1, 2017, all of the outstanding 2007 SCIDPDA

Bonds, in accordance with the Refinancing Agreement.

(c) SCIDPDA Refunding Trust Agreement. The Director of Finance is authorized and directed to execute the SCIDPDA Refunding Trust Agreement, in form and substance acceptable to him, with the Refunding Trustee, SCIDPDA and such other parties as may be necessary or appropriate to carry out the refunding of the 2007 SCIDPDA Bonds.

(d) SCIDPDA Refunding Plan. The following SCIDPDA Refunding Plan shall be set forth in the SCIDPDA Refunding Trust Agreement and shall provide substantially as follows, with such alterations as the Director of Finance deems necessary or appropriate:

(i) On the Issue Date, proceeds of the portion of the 2017B Bonds allocated to carrying out the refunding of the 2007 SCIDPDA Bonds shall be loaned to SCIDPDA pursuant to the Refinancing Agreement, and together with other money of SCIDPDA allocated to the refunding, shall be deposited with the Refunding Trustee in an amount sufficient to pay the principal of and accrued interest on the 2007 SCIDPDA Bonds on the date set for redemption in accordance with this SCIDPDA Refunding Plan.

(ii) The Refunding Trustee shall hold the amounts so deposited in a refunding trust account, and shall apply such money, together with other money held in that account, as set forth in the SCIDPDA Refunding Trust Agreement. The City finds that the sale of the UTGO Bonds to the UTGO Bond Purchaser at the interest rates and pursuant to the Bond Sale Terms set forth in the Omnibus Refunding Ordinance, this resolution, the Official Notice of Bond Sale attached as Exhibit B, and the bid information attached as Exhibit E (which includes a summary of the true interest cost associated with each bid and a printed version of all the electronic bids for the UTGO Bonds, including the electronic bid of the Purchaser), is in the City's best interest and therefore confirms, ratifies and approves the award of the UTGO Bonds to the UTGO Bond Purchaser.

Section 402. Approval of UTGO Bond Sale Terms. In accordance with Section 4 of the Omnibus Refunding Ordinance, the following Bond Sale Terms for the UTGO Bonds are approved:

(h) **Other Terms and Conditions.** The following terms and conditions, along with those additional Bond Sale Terms set forth in the Official Notice of Bond Sale, are ratified, confirmed and approved in all respects:

(i) The City Council finds that the issuance of the UTGO Bonds will not cause the indebtedness of the City to exceed the City's legal debt capacity on the Issue Date. The expected life of the capital facilities to be refinanced with the proceeds of the UTGO Bonds (as described in the Tax Certificate to be executed by the Director of Finance as of the Issue Date) will not exceed the maturity of the UTGO Bonds.

(ii) The Bond Sale Terms do not provide for any bond insurance or other credit enhancement, or for interest rate swaps, caps, floors or other similar hedging devices, at the expense or direction of the City.

Section 403. Use of UTGO Bond Proceeds. The proceeds of the sale of the UTGO Bonds shall be deposited immediately upon the receipt thereof with the Refunding Trustee and used to carry out the UTGO Refunding Plan, including discharging the obligations of the City relating to the UTGO Refunded Bonds under the UTGO Refunded Bond Legislation. The UTGO Refunding Plan shall be as set forth in the UTGO Refunding Trust Agreement and Section 404(d). The Director of Finance shall determine, in his sole discretion, whether the portion of the sale proceeds of the UTGO Bonds necessary for payment of costs of

issuance and administrative costs of the refunding shall be (i) deposited into a City fund, account or subaccount to be paid directly by the City, or (ii) deposited with the Refunding Trustee, who shall be directed to pay such costs as part of the UTGO Refunding Plan.

Section 404. Provisions for UTGO Refunding.

(a) Findings With Respect to Refunding. The City Council finds that the issuance of the UTGO Bonds at this time will effect a savings to the City and is in the best interest of the City and its taxpayers and in the public interest. In making such finding, the City Council has given consideration to the fixed maturities of the UTGO Bonds and the UTGO Refunded Bonds, the costs of issuance of the UTGO Bonds and the known earned income from the investment of the amounts deposited with the Refunding Trustee pending payment and redemption of the UTGO Refunded Bonds. The City Council further finds that the money to be deposited with the Refunding Trustee will discharge and satisfy the obligations, pledges, charges, trusts, covenants, and agreements of the City under the UTGO Refunded Bond Legislation, and that the UTGO Refunded Bonds shall no longer be deemed to be outstanding under the UTGO Refunded Bond Legislation immediately upon the deposit of such money with the Refunding Trustee.

(b) Designation of UTGO Refunded Bonds as Refundable Bonds; Call for Redemption of the UTGO Refunded Bonds. The Unlimited Tax General Obligation Refunding Bonds, 2007 of the City are hereby designated as “Refundable Bonds” for purposes of the Omnibus Refunding Bond Ordinance. The City authorizes the Director of Finance to call for redemption on the earliest date practicable for redemption in accordance with the UTGO Refunded Bonds Legislation, all of the UTGO Refunded Bonds at a price of 100% of the principal amount to be redeemed, plus accrued interest to the date set for redemption. Such call for redemption shall be irrevocable after the Issue Date. The date on which the UTGO Refunded Bonds are called for redemption is within the first period in which the UTGO Refunded Bonds may be called. The City authorizes and directs the Director of Finance to give or cause to be given such notices as required, at the times and in the manner required, pursuant to the UTGO Refunded Bond Legislation in order to effect the redemption prior to the maturity of the UTGO Refunded Bonds.

(c) UTGO Refunding Trust Agreement. The Director of Finance is authorized and directed to appoint the Refunding Trustee and to execute the UTGO Refunding Trust Agreement, in form and substance acceptable to him, consistent with Section 16(d) of the Omnibus Refunding Ordinance.

(d) UTGO Refunding Plan. The following UTGO Refunding Plan is approved substantially as follows, with such alterations as the Director of Finance deems necessary or appropriate:

(i) On the Issue Date, proceeds of the UTGO Bonds shall be deposited with the Refunding Trustee in an amount sufficient to pay the principal of and accrued interest on the UTGO Refunded Bonds on the redemption date, and to pay such costs of issuance or administrative costs of carrying out the UTGO Refunding Plan as are included as part of the UTGO Refunding

Plan.

(ii) The Refunding Trustee shall hold the amounts so deposited in a refunding trust account, and shall apply such money, together with other money held in that account, as set forth in the UTGO Refunding Trust Agreement. If so directed in the UTGO Refunding Trust Agreement, the Refunding Trustee shall apply the amounts so held to acquire the Acquired Obligations and shall hold the maturing principal of and interest thereon in the refunding trust account. All maturing principal of and interest on the Acquired Obligations (if any), together with all other money held in that account, shall be applied to the payment of the principal of and interest on the UTGO Refunded Bonds when due up to and including the date set for redemption.

(iii) On the date set for redemption of the UTGO Refunded Bonds, the Refunding Trustee shall call, pay and redeem all of the UTGO Refunded Bonds at a price equal to the principal amount to be redeemed, plus accrued interest to that date.
