CITY OF SEATTLE

ORDINANCE _____

COUNCIL BILL _____

AN ORDINANCE relating to land use regulation of home occupations; adopting interim regulations to allow home occupation businesses to operate with fewer limitations during the COVID-19 civil emergency, amending Seattle Municipal Code Section 23.42.050, and adopting a work plan.

BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:

Section 1. The City Council finds and declares that:

A. On February 29, 2020, Governor Inslee proclaimed a State of Emergency for all counties throughout the State of Washington as a result of the confirmed person-to-person spread of COVID-19 in Washington State.

B. The COVID-19 disease, caused by a coronavirus that spreads easily from person to person and which may cause serious injury and death, has spread throughout King County and the City of Seattle.

C. On March 3, 2020, Mayor Durkan issued a Proclamation of Civil Emergency declaring a civil emergency within the City of Seattle based on the confirmed spread of COVID-19 in King County and resulting deaths.

D. In recognition of the danger that hospitals may become overwhelmed with COVID-19 patients unless the spread of the disease is slowed, on March 23, 2020, Governor Inslee imposed a stay-home order throughout Washington State prohibiting all people in the State from leaving their homes or participating in gatherings with only limited exceptions for participating in essential activities or essential business services. While the order initially was for a term of two weeks, the Governor has issued subsequent orders limiting business and economic activity to prevent the further spread of the coronavirus and maintain hospital capacity

for people with severe cases of COVID-19.

E. Limitations on business and economic activity disproportionately impact small businesses, which are less likely to have financial reserves to withstand extended periods of closure or limited operations.

F. The changes in this ordinance are designed to allow small businesses, which may at one-time have operated out of a storefront or other commercially-leased location, to operate more easily out of a home. This is especially important given the length of time that the State shutdown order has been in place, because much in-person business activity continues to be limited.

G. Providing regulatory flexibility for home-based businesses, while maintaining some performance standards to mitigate neighborhood impacts associated with auto-oriented businesses, will keep more small businesses operating and speed the economic recovery once COVID-19 restrictions are lifted.

H. The City Council determines that the foregoing creates a basis for adopting interim regulations under RCW 36.70A.390 which authorizes adoption of the ordinance without a required pre-adoption public hearing and a SEPA threshold determination. Following the standard process would delay the proposed changes for several months. During that period, for the reasons discussed above, more small businesses may fail leading to increased unemployment. This would stymie the City's and region's recovery from the COVID-19 emergency.

I. The City has legal authority to establish interim measures pursuant to the authority granted by Article 11, Section 11 of the Washington Constitution, the Growth Management Act, RCW 36.70A.390, and *Matson v. Clark County*, 79 Wn. App. 641 (1995).

Section 2. Section 23.42.050 of the Seattle Municipal Code, last amended by Ordinance 126131, is amended as follows:

D. The occupation may be conducted within any legal principal or accessory dwelling unit or structure. Home occupations may be conducted by residents of a principal dwelling unit and/or an accessory dwelling unit. E. Parking of vehicles associated with the home occupation is permitted anywhere that parking is permitted on the lot.

[F. Reserved.] (~~To preserve the residential appearance of the dwelling unit, there shall be no evidence of the home occupation visible from the exterior of the structure, provided that:~~

J. A maximum of two passenger vehicles, vans and similar vehicles each not exceeding a gross vehicle weight of 10,000 pounds are permitted to operate in connection with the home occupation, independent of commercial deliveries and pickups as provided for in subsection 23.42.050.B.

K. The home occupation shall be conducted so that noise, odor, smoke, dust, light and glare, and electrical interference and other similar impacts are not detectable by sensory perception at or beyond the property line of the lot where the home occupation is located.

L. Notwithstanding the requirements of Table B of Section 23.54.015, while this ordinance is in effect, a home occupation may occupy a required parking space for home occupation business activity.

O. While this ordinance is in effect, an automotive retail sales and services home occupation shall not cause a substantial increase in on-street parking congestion or a substantial increase in traffic within the immediate vicinity.

P. Changes or modifications to a use, property, or structure made under the interim provisions of this ordinance do not establish an existing non-conformity to development standards or uses. After this ordinance is no longer in effect:

1. A property, use, or structure modified under this ordinance must be returned to conforming status; or

2. If a property, use, or structure was legally non-conforming prior to passage of this ordinance, the property, use or structure may be returned to its prior non-conforming status.

Section 3. Pursuant to RCW 36.70A.390, the Council will hold a public hearing within 60 days of adoption of this ordinance to take public testimony and consider adopting further findings.
