**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE THAT:**

Section 1. The City Council (“Council”) finds and declares:

A. In the exercise of The City of Seattle’s police powers, the City may pass regulations designed to protect and promote public peace, health, safety, and welfare.

B. On January 24, 2020, the Seattle Office of Emergency Management announced that the first reported case in Washington and in the United States of novel coronavirus (COVID-19) occurred in Snohomish County.

C. On February 28, 2020, Public Health - Seattle and King County announced the first King County and United States death due to COVID-19 at Evergreen Hospital in Kirkland, Washington.

D. On February 29, 2020, Washington Governor Jay Inslee declared a state of emergency in response to new cases of COVID-19, directing state agencies to use all resources necessary to prepare for and respond to the outbreak.

E. On March 3, 2020, Mayor Jenny Durkan issued a proclamation of civil emergency in response to new cases of COVID-19, authorizing the Mayor to exercise the emergency powers necessary for the protection of the public peace, safety, and welfare.

F. On March 11, 2020, Washington Governor Jay Inslee amended his emergency order to prohibit gatherings of 250 people or more for social, spiritual and recreational activities including, but not limited to, community, civic, public, leisure, faith-based, or sporting events; parades; concerts; festivals; conventions; fundraisers; and similar activities.

G. On March 13, 2020, Washington Governor Jay Inslee amended his emergency order closing all schools in King, Snohomish, and Pierce Counties through April 24, 2020 to apply statewide.

H. On March 13, 2020, the U.S. President declared that the COVID-19 outbreak constituted a national emergency.

I. On March 16, 2020, Washington Governor Jay Inslee mandated the immediate two-week closure of all restaurants, bars, and entertainment and recreational facilities and amended his emergency order to prohibit gatherings of 50 people or more.

J. On March 23, 2020, Washington Governor Jay Inslee announced a “Stay Home, Stay Healthy” order that required that all non-essential businesses be closed and banned all gatherings for two weeks, and on April 2, extended the order until May 4. On May 1, 2020, Governor Inslee extended that order until May 31.

K. The City of Seattle’s 2020 Budget was adopted in late 2019, before the impacts of the COVID-19 could be anticipated.

L. The impacts of the COVID-19 emergency include a severe local, state, national, and global economic recession, all of which impact the City’s revenue streams. As a result, it is necessary for the City to revisit and adjust the 2020 Budget to reflect the new economic reality.

M. Because of the long-lasting financial impacts of the COVID-19 public health emergency and the City’s response to it, the City will not have sufficient General Fund resources to meet the expectation of support to Seattle Parks and Recreation created by Ordinance 124468.

N. By reason of the findings set out above, this legislation is necessary in response to the COVID-19 public health emergency.

Section 2. The current global pandemic and associated exigent economic circumstances prevent the City Council from maintaining the minimum level of General Fund support to Seattle Parks and Recreation in 2020.

Adopted by a 3/4 vote of all the members of the City Council the \_\_\_\_\_ day of \_\_\_\_\_, 2020, and signed by me in open session in authentication of its adoption this \_\_\_\_\_ day of \_\_\_\_\_, 2020.
