#### CITY OF SEATTLE

ORDINANCE _	
COUNCIL BILL	

AN ORDINANCE related to the Traffic Code; amending Sections 11.14.113, 11.23.030, 11.23.120, 11.31.121, and 11.72.220 of the Seattle Municipal Code (SMC); and repealing Section 11.23.032 of the SMC. WHEREAS, the Seattle Department of Transportation (SDOT) authorizes permits, parking payment devices, and temporary no-parking reservations to manage public rights-of-way; and

WHEREAS, timely delivery of commercial goods and services supports a prosperous economy; and

- WHEREAS, the demand for curbside loading in Downtown Seattle and other business districts often exceeds available supply, and more dependable availability of load zones for commercial deliveries minimizes congestion; and
- WHEREAS, one identified problem at Commercial Vehicle Load Zones is that unauthorized, non-commercial vehicles sometimes use the zones for longer-term parking and the citation fine is relatively low compared to impacts on urban goods delivery; and
- WHEREAS, the SDOT Traffic Permits Counter is currently unable to meet customer service standards due to increased workload and requires additional staffing to improve processing times of permits and respond to customer inquiries; and
- WHEREAS, the workload and demands on the SDOT Commercial Vehicle Enforcement Unit have increased and require additional staffing to effectively address commercial vehicle-related mobility issues in increasingly congested areas of Seattle; NOW, THEREFORE,

#### BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:
