ARTICLE 4 - RIGHTS OF MANAGEMENT

- 4.1 Delivery of municipal services in the most efficient, effective and courteous manner is of paramount importance to the City and as such, maximized productivity is recognized to be an obligation of the parties to this Agreement. In order to achieve this goal, the parties hereby recognize the City's right to determine the methods, processes and means of providing municipal service, the right to increase, diminish, or change operations, in whole or in part, the right to increase, diminish or change municipal equipment, including the introduction of any and all new, improved or automated methods or equipment (including technology that allows citizens to directly complete non-emergency police reports online that are currently being completed by bargaining unit members), the assignment of employees to specific jobs within the bargaining unit, the right to temporarily assign employees to a specific job or position outside the bargaining unit, and the right to determine appropriate work out-of-class assignments.
- 4.2 The right to recruit; hire; assign; promote; discipline and discharge for just cause; improve efficiency; determine rules relating to acceptable employee conduct; determine the number of shifts and the number of personnel assigned to such shifts; and the location of department headquarters are examples of management prerogatives. It is also understood that the City retains its right to manage and operate its departments except as may be limited by an express provision of this Agreement.
- 4.2.1 Staffing Levels and Discretionary Time Off:
1. Management shall have the discretion to set and adjust minimum staffing levels to meet service needs.
 2. The "Rule of 3" governing discretionary time off shall be modified to allow for a proportional increase in the number of employees permitted to take discretionary time off when the number of filled operations floor positions increase.
 3. The proportional increase shall match the percentage increase in positions
 4. If the number of filled positions decreases, the "Rule of 3 or 4" shall be modified for a proportional decrease in the number of employees permitted to take discretionary time off.

Example:

- A. Initial staffing of Police Communications Dispatchers 1,2, and 3 assigned to the operations floor is 100 positions. If the City of Seattle increases the number of filled positions from 100 to 110 this would represent a 10%

increase in staffing.

- B. Management will increase the “Rule of 3” to the “Rule of 4” on 10% of the days in the year and subsequent years.
- C. Within 30 days management will provide the Guild with the list of days in which the “Rule of 3” was increased to the “Rule of 4.”
- D. Discretionary time off Pilot Project dated 11/15/2023. The Parties agree to work colabativly to review, amend and update the policy through the labor management committee. The Goal will be to finalize the process.

4.3 The City will make every effort to utilize its employees to perform all work, but the City reserves the right to contract out for work under the following guidelines: (1) required expertise is not available within the City work force, or (2) the occurrence of peak loads above the work force capability. Determination as to (1) or (2) above shall be made by the department head involved; provided, however, prior to approval by the department head involved to contract out work under this provision, the Union will be notified 30 days prior to the start of any new contract or as soon as the department is aware of the need to contract. This notification shall include:

- 1. A detailed justification for the proposed contracting;
- 2. A labor force analysis demonstrating why the current workforce cannot complete the work;
- 3. The location where the work will be performed;
- 4. A description of the work to be contracted;
- 5. The estimated duration and amount of the contract;
- 6. The intended start date; and
- 7. The date the work must be completed, if applicable.

The City will, during its budget process, review the use of contractors in the terms of nature of work, the duration, and the number of hours of contractor work being performed in conjunction with effected union(s). Based on the review, if the City and Union(s) determine(s) there is an ongoing need, the Parties will, in good faith, collaboratively determine whether the circumstances warrant the proposal of additional regular positions.

The Guild may grieve contracting out for work as described herein, if such contract involves work normally performed by employees covered by this Agreement.

ARTICLE 5 - GUILD ENGAGEMENT AND PAYROLL DEDUCTIONS

- 5.1 The City agrees that the Guild has the right to encourage all employees in the bargaining unit to become and remain members in good standing of the Guild and the Guild accepts its responsibility to fairly represent all employees in the bargaining unit regardless of membership status.
- 5.2 The City agrees to deduct from the paycheck of each employee, who has so authorized it, the regular initiation fee, regular monthly dues, assessments and other fees as certified by the Union. The amounts deducted shall be transmitted monthly to the Union on behalf of the employees involved. The performance of this function is recognized as a service to the Union by the City and The City shall honor the terms and conditions of each worker's Union payroll deduction authorization(s) for the purposes of dues deduction only. The Union agrees to indemnify and hold the Employer harmless from all claims, demands, suits or other forms of liability that arise against the Employer for deducting dues from Union members, including those that have communicated a desire to revoke a previous deduction authorization, along with all other issues related to the deduction of dues or fees.
- 5.3 The City will provide the Union access to all newly hired employees and/or persons entering the bargaining unit within thirty (30) days of such hire or entry into the bargaining unit. The Union and a shop steward/member leader will have at least thirty (30) minutes with such individuals during the employee's normal working hours and at their usual worksite or mutually agreed upon location.
- 5.4 The City will require all new employees to attend a New Employee Orientation (NEO). Within thirty (30) days of hire. The NEO will include an at-minimum thirty (30) minute presentation by a Union representative to all employees covered by a collective bargaining agreement. At least five (5) working days before the date of the NEO, the City shall provide the Union with a list of names of their bargaining unit attending the Orientation.
- 5.5 The individual Union meeting and NEO shall satisfy the City's requirement to provide a New Employee Orientation Union Presentation under Washington State law. The City of Seattle, including its officers, supervisors, managers and/or agents, shall remain neutral on the issue of whether any bargaining unit employee should join the Union or otherwise participate in Union activities at the City of Seattle.

Every effort will be made to end the deductions effective on the first payroll, and not later than the second payroll, after receipt by the City of confirmation from the union that the terms of the employee's authorization regarding dues deduction revocation have been met. The City will refer all employee inquiries or communications regarding union dues to the appropriate Union.

5.7.1 The City will notify the appropriate Union with New Hire information as soon as possible but no later than the first day of work. The City will supply the Union with the following information on a monthly basis for new employees:

- a) Name
- b) Home address
- c) Personal phone
- d) Personal email (if a member offers)
- e) Job classification and title
- f) Department and division
- g) Work location
- h) -Date of hire
- i) -Hourly or salary (FLSA) status
- j) -Compensation rate

Upon transition to Workday, the City agrees to notify the Union with new hire information (as enumerated above) no later than one work week after the employee's first day of work. ARTICLE 6 - LABOR-MANAGEMENT COMMITTEE, LABOR-MANAGEMENT
LEADERSHIP COMMITTEE AND EMPLOYEE INVOLVEMENT COMMITTEES

- 6.1 The City and the Guild agree to establish on an ad hoc basis a joint Labor-Management Committee consisting of three representatives named by the Guild, three representatives of the Department, and the Director of Labor Relations or their representative and an additional representative for either party on a case-by-case basis if both parties concur. The purpose of this Committee is to deal with matters of general concern to the Guild and the City, as opposed to individual complaints of employees; provided, however, it is understood that the Labor-Management Committee shall function in a consultative capacity and shall not be considered a decision-making body. Either the Guild or the City may initiate discussion of any subject of a general nature affecting employees covered by this Agreement.
- 6.2 The Labor-Management Committee shall meet monthly at the request of either party and at a time and place determined by the parties. Labor-Management Committee members shall be on on-duty status for up to a maximum of three (3) hours per month during such meetings. An agenda describing the issue(s) to be discussed shall be prepared by the initiating party and forwarded to the other party at least five (5) working days in advance of each meeting. Requests for such a meeting shall be made in writing by the Guild or the City Director of Labor Relations or their delegated representatives.
- 6.3 The Labor-Management Leadership Committee will be a forum for communication and cooperation between labor and management to support the delivery of high quality, cost-effective service to the citizens of Seattle while maintaining a high quality work environment for City employees.
- 6.4 Employment Security - Labor and management support continuing efforts to provide the best service delivery and the highest quality service in the most cost-effective manner to the citizens of Seattle. Critical to achieving this purpose is the involvement of employees in sharing information and creatively addressing workplace issues, including administrative and service delivery productivity, efficiency, quality controls, and customer service.

Labor and management agree that, in order to maximize participation and results from the Employee Involvement Committees (EIC), no one will lose employment or equivalent rate of pay with the City of Seattle because of efficiencies resulting from an EIC initiative.

In instances where the implementation of an EIC recommendation does result in the elimination of a position, management and labor will work together to find suitable alternative employment for the affected employee. An employee, who chooses not to participate in and/or accept a reasonable employment

offer, if qualified, will terminate their rights under this employment security provision.

This provision will extend only for the term of this Agreement, unless the parties mutually agree to extend this specific provision beyond the expiration of the Agreement.

- 6.5 Safety Committee - The Guild shall be notified in advance and included in any processes that are used by the department to determine employee membership on all departmental, divisional, and sectional Safety Committees. Union notification and engagement protocols will be facilitated through the joint Labor Management Committee.

The Department will form joint safety committees in accordance with WISHA requirements at each permanent work location where there are eleven (11) or more employees. Where there is need, safety committees may also be formed at division levels, and/or unit levels, however these shall not replace the departmental safety committee.

When a department is setting up safety committee elections, it will notify the unions represented at that location and each union shall have 14 days to respond with union appointed members proportionate to their representation at the location. Meetings will be conducted in accordance with WAC 296-800-13020. Committee recommendations will be forwarded to the appropriate Appointing Authority for review and action, as necessary. The Appointing Authority or designee will report follow-up action/information to the Safety Committee.

Ergonomic Assessment – At the request of the employee, the Employer will ensure that an ergonomic assessment of the employee’s workplace is completed in City facilities. Solutions to identified issues/concerns will be implemented within available resources.

Air Quality Assessment - Air quality concerns brought to the Safety Committee will be evaluated and processed in accordance with the safety committee section above.

Pandemic Health and Safety - The City will follow guidelines as set by the CDC and local Public Health entities with regard to any pandemic or disease outbreak.

ARTICLE 7 - WORK STOPPAGE

- 7.1 The City and the Guild agree that the public interest requires the efficient and uninterrupted performance of all City services, and to this end pledge their best efforts to avoid or eliminate any conduct contrary to this objective. During the term of this Agreement, the Guild and/or the employees covered by this Agreement shall not cause or engage in any work stoppage, strike, slowdown, or other interference with City functions. Employees covered by this Agreement who engage in any of the foregoing actions shall be subject to such disciplinary action as may be determined by the City, including but not limited to the recovery of any financial losses suffered by the City.

ARTICLE 8 - GRIEVANCE PROCEDURE

8.1.1 Any dispute between the City and the Guild or between the City and any employee covered by this Agreement concerning the interpretation, application, claim of breach or violation of the express terms of this Agreement shall be deemed a contract grievance. At any step prior to arbitration in the contract grievance procedure, the parties are encouraged to present for consideration all facts related to the grievance that are available or which become available during the process. As a means to settle a grievance, at any step in the grievance procedure the City may offer a monetary settlement as a full settlement of the subject grievance. If multiple grievants are involved in the dispute, each grievant will be permitted to individually make the choice of payment or continuing the grievance process. Any employee at any time may present their grievance to the employer and have such grievance settled without the intervention of the exclusive bargaining representative, as long as such representative has been given an opportunity to be present at that grievance hearing and to make its views known, and as long as the settlement is not inconsistent with the terms of a collective bargaining agreement then in effect. Provisions of this article shall be retroactive to January 1, 2012.

8.1.2 An employee has the right to have a Guild Representative present at each step of the grievance procedure. Such dispute shall be processed in accordance with this Article. For purposes of processing, grievances will be categorized in two ways: “Discipline Grievances” and “Contract Grievances”.

Discipline grievances cover the challenge to a suspension, demotion or termination identified by the City as disciplinary in nature. A discipline grievance may be initiated at Step 3, at the Guild’s option, and may include related claims regarding an interpretation or claim of breach or violation of the terms of this Agreement.

Step 1. The contract grievance shall be presented in writing by the employee or Guild Representative, to the Manager twenty (20) business days of the alleged contract violation. If the grievance is initiated by the employee, it will be the obligation of the employee to provide the Guild with a copy of the written grievance. The written grievance shall include identification of the Section(s) of the Agreement allegedly violated, the violation and the remedy sought. There shall be no change in the nature of any grievance and the basis shall not be expanded after the initial submission of the grievance in written form. The immediate supervisor shall answer the grievance in writing within ten (10) business days after receipt of the alleged contract grievance. If the grievance was filed by an employee, the Manager shall provide the Guild with a copy of the response to the grievance.

- Step 2. If the contract grievance is not resolved as provided in Step 1, the employee or Guild Representative shall forward the written contract grievance to the Deputy Chief with a copy to the City Director of Labor Relations within ten (10) business days after receipt of the Step 1 answer.

With Mediation:

At the time the aggrieved employee and/or the Guild submits the grievance to the Deputy Chief, the Guild or the aggrieved employee or the Deputy Chief may submit a written request for voluntary mediation assistance, with a copy to the Alternative Dispute Resolution (ADR) Coordinator, the City Director of Labor Relations and the Guild. If the Office of the Employee Ombud Coordinator determines that the case is in line with the protocols and procedures of the ADR process, within fifteen (15) business days from receipt of the request for voluntary mediation assistance, the ADR Coordinator or their designee will schedule a mediation conference and make the necessary arrangements for the selection of a mediator(s). The mediator(s) will serve as an impartial third party who will encourage and facilitate a resolution to the dispute. The mediation conference(s) will be confidential and will include the parties. A Guild Representative and a Labor Negotiator from City Labor Relations may attend the mediation conference(s). Other persons may attend with the permission of the mediator(s) and both parties. If the parties agree to settle the matter, the mediator(s) will assist in drafting a settlement agreement, which the parties shall sign. An executed copy of the settlement agreement shall be provided to the parties, with either a copy or a signed statement of the disposition of the grievance submitted to the City Director of Labor Relations and the Guild. The relevant terms of the settlement agreement shall be provided by the parties to the department's designated officials who need to assist in implementing the agreement. If the grievance is not settled within ten (10) business days of the initial mediation conference date, the City Director of Labor Relations, the Bureau Chief and the Guild shall be so informed by the ADR Coordinator.

The parties to a mediation shall have no power through a settlement agreement to add to, subtract from, alter, change, or modify the terms of the collective bargaining agreement or to create a precedent regarding the interpretation of the collective bargaining agreement or to apply the settlement agreement to any circumstance beyond the explicit dispute applicable to said settlement agreement.

If the grievance is not resolved through mediation, the Deputy Chief shall thereafter convene a meeting within ten (10) business days between the Guild Representative and aggrieved employee, together with the designated supervisor, the Section Manager and any other members of management whose presence is deemed necessary to a fair consideration of the alleged contract grievance. The City Director of Labor Relations or their designee may attend said meeting. The Deputy Chief shall give a written answer to the Guild and to the employee, if the grievance was initiated by the employee, within ten (10) business days after the contract grievance meeting.

Without Mediation:

The Deputy Chief shall convene a meeting within ten (10) business days after receipt of the grievance between the aggrieved employee, Shop Steward and/or Guild Representative, together with the Deputy Chief, and departmental labor relations officer. The City Director of Labor Relations or their designee may attend said meeting. Within ten (10) business days after the meeting, the Bureau Chief shall forward a reply to the Guild.

- Step 3. If the contract grievance is not resolved as provided in Step 2 above, the written contract grievance, as presented in Step 2, as well as a statement of the Guild's or employee's reason for nonacceptance of the Step 2 response, shall be forwarded by the Guild Representative or employee within ten (10) business days after receipt of the Step 2 answer to the City Director of Labor Relations with a copy to the Chief of CARE.

Discipline Grievances shall be submitted in writing by the Guild at Step 3 of the grievance process, within thirty (30) calendar days from the date of final action by the City. The Guild shall forward the Step 3 grievance to the Department's Human Resources Director and the City Director of Labor Relations with a copy to the Chief of CARE.

Mediation can be requested at Step 3 in the same manner as outlined in Step 2. The grievance must be filed in the time frame specified in Step 3 and responded to in the time frame specified in Step 3 after receipt of notification from the ADR Coordinator that the grievance was not resolved through mediation.

The Director of Labor Relations or designee shall investigate the alleged contract grievance. Either the Director of Labor Relations or the Guild may request a meeting at Step 3, in which case the

Director of Labor Relations or designee shall convene a meeting between the appropriate parties within ten (10) business days of receipt of the Step 3 grievance. He shall thereafter make a confidential recommendation to the Chief of CARE who shall, in turn, give the Guild and the employee, if the grievance was initiated by the employee, an answer in writing ten (10) business days after receipt of the contract grievance or the meeting between the parties.

- Step 4. If the contract grievance is not settled at Step 3, either the Guild or the Employer, but not the employee, may refer the grievance to arbitration. Referral to arbitration (PERC or AAA) must be made within twenty (20) business days after receipt of the decision in Step 3.

Mediation can be requested at Step 4 in the same manner as outlined in Step 2. The grievance must be submitted to binding arbitration within the time frame specified in Step 4 and processed within the time frame specified in Step 4 after receipt of notification form the ADR Coordinator that the grievance was not resolved in mediation.

Either the Guild or the Employer may request the Washington State Public Employment Relations Commission to supply both parties with a list of five (5) qualified arbitrators. If no agreement is reached between the Guild and the Employer relative to the choice of an arbitrator from that list within ten (10) business days after receipt of said list, or the initiating party opts to bypass a PERC list of arbitrators, the contract grievance shall be referred to the American Arbitration Association for arbitration to be conducted under its voluntary labor arbitration regulations. Referral to arbitration must be accompanied by the following information:

- a. Identification of Section(s) of Agreement allegedly violated.
- b. Details or nature of the alleged violation.
- c. Position of party who is referring the grievance to arbitration.
- d. Question(s) which the arbitrator is being asked to decide.
- e. Remedy sought.

If the initiating party fails to proceed with the process for the selection of an arbitrator and, as a result of inaction by the initiating party, an arbitrator is not selected within ninety (90) calendar days of the referral to arbitration, the referral to arbitration shall be deemed withdrawn.

The Guild and the Employer agree to abide by the award made in connection with any arbitrable difference. There will be no suspension of work, slowdown or curtailment of services while any difference is in process of adjustment or arbitration.

In connection with any arbitration proceeding held pursuant to this Agreement, it is understood as follows:

- I. The arbitrator shall have no power to tender a decision that will add to, subtract from, or alter, change, or modify the terms of this Agreement, and their power shall be limited to interpretation or application of the express terms of this Agreement, and all other matters shall be excluded from arbitration.
- II. The decision of the arbitrator shall be final, conclusive, and binding upon the City, the Guild, and the employees involved.
- III. The cost of the arbitrator shall be borne equally by the City and the Guild, and each party shall bear the cost of presenting its own case.
- IV. The arbitrator's decision shall be made in writing and shall be issued to the parties within thirty (30) calendar days after the case is submitted to the arbitrator.

- 8.2 Any time limits stipulated in the contract grievance procedure may be extended for stated periods of time by the appropriate parties by mutual agreement in writing.
- 8.3 A contract grievance in the interest of a majority of the employees in the bargaining unit shall be reduced to writing by the Guild and may be introduced at Step 3 of the contract grievance procedure and be processed within the time limits set forth herein.
- 8.4 As a means of facilitating settlement of a contract grievance, either party may include an additional member on its committee. If at any step in the contract grievance, management's answer in writing is unsatisfactory, the Guild's or employee's reason for non-acceptance must be presented in writing.
- 8.5 Employees covered by this Agreement shall follow all written and verbal directives even if such directives are allegedly in conflict with provisions of this Agreement. Disputes concerning conflicts between directives and the contract may subsequently be addressed through the grievance procedure.

8.6 Failure by an employee or the Guild to comply with any time limitations of the procedure in this Article shall constitute withdrawal of the grievance. Failure by the City to comply with any time limits shall result in the Guild being able to progress to the next step of the grievance procedure.

8.7 For the purposes of this Article, the date of receipt by the Guild of a grievance step reply from the City shall be defined as the date it was hand delivered to the Guild president, vice president or secretary-treasurer or the date signed for on a return receipt for certified mail delivered to the business office of the Guild.

8.8 Property Interest Discipline Grievance

A. The burden of proof in disciplinary procedures shall be upon the City.

B. Where an appointing authority or their designee imposes or intends to impose property level discipline a preliminary notice of discipline shall be given to the employee. This preliminary notice of discipline shall contain (a) charges; (b) general description of the alleged acts and/or conduct upon which the charge is based and (c) the penalty to be imposed. A copy of the preliminary notice of discipline shall be concurrently provided to the local Union office. Upon request of the Union, the City shall provide a complete copy of the investigation files in advance of any Loudermill hearing requested in advance of issuing the formal discipline. The Union may also request a meeting to review the investigation file with the City's investigator.

ARTICLE 9 - CLASSIFICATIONS AND RATES OF PAY

The provisions of the plan shall be further and more fully defined in the Plan Description issued by the Standard Insurance Company.

During the term of this Agreement, the City may, at its discretion change or eliminate the insurance carrier for any of the long-term disability benefits covered by this Section and provide an alternative plan either through self-insurance or another insurance carrier, however, the long-term disability benefit level shall remain substantially the same.

The maximum monthly premium cost to the City shall be no more than the monthly premium rates established for calendar year 2004, for the Base Plan, but not to exceed the maximum limitation on the City's premium obligation per calendar year as set forth within this Section.

- 12.5 Long-Term Care - The City may offer an option for employees to purchase a new long-term care benefit for themselves and certain family members.

ARTICLE 13 - ANNUAL VACATIONS AND SHIFT SELECTIONS

- 13.1 Annual vacations with pay shall be granted to eligible employees computed at the rate shown in Section 13.3 for each hour on regular pay status as shown on the payroll, but not to exceed eighty (80) hours per pay period.
- 13.2 "Regular pay status" is defined as regular straight-time hours of work plus paid time off such as vacation time, holiday time off and sick leave. At the discretion of the Employer, up to one hundred and sixty (160) hours per calendar year of unpaid leave of absence may be included as service for purposes of accruing vacation.
- 13.3 The vacation accrual rate shall be determined in accordance with the rates set forth in Column No. 1. Column No. 2 depicts the corresponding equivalent annual vacation for a regular full-time employee. Column No. 3 depicts the maximum number of vacation hours that can be accrued and accumulated by an employee at any time.
- 13.4 An employee who is eligible for vacation benefits shall accrue vacation from the date of entering City service or the date upon which the employee became eligible and may accumulate a vacation balance which shall never exceed at any time two (2) times the number of annual vacation hours for which the employee is currently eligible. Accrual and accumulation of vacation time shall cease at the time an employee's vacation balance reaches the maximum balance allowed and shall not resume until the employee's vacation balance is below the maximum allowed.
- 13.5 Employees may, with Employer approval, use accumulated vacation with pay after completing one thousand forty (1040) hours on regular pay status. Effective December 25, 2019, the requirement that the employee must complete one thousand forty (1040) hours on regular pay status prior to using vacation leave shall end.
- 13.6 In the event that the Employer cancels an employee's already scheduled and approved vacation leaving no time to reschedule such vacation before the employee's maximum balance will be reached, the employee's vacation balance will be permitted to exceed the allowable maximum, and the employee will continue to accrue vacation for a period of up to three months if such exception is approved by both the Chief of CARE and the Seattle Human Resources Director in order to allow rescheduling of the employee's vacation. In such cases the Chief of CARE shall provide the Seattle Human Resources Director with the circumstances and reasons leading to the need for such an extension. No extension of this grace period will be allowed.

- 13.7 "Service year" is defined as the period of time between an employee's date of hire and the one-year anniversary date of the employee's date of hire or the period of time between any two consecutive anniversaries of the employee's date of hire thereafter.
- 13.8 The minimum vacation allowance to be taken by an employee shall be one (15) minutes
- 13.9 An employee who separates shall be paid in a lump sum for any unused vacation the employee has accrued.

- 13.10 Upon the death of an employee in active service, pay shall be allowed for any vacation earned in the preceding year and in the current year and not taken prior to the death of such employee.
- 13.11 An employee granted an extended leave of absence which includes the next succeeding calendar year shall be paid in a lump sum for any unused vacation the employee has previously accrued or, at the Employer's option, the employee shall be required to exhaust such vacation time before being separated from the payroll.
- 13.12 Where an employee has exhausted their sick leave balance, the employee may use vacation for further leave for medical reasons only with prior approval of the Chief of CARE.
- 13.13 The Chief of CARE shall arrange vacation time for employees on such schedules as will least interfere with the functions of the department but which follow the procedures set forth in Section 13.14 to the greatest degree feasible. Any exceptions to the procedures set forth in Section 13.14 shall be case-by-case, based upon exceptional circumstances.
- 13.14 On November 1st of each year all employees will submit vacation requests by written request for the following year. Requests will be submitted to the Operations Deputy Chief or designee and under normal conditions will be returned to the employee approved or disapproved by December 1st of the same year for the following year. Each written request will consist of the following and be completed by the Deputy Chief or designee in the following order.

Step 1

Supervisor requests of at least ten (10) consecutive days or more of paid leave and/or furlough time for the first quarter of the following year will be considered first by written request.

Step 2

All other requests of at least ten (10) consecutive days or more of paid leave and/or furlough time for the first quarter of the following year will be considered by written request. DIIIs vacation requests will be approved under the Rule of Two (2) unless doing so creates a furlough mandatory assignment.

Step 3

Supervisor requests of five or more days of paid leave and/or furlough time for the first quarter of the following year will be considered by written request.

Step 4

Requests for time off, regardless of the length of time for the first quarter of the following year, will be addressed next by written request.

Step 5

Supervisor requests of at least ten (10) consecutive days or more of paid leave and/or furlough time for the 2nd through the 4th quarter of the following year, with the exception of requests that include the Christmas Holiday, will be considered first by written request.

Step 6

All other requests of at least ten (10) consecutive days or more of paid leave and/or furlough time for the 2nd through 4th quarter of the following year will be considered next by written request. DIII vacation requests will be approved under the Rule of 2 unless doing so creates a furlough mandatory assignment.

Step 7

Supervisor requests of five or more days of paid leave and/or furlough time for the 2nd through 4th quarter of the following year will be considered by written request.

Step 8

Requests for time off, regardless of length of time for the 2nd through 4th quarter of the following year will be considered next by written request.

Each step will start with the employee with the greatest section seniority and will continue through descending seniority.

Definition of Rule of Two (2): As a subset of the Rule of Three (3) (as detailed in Section 13.18), the Rule of Two (2) applies to Dispatcher IIIs and Supervisors. The Rule of 2 provides that a combination of at least two (2) employees per shift will be allowed to use discretionary time on days when minimum staffing is met unless it results in a mandatory furlough assignment.

Additional guidelines which apply:

- (1) A minimum of ten (10) consecutive calendar days constitutes a ten (10) day vacation. If when selecting these extended vacation periods, a day (or days) is not available because of minimum staffing requirements, a request will still be considered a valid ten- (10) day minimum request as long as every available day between the start and the end of the vacation period is scheduled with paid leave and/or furlough time.

For example, an employee selects July 1st through July 10th as their vacation period. Because of minimum staffing requirements, July 7th through July 10th are not available. As long as the employee uses furlough and/or paid leave for the remaining available days, the request is a valid ten- (10) day minimum request.

- (2) Requests for time off during either January/February/March or April-December periods received after the deadlines will be considered on a first-come, first-served basis.
- (3) Once time off is approved, it is the responsibility of the employee to have sufficient paid leave available to fulfill the time off request as it was approved. If the employee does not have sufficient paid leave to take the entire scheduled time off, said time off may be canceled at the discretion of the Director and said employee forfeits seniority rights to that time now available.
- (4) A request for time off which begins in one calendar year and extends into the following year will be considered as one request, with standing over January/February/March time off requests made in the subsequent year.
- (5) A request for time off which begins in January/February/March and extends into April will be considered as one request, with standing over April - December time off requests in the upcoming year.
- (6) Under normal circumstances vacation requests will be processed based on the employee's written request. If the employee would like in-person contact they must request such contact in writing. Absent a request for in-person contact the administration will contact the employee via e-mail, telephone, or in person.
- (7) Employees will be notified if any day of their ten (10) or more days of vacation is not available for the 2nd through the 4th quarter so the employee can make another selection of an available date. Prior to the vacation request submission process, the administration will solicit contact information from all employees, which employees shall furnish one or more ways that they can be contacted, if necessary, during the vacation selection process. Employees are required to respond to the administration's notification, which utilizes the contact information supplied by the employee, within 24 hours of the administration's attempt to contact them. Failure to respond within 24 hours will result in the employee forgoing their seniority-based pick.
- (8) All approved vacation will be properly notated on the front and back of the watch boards regardless of when the time off was approved. All time off notations will include the date of the request, the date authorized and the initials of the Supervisor who approved the request.

13.15 The City agrees to honor previously approved vacation and other paid leave when an employee’s promotion necessitates a change in schedule or when City-mandated schedule changes occur or for agreeable employees when the City asks for volunteers to change shifts/schedules.

13.16 If during the vacation granting process, a day(s) is not available, the employee shall be added to the Wait List as having priority for that day(s) should the time become available. Priority would be listed on a seniority basis, i.e., the most senior person wanting the day(s) would be marked as having “1st choice,” the next senior person “2nd choice,” etc.

- (1) If the employee is mandatorily assigned to another watch which has a “wait” list for the same day(s), they (or the employee) will be added to the “wait” list by seniority.
- (2) If the employee voluntarily switches to another watch which has a “wait” list for the same day(s), the other employee(s) on the list will prevail and the re-assigned employee will drop to the “last choice” position.
- (3) In the event a shift becomes unavailable for discretionary time-off due to minimum staffing, the administration shall maintain a wait list of no more than three employees who have requested that shift off.

This same system will be used after the vacation process is completed, however it will be on a first-come, first-served basis without regard to seniority. DIII, and Supervisor vacation requests will be approved under the Rule of 2 unless doing so creates a furlough mandatory assignment.

13.17 Shift Selection, definitions, procedures, shift trades and other issues.

A. Definitions

1. “Seniority” refers to tenure achieved based upon the length of civilian service of a Guild member in the CARE as provided by sections 19.6 and 19.7 of the collective bargaining agreement between the Guild and the City.
2. “Classification” refers to the job titles of Dispatcher I, II, III and Supervisor.
3. “Vacancy” refers to an authorized position or pocket number, which is not currently filled by an employee.
4. “Primary trained Dispatcher I” refers to a Dispatcher I who has satisfactorily completed a prescribed course of 911 call taker training.

5. “Radio trained Dispatcher I” refers to a Dispatcher I who has satisfactorily completed a prescribed course of radio dispatch training.
6. “Medically directed shift exemption” refers to a waiver granted an employee who is temporarily unable to work the hours of their assigned shift because of a temporary medical condition. An employee granted this waiver will be reassigned to a shift the hours of which meets their needs as prescribed by the documentation submitted by their attending physician to the Seattle Human Resource Section. All medically directed shift exemption requests will be reviewed by the Seattle CARE Human Resources Section prior to implementation by the Communications Director.
7. “Prolonged absence” refers to an extended absence on a shift created by an employee(s) taking sick leave, military leave, Family Medical Leave or other protected leave under City, State or Federal law; leave for an industrial injury, unpaid leave of absence or on a medically directed shift exemption.
8. “Subject to a reasonable extension by the Department” refers to unanticipated delays in the process in contacting employees or a police “unusual occurrence” outside the control of the CARE department. Delays because of other administrative issues including but not limited to promotion of an employee participating in shift selection, separations in service or transfers are not permitted.

B. Procedures

1. On September 1st of each year, the Deputy Chief or designee, will begin the shift selection process for the upcoming year for all bargaining unit classifications. This process will be completed by September 30th, subject to a reasonable extension at the request of the Department.
2. The shift selection process will be conducted in four (4) separate rounds. During the first round, the most senior dispatcher in each classification will select one shift, on one quarter, for the upcoming year, then each dispatcher in their respective classifications will, by descending seniority, make one selection for that round from the remaining shifts and quarters. This process will be repeated for the 2nd, 3rd, and 4th rounds, at which time all the positions for each classification will be filled. Personnel on leave during this time will be contacted in order of seniority for each round by the or designee.

3. Vacancies existing at the onset of the selection process will be given pre-assigned round selections by the Deputy Chief or designee for the upcoming year (ie. Q1, 2nd watch pick 1, Q2, 3rd watch pick 2, Q3 3rd watch pick 3). In selecting these shifts for the vacant positions, the Deputy Chief or designee will balance the needs of the Section (training, skill & experience levels, etc.) with the desires of the active employees.
4. The following special considerations will apply to Dispatcher I's during the shift selection process:
 - a. Only primary trained Dispatcher I's may select 1st Watch, 4th Watch and 5th Watch. Therefore, based on when their primary training is expected to be completed, the Deputy Chief or designee will determine in which quarter non-primary trained Dispatcher I's may begin selecting 1st, 4th, or 5th Watches. In addition, the Director reserves the right to assign all non-primary trained dispatchers to whichever watch necessary to equalize those numbers on the 2nd and 3rd Watches. Individual preferences will be considered when making these assignments. To clarify: for example, if a new dispatcher will not be primary trained until the end of the 2nd Quarter, the Deputy Chief or designee will select the shifts to be assigned for the first two quarters (their first and second round picks), and the new dispatcher will be allowed to select by their seniority in the 3rd and 4th quarters (during the third and fourth rounds).
 - b. While specific positions for radio trained Dispatcher I's will not be designated on each watch, the Director reserves the right to make any assignment adjustments necessary to provide radio trained Dispatcher I's with adequate training time on radio and to maintain a reasonable balance of skill on each watch.
5. Employees promoted during the shift selection process will begin their selections from the current round forward from the date of promotion. The promoted employee will be assigned shifts to vacancies using the pre-assigned round selections by the Deputy Chief or designee (per section 13.17 B (3)).
6. All employees will go through the shift selection process under the terms of the collective bargaining agreement including those employees who may be scheduled to separate from service at some point after the shift selection process has begun or has been completed. However, "pending new hires" (applicants who have received an offer or employment but have not yet reported for their first day of work) shall not participate in shift selection until their official start date, and then with regard to their seniority, and in order with where the ongoing shift selection process is on that date. Shift selection for other employees shall

not be stalled, modified, delayed or altered in any way to accommodate new hires or pending new hires. Newly hired employee shall be considered eligible at 0700 hours on their hire date (first day of work).

C. Shift Trades

1. On October 1st or after the shift selection process has been completed, the Deputy Chief or designee will post a draft of the shift assignments for the upcoming year. At this time, anyone interested in a trade of shifts must submit a memo to the Deputy Chief or designee, stating the quarter and shift they were assigned and the shift they would like to have for that quarter should it become available. Trades among Dispatcher I's must be between persons of equal skill levels unless otherwise approved by the Director. All requests for shift trades will be posted on a list in the Deputy Chief or designee's office by quarter, shift, classification and Section seniority. These initial requests for shift trades must be submitted within 10 days after the draft of the shift assignments has been posted. Trades that can be made will be completed and the final shift assignment schedule for the upcoming year will be posted. Thereafter, any additional trade requests submitted will be posted on the same list, in order of receipt, without regard to seniority.
2. Mirror Image Trade Exception: In addition to the above trade procedure, trades between dispatchers and between supervisors of equal skill levels may be made for the same shifts for different quarters. Such trades must be requested by memo to the Deputy Chief or designee either immediately after the draft of the shift assignment schedule is posted or anytime during the year.

Example: Draft shift assignment schedule

	<u>1st Qtr</u>	<u>2nd Qtr</u>	<u>3rd Qtr</u>	<u>4th Qtr</u>
Dispatcher A	2 nd Watch	3 rd Watch	3 rd Watch	1 st Watch
Dispatcher B	1 st Watch	3 rd Watch	4 th Watch	2 nd Watch

Dispatchers A and B, under this section may request to trade their 1st and 2nd Watches during the 1st and 4th quarters. This type of trade or exchange would be allowed outside the regular trade process since neither dispatcher gains any new watches or preference advantage, but only the ability to trade with certain fellow dispatchers between quarters.

3. All shift trades must be approved by the Director prior to implementation.

4. Once shift trades have been completed and prior to vacation requests being submitted on November 1st, the Deputy Chief or designee will assign furlough pay backs and furlough lines for the following year. Employees have until November 15th to request discretionary time for furlough pay backs.

D. Other Issues

1. Whenever a promotion is made to the Dispatcher II, or III, the newly promoted employee will assume the shift schedule of the person they are replacing, provided:
 - a. When a promotion occurs within a quarter, the promoted employee will fill the vacated position's shift assignment for the remainder of that quarter.
 - b. If the promotion occurs in the 4th quarter the promoted employee can freeze two (2) quarters of their choice, once placed in the vacancy, during the new year.
 - c. If two (2) or three (3) full quarters are left in the year, the promoted employee can freeze one (1) quarter of their choice.
 - d. If only one (1) full quarter is left in the year, the promoted employee will fill the vacated position's shift assignment.
 - e. Any quarters not frozen by the promoted employee under sections (b) or (c) are available to current employees within those classifications, provided they have a trade request on record prior to the effective date of the promotion and are senior to the newly promoted employee and/or any others desiring the shift(s) in question. This "bumping" procedure is separate from the trade procedure previously listed under C. Shift Trades.
2. Whenever unanticipated vacancies, including prolonged absences, occur on any watch, overtime or promotion will be used to fulfill staffing needs. Provided, when vacancies/absences within a classification (Dispatcher I, II or Dispatcher III classifications combined) on a shift exceed one (1), the Director may transfer employees to correct the shortage within the respective classification. To clarify: For example, a shift could have vacant Dispatcher I, II and III positions; a total of three (3) vacancies. These vacancies would not cause an involuntary transfer of personnel. However, if a second Dispatcher II vacancy occurred, the Director could involuntarily transfer a Dispatcher II from another shift to fill this second vacancy. In a like application, if a second Dispatcher III vacancy occurred, the Director could involuntarily transfer a

Dispatcher III from another shift to fill the second vacancy.

- a. To correct staffing shortages beyond the above thresholds, the Director will first seek volunteers to transfer to the shift in question.
 - b. If involuntary transfers become necessary, those selected for involuntary transfer will be the least senior employees in the required classification who have not worked and are not scheduled to work the shift in question during the calendar year. In the event that all eligible employees have worked or are scheduled to work the shift in question, the least senior of the group will be assigned a second assignment on the shift. In similar applications, if all had worked or were scheduled to work the shift twice or three times, then the least senior of the group would be assigned a third or fourth tour on the shift.
 - c. Prior to implementation, the Director will notify the Guild in writing of the reasons for involuntary transfers and the names of the employees affected.
3. For employees who use a medically directed shift exemption:
During the four quarters following the expiration of the exemption, the Director will reassign the employee to the shift they were originally exempted from up to the amount of time the exemption was active, provided: the reassignment will be used to (1) fill a vacancy/absence or (2) facilitate a shift trade request made pursuant to section C.1 above. If neither of these conditions applies, the employee will not be reassigned.
4. Any circumstance that may occur regarding mandatory topics related to shift selection, shift assignment and/or trading of shifts which is not specifically covered by this agreement will cause bargaining to commence to determine the proper action to be taken to remedy the situation.
5. Employees may request to transfer into a vacancy on their own shift for the purpose of changing furlough lines for any given quarter at the discretion of the Director of Communications. All requests will be made after the annual vacation selection process has been completed for the following year. If additional requests are submitted throughout the year they will be considered after the initial requests. Section seniority will be used for identical requests.

13.18 The rule of three allows a combination of at least three employees of the D1, D2, and/or D3 classifications per shift to use discretionary time on any available day. The rule of 3 will be granted with at least 60 hours of notice even if it will create mandatory overtime. The rule of three will be granted with any prior notice if it will not require a mandatory overtime assignment.

1. Discretionary time taken during furlough paybacks described in 10.1 will not count toward the rule of 3 threshold.
2. Available days do not include July 4th, Seafair Torchlight Parade, Halloween (when Halloween falls on Friday – Sunday) and New Year's Eve during the hours of 1500-0300 hours on each of these days, which are considered "no-days."
3. The Manager has the discretion to grant time off for exceptional circumstances on "no days" on a case by case basis.
4. The rule of three applies to Dispatcher 3's unless doing so creates overtime at the Radio Supervisor. Dispatcher II's trained as Dispatcher III's, Dispatcher III's, and Supervisors may be granted time off for any shift where minimum staffing is met when they are able to secure a volunteer of appropriate classification to work their shift. The employee who volunteers to cover a shift under this provision shall be responsible for the shift as if they were originally assigned to such shift. The agreement to cover the shift must be tentatively approved by the scheduling supervisor or designee, with final approval by Communications Center management or designee. An employee's failure to fulfill their obligations under the shift trade may result in discipline. Each employee covered by the provisions on this section may utilize this option for no more than thirty-two (32) hours per calendar quarter.

13.19 More than three employees per shift may be granted discretionary time off, if doing so does not place the shift below the minimum staffing level. When calculating the minimum staffing level for this purpose, only regularly assigned shift personnel are counted. If overtime is used to staff the shift one over the minimum staffing level, additional discretionary time off (beyond the rule of 3) should not be granted.

ARTICLE 14 - SICK LEAVE, FUNERAL LEAVE AND EMERGENCY LEAVE

14.1 Sick Leave - Regular employees shall accumulate sick leave credit at the rate of .046 hours for each hour on regular pay status as shown on the payroll, but not to exceed forty (40) hours per week. If an employee's overall accrual rate falls below the accrual rate required by Chapter 14.16 (Paid Sick and Safe Time Law), the employee shall be credited with sick leave hours so that the employee's total sick leave earned per calendar year meets the minimum accrual requirements of Chapter 14.16. New employees entering City service shall not be entitled to use sick leave with pay during the first thirty (30) days of employment but shall accrue sick leave credits during such thirty (30) day period. An employee is authorized to use paid sick leave for hours that the employee was scheduled to have worked for the following reasons:

1. An absence resulting from an employee's mental or physical illness, injury, or health condition; to accommodate the employee's need for medical diagnosis, care, treatment of a mental or physical illness, injury, or health condition, or preventive care; or as otherwise required by SMC Chapter 14.16 and other applicable laws such as RCW 49.46.210; or
2. To allow the employee to provide care for an eligible family member as defined by Seattle Municipal Code Chapter 4.24.005 with a mental or physical illness, injury, or health condition; or care for a family member who needs preventative medical care, or as otherwise required by SMC Chapter 14.16 and other applicable laws such as RCW 49.46.210; or
3. When the employee's place of business has been closed by order of a public official for any health-related reason, or when an employee's child's school or place of care has been closed for such reason, or as otherwise required by Chapter 14.16 and other applicable laws such as RCW 49.46.210.
5. Absences that qualify for leave under the Domestic Violence Leave Act, chapter 49.76 RCW.
6. The non-medical care of a newborn child of the employee or the employee's spouse or domestic partner; or
7. The non-medical care of a dependent child placed with the employee or the employee's spouse or domestic partner for purposes of adoption, including any time away from work prior to or following placement of the child to satisfy legal or regulatory requirements for the adoption.

Sick leave used for the purposes contemplated by Article 14.1, paragraphs 5 and 6 (above) must end before the first anniversary of the child's birth or placement.

- 14.1.1 Abuse of paid sick leave or use of paid sick leave not for an authorized purpose result in denial of sick leave payment and/or discipline up to and including dismissal. The City agrees to abide by Ordinance 123698, as amended, which is incorporated herein by reference.
- 14.1.2 Unlimited sick leave credit may be accumulated.
- 14.1.3 Employees covered by this Agreement shall either receive a cash payment or cash out sick leave upon retirement into a VEBA trust fund, as designated by the Guild on an annual basis, to pay health insurance premiums or other legally authorized healthcare costs for eligible future retirees and dependents at the following rates:
 - A. Accumulated sick leave hours between 0 and 400 shall be cashed out at 25% if the Guild designates cash payment and at 35% if the Guild designates cash payment into a VEBA trust fund, per terms of Appendix B;
 - B. Accumulated sick leave hours between 401 and 800 shall be cashed out at 50%;
 - C. Accumulated sick leave hours above 800 shall be cashed out at 75%.

14.3.1 1. ACTIVE VEBA

Contributions from Employee Wages (all regular employees who are part of the bargaining unit)

Each bargaining unit will conduct a vote for all regular employees, as defined in the City's employer personnel manual, to determine whether to participate in a Health Reimbursement Account (HRA) Voluntary Employee Benefits Association (VEBA) for active employees to participate in an Active VEBA. Once they begin participating in the VEBA, employees may file claims for eligible expenses as provided under the terms of the VEBA.

If the bargaining unit votes to require VEBA contributions from employee wages, then all members of the bargaining unit will, as elected by the bargaining unit as to all of its members, make a mandatory employee contribution of one of the amounts listed below into the VEBA while employed by the City:

- 1. \$25 per month, or
- 2. \$50 per month

2. ALLOCATION OF RESPONSIBILITY

The City assumes no responsibility for the tax or other consequences of any VEBA contributions made by or on behalf of any member for either the active or post-retirement options. - 15.1.1 Whenever an employee is injured on the job and compelled to seek immediate medical treatment, the employee shall be compensated in full for the remaining part of the day of injury without effect to their sick leave or vacation account. Scheduled workdays falling within only the first three (3) calendar days following the day of injury shall be compensable through accrued sick leave. Any earned vacation or other paid leave may be used in a like manner after sick leave is exhausted, provided that, if neither accrued sick leave nor accrued vacation or other paid leave is available, the employee shall be placed on no pay status for these three (3) days. If the period of disability equals or extends beyond fourteen (14) calendar days, then (1) any accrued sick leave, vacation, or other paid leave utilized due to absence from their regular duties as provided for in this section shall be reinstated and the employee shall be paid in accordance with Section 15.1 which provides payment at the eighty percent (80%) rate or (2) if no sick leave, vacation, or other paid leave was available to the employee at that time, then the employee shall thereafter be compensated for the three (3) calendar days at the eighty percent (80%) compensation rate described in Section 15.1.
- 15.1.2 In no circumstances will the amount paid under these provisions exceed an employee's gross pay minus mandatory deductions. This provision shall become effective when SMC 4.44 - Disability Compensation is revised to incorporate this limit.
- 15.1.3 Employees must meet standards listed in SMC 4.44.020 to be eligible for the benefit amount provided herein which exceeds the rate required to be paid by state law, hereinafter referred to as supplemental benefits. These standards require that employees: (1) comply with all Department of Labor and Industries rules and regulations and related City of Seattle and employing department policies and procedures; (2) respond, be available for and attend medical appointments and treatments and meetings related to rehabilitation, and work hardening, conditioning or other treatment arranged by the City and authorized by the attending physician; (3) accept modified or alternative duty assigned by supervisors when released to perform such duty by the attending physician; (4) attend all meetings scheduled by the City of Seattle Industrial Insurance Unit or employing department concerning the employee's status or

The City will provide a copy of the eligibility requirements to employees when they file a workers' compensation claim. If records indicate two (2) no-shows, supplemental benefits may be terminated no sooner than seven (7) days after notification to the employee. The City's action is subject to the grievance procedure.

- 15.2 Such compensation shall be authorized by the Seattle Human Resources Director or their designee with the advice of such employee's department head on request from the employee supported by satisfactory evidence of medical treatment of the illness or injury giving rise to such employee's claim for compensation under SMC 4.44, as now or hereinafter amended.
- 15.3 Compensation for holidays and earned vacation falling within a period of absence due to such disability shall be at the normal rate of pay but such days shall not be considered as regularly scheduled workdays as applied to the time limitations set forth within Section 15.1. Disabled employees affected by the provisions of SMC 4.44 shall continue to accrue vacation and sick leave as though actively employed during the period set forth within Section 15.1.
- 15.4 Any employee eligible for the benefits provided by this Ordinance whose disability prevents the employee from performing their regular duties but, in the judgment of their physician could perform duties of a less strenuous nature, shall be employed at their normal rate of pay in such other suitable duties as the department head shall direct, with the approval of such employee's physician until the Seattle Human Resources Director requests closure of such employee's claim pursuant to SMC 4.44, as now or hereinafter amended.
- 15.5 Sick leave shall not be used for any disability herein described except as allowed in Section 15.1.1.
- 15.6 The afore-referenced disability compensation shall be understood to be in lieu of State Industrial Insurance Compensation and Medical Aid.

- 17.2 In establishing new and/or revising existing performance standards, the City shall, prior to implementation, place said changes on an agenda of the Labor-Management Committee for discussion.
- 17.3 The City also agrees that performance standards shall be reasonable.

ARTICLE 18 - GUILD REPRESENTATIVES

- 18.1 The Guild's representative may, after notifying the City official in charge, visit the work location of employees covered by this Agreement at any reasonable time for the purpose of investigating grievances. Such representative shall limit their activities during such investigations to matters relating to this Agreement. City work hours shall not be used by employees and/or the Guild Representative for the conduct of Guild business or the promotion of Guild affairs other than stated above.
- 18.2 The Guild may appoint a Shop Steward in the City department affected by this Agreement. Immediately after appointment of its Shop Steward(s), the Guild shall furnish the Seattle Human Resources Office and the affected Department(s) with a list of those employees who have been designated as Shop Stewards, and failure to do so will result in non-recognition by the City of the appointed Shop Stewards. Such list shall also be updated as needed. Stewards shall be employees covered by this Agreement and shall perform their regular duties as such but shall function as the Guild representative on the job solely to inform the Guild of any alleged violations of this Agreement and process grievances relating thereto. The Steward shall be allowed reasonable time, at the discretion of the City, to process contract grievances during regular working hours.
- 18.3 Shop Stewards shall not be discriminated against for making a complaint or giving evidence with respect to an alleged violation of any provision of this Agreement, but under no circumstances shall Stewards interfere with orders of the employer or change working conditions.
- 18.4 GUILD LEAVE - Upon sufficient notification by the Guild President or their designee, the Employer shall grant Guild members a special leave of absence with pay to attend to official Guild business to the extent that such leave does not interfere with the reasonable needs of the Communications Center. Said absences - excluding time spent in contract negotiations - shall not exceed twenty (20) workdays in any contract year. The Guild shall reimburse the Employer for the hourly rate of pay for such time said Guild members spend on special leave of absence; and such reimbursement shall be due quarterly.
- 18.5 The parties to this agreement recognize the value to both the Guild and the City of having employees express their perspective(s) as part of the negotiations process. Therefore, employees who participate in bargaining as part of the Guild's bargaining team during the respective employee's work hours shall remain on paid status, without the Guild having to reimburse the City for the cost of their time, PROVIDED the following conditions are met:

- 18.6 Bargaining preparation and meetings of the Guild's bargaining team other than actual negotiations shall not be applicable to this provision, or eligible for an overtime exemption under Section 10.5.1.B6 (n).
- 18.7 No more than an aggregate of one hundred fifty (150) hours of paid time for the negotiation sessions resulting in a labor agreement, including any associated overtime costs, shall be authorized under this provision, unless both Parties agree to an expansion of the aggregate hours due to circumstances related to a specific bargaining cycle. No more than one (1) Guild representative shall be released to attend negotiation sessions at the Coalition ("large table") level on City time. No more than two (2) Guild representatives shall be allowed to attend individual bargaining unit negotiations related to Coalition ("small table") bargaining. If the Guild does not participate in Coalition negotiations, the Guild shall be allowed to include three (3) Guild representatives in negotiation sessions on City time.
- 18.8 If the Guild includes more than the number of representatives listed in Section 18.5.B, per negotiation session as members of the Guild's bargaining team during the respective employee's work hours or the aggregate of one hundred fifty (150) hours (or other amount agreed upon by the Parties) is exceeded, the Guild shall reimburse the City for the cost of said employee(s) time, including any associated overtime costs.
- 18.9 This provision shall automatically become null and void with the expiration of the collective bargaining agreement, shall not constitute the status quo, and shall not become a part of any successor agreement unless it is explicitly renegotiated by the parties.

Upon written request, a regular employee elected or appointed to a Union office that requires all of their time will be given a leave of absence without pay from work, not to exceed one (1) year, with approval of the appointing authority based on the business needs of the department. The appointing authority will respond to such requests in writing within fourteen (14) calendar days. Should the appointing authority reject a request for Union Leave, the written response will include an explanation of the business need for the denial. Requests for Union Leave will not be unreasonably denied.

Leave may not be approved for more than one (1) employee at a time per Department. To be eligible for union leave under this provision, the employee must not currently be serving a probation or trial service.

A regular employee designated by the Union to serve on official union business that requires a part of their time will be given a leave of absence without pay from work, provided it can be done without detriment to City services and at least forty-eight (48) hours written notice is given to the Director. The employee will not suffer a loss of bargaining unit seniority rights and will accumulate the same during such leave.

The parties agree that at the City's sole discretion, the leave may be terminated in the event of layoff. The City will provide one month notice before recalling an employee. The parties further agree that the City may at its sole discretion hire term limited temporary employees to backfill for the absent employee.

- (1) Either party may request that grievances submitted to arbitration be subjected to a confidential Peer Review by a committee of peers from management or labor, respectively, in which case the timelines of the grievance procedure will be held in abeyance pending the completion of the Peer Review process; and
- (2) Either party may make an Offer of Settlement to encourage settlement of a grievance in advance of a scheduled arbitration hearing, with the potential consequence that the party refusing to accept an Offer of Settlement may be required to bear all of the costs of arbitration, excluding attorney and witness fees, contrary to Section 8.1.2, Step 4, III, of Article 8.

The parties may mutually agree to alter, amend or eliminate these procedures by executing a revised Memorandum of Agreement.

19.2 Personnel Files - The City acknowledges its obligations under all laws, SPD policy, and City of Seattle Personnel Rules governing access to and contents of personnel files. Employees covered by this Agreement shall have access to their personnel files, including any and all records filed in the employment, and supervisor file components, their medical file and training file. Employees may examine these files in the presence of a supervisor or Human Resources representative. Background investigation information is not accessible to the employee. An employee may request a copy of any document in their personnel file. Employees who challenge material included in their personnel file are permitted to have material inserted relating to the challenge through the Director of CARE Department Human Resources.

The City agrees that the contents of personnel files, including the personal photograph, shall, to the extent permitted by law, be kept confidential. The City shall make reasonable efforts that are consistent with applicable law to restrict the disclosure of confidential employee information in the files (which does not include name, payroll title, unit of assignment, rate of pay, and date of hire) to internal use by the City. In addition, to the extent consistent with applicable law, the City shall not release such information outside the City without reasonable advance notice to, or a waiver signed by, the subject employee, unless providing such notice or obtaining a waiver is impractical.

Investigation Files - Employee access to internal investigation files shall be governed by departmental regulations, and the provisions of Section 19.3.2 of this Agreement.

- 19.2.1 The City will promptly notify an employee upon receipt of a public disclosure request for confidential information in the employee's personnel file. Consistent with applicable law, unless impracticable, the Employer will also provide at least seventy-two (72) hours' notice to the Employee before releasing any requested documents and will allow the employee and the Guild an opportunity to legally object to unwarranted disclosures.
- 19.2.1.1 Written reprimands and written oral reprimands may be purged from an employee's file following two (2) years from the date of issuance upon written request of the employee and in the discretion of the Chief of CARE or designee, subject to the limitations set forth in Article 19.3.2, below.
- 19.3 The parties agree that discipline is a management function, and that the Department may institute a disciplinary procedure. The parties further agree that in their respective roles primary emphasis shall be placed on preventing situations requiring disciplinary actions through effective employee/management relations. The primary objective of discipline shall be to correct and rehabilitate, not to punish or penalize.

So much of said procedure that relates to the right of an employee to a hearing and the mechanics thereof are outlined in this Article; provided, however, that it is understood that if deemed appropriate by the Chief of the Department, discipline or discharge may be implemented immediately consistent with the employee's constitutional rights. Disciplinary action shall be for just cause.

To this end, in order of increasing severity, the disciplinary actions that the City may take against an employee include:

- A. Oral reprimand;
- B. Written reprimand;
- C. Suspension;
- D. Demotion; or
- E. Termination.

- 19.3.1 Which disciplinary action is taken depends upon the circumstances, including the seriousness of the employee's misconduct.
- 19.3.2 Provided that an employee has received no further or additional discipline in the intervening period, a verbal warning or written reprimand may not be used for progressive discipline after two years other than to show notice of any rule or policy at issue, unless disallowed by an entity with oversight authority over the Seattle CARE Department , or by Section 19.3.3, below.

- 19.3.3 Discipline that arises as a result of a violation of workplace policies or City Personnel Rules regarding harassment, discrimination, retaliation, or workplace violence, shall not be subject to Section 19.2.1.1. and/or Section 19.3.2 above.
- 19.4 An employee covered by this agreement must, upon initiating objections relating to disciplinary action, use either the grievance procedure contained herein or pertinent procedures regarding disciplinary appeals to the Civil Service Commission. Under no circumstances may an employee use both the contract grievance procedure and the Civil Service Commission procedures relative to the same disciplinary action.
- 19.5 If there are dual filings with the grievance procedure and the Civil Service Commission, the City will send a notice of such dual filings by certified mail to the employee(s) and the Union. The Union will notify the City within fifteen calendar days from receipt of the notice if it will use the grievance procedure. If no such notice is received by the City, the contractual grievance shall be deemed to be withdrawn.
- 19.6 An employee may request access to the investigative portion of closed Internal Investigations and Communications Section complaint files in which the employee was an accused. Such a request shall be made in writing fully stating the reasons such access is desired. The Internal Investigations Section or the Communications Section shall consider the circumstances and not unreasonably deny such access.
- 19.7 The employee shall not be subjected to any profane language nor threatened with dismissal, transfer or other disciplinary punishment as guise to obtain the resignation of said employee nor shall the employee be subjected to intimidation in any manner during the process of interview. No promises or rewards shall be made to the said employee as an inducement to answer questions.
- 19.8 All interviews shall be limited in scope in activities, circumstances, events, conduct or actions which pertain to the incident which is the subject of the investigation. Nothing in this section shall prohibit the Employer from questioning the employee about information, which is developed during the course of the interview, or relates to the credibility of any witness.
- 19.9 No employee shall be requested or required to submit to a polygraph test or to answer questions for which the employee might otherwise properly invoke the protection of constitutional amendment against self-incrimination. Nor shall this employee be dismissed for or shall any other penalty be imposed upon the employee solely for failure to submit to a polygraph test or to answer questions for which the employee might otherwise invoke the protection of any constitutional amendment against self-incrimination; and provided further that this provision shall not apply to either the initial application for employment or to employees who are seeking promotion.

If the proposed discipline includes suspension, transfer, demotion or discharge, the City shall also notify the employee of the employee's right to a due process hearing before the Chief. Such notice shall be given in a reasonable period of time prior to the due process hearing, taking into consideration the severity of the charges, the status of the employee, the complexity of the case, and the level of the proposed discipline. The employee, the City, and the Guild shall cooperate in the setting of a hearing date.
- B. When the City provides the employee with the notice described in the previous paragraph, the Guild shall additionally be provided with the City's disciplinary investigation, including access to any physical evidence for examination and testing. The bulletin board space provided shall not be used for notices or other documents that promote or oppose a ballot issue or assist a candidate for public office. However, notices involving internal Guild politics and/or Guild elections are permitted to be posted in the provided space. All material posted shall be officially identified as belonging to the Seattle Dispatchers' Guild.
- 19.20.1 Ethics and Elections Commission - Nothing contained in this Agreement shall prohibit the Seattle Ethics and Elections Commission from administering the Code of Ethics: including, but not limited to, the authority to impose monetary fines for violations of the Code of Ethics. Such fines are not discipline under this Agreement; and, as such, are not subject to the grievance procedure contained within this Agreement. Records of any fines imposed or monetary settlements shall not be included in the employee's personnel file. Fines imposed by the Commission shall be subject to appeal on the record to Seattle Municipal Court.

In the event the Employer acts on a recommendation by the Commission to discipline an employee, the employee's contractual rights to contest such discipline shall apply. No record of the disciplinary recommendations by the Commission shall be placed in the employee's personnel file unless such discipline is upheld or unchallenged.

19.21 Meal Reimbursement while on Travel Status - An employee shall be reimbursed for meals while on travel status at the federal per diem rate. An employee will not be required to submit receipts for meals and may retain any unspent portion of an advance cash allowance for meals.

19.22 Alternative Dispute Resolution (ADR) – The City and the Guild encourage the use of the City's Alternative Dispute Resolution Program or other alternative dispute resolution processes to resolve non-contractual workplace conflicts/disputes. Participation in an ADR process is voluntary.

19.23 Notice of all proposed changes to mandatory subjects of bargaining will be provided in writing to the Guild.

19.24 Sick Leave Donation Program

Shared Sick Leave Pool - The City will standardized the current sick leave transfer ("donation") program across all City departments through the following actions:

Standardization of:

- Forms
- Processing templates
- FAQs
- Interdepartmental donation of sick leave
- Anonymizing sick leave requests for potential recipients
- Anonymizing sick leave donations from contributors

1. The intent of the program is to create a mandatory and uniform system that will function across departments as the established protocol for all sick leave donation requests and donations. The City agrees to perform this standardization using a Labor-Management Committee ("LMC") meeting, which will work in consultation with appropriate subject matter experts ("SMEs"), including but not limited to Seattle Human Resources, FAS Citywide Payroll and Business Systems, ITD HRIS and Race and Social Justice SMEs. The City further agrees to convene the LMC no later than 90 days from execution of this Agreement and to meet no less than monthly on the standardization process beginning in the month following the initial convening of the LMC.

2. A Coalition Labor-Management Committee (LMC) will be established for the purpose of proposing rules and procedures for a new program. The LMC will be to develop consistent, transparent and equitable proposals for processes across all departments within the City. The LMC shall also explore proposals to lower the minimum leave bank required to donate sick leave and permit donation of sick leave upon separation from the City. The LMC must consult with the Office of Civil Rights to ensure compliance with the City's Race and Social Justice Initiative. Once the LMC has developed its list of proposals, the City and Coalition of City Unions agrees to reopen each contract on this subject.
3. The Parties agree to reopen negotiations within sixty (60) days after ratification of the Agreement to discuss promotional and hiring guideline for Emergency Communications Analyst (ECA) positions.
4. Employees assigned by management to perform bilingual, interpretive and/or translation services for the City shall receive a \$200.00 per month premium pay. The City shall ensure employees providing language access services are independently evaluated and approved. The City may review the assignment annually and may terminate the assignment at any time.

ARTICLE 20 - PROBATIONARY PERIOD AND TRIAL SERVICE PERIOD

20.1 The following shall define terms used in this Article:

Probationary Period - A twelve (12) month period of employment following an employee's initial regular appointment to a position in the classified service.

Regular Appointment - The authorized appointment of an individual to a position in the Civil Service.

Trial Service Period/Regular Subsequent Appointment - A twelve (12) month trial period of employment of a regular employee beginning with the effective date of: (a) a subsequent, regular promotion or transfer from one classification to a different classification in which the employee has not successfully completed a probationary or trial service period; or (b) rehire from a Reinstatement Recall List to a department other than that from which the employee was laid off.

Regular Employee - An employee who has successfully completed a twelve (12) month probationary period and has had no subsequent break in service as occasioned by quit, resignation, discharge for just cause, or retirement.

Revert - To return an employee who has not successfully completed their trial service period to a vacant position in the same class and former department (if applicable) from which they were appointed.

Reversion Recall List - If no such vacancy exists to which the employee may revert, they will be removed from the payroll and their name placed on a Reversion Recall List for the class/department from which they were removed.

20.2 Probationary Period/Status of Employee - Employees who are initially appointed to a position shall serve a probationary period of twelve (12) months.

A. The probationary period shall provide the department with the opportunity to observe a new employee's work, to train and aid the new employee in adjustment to the position, and to terminate any employee whose work performance fails to meet the required standards.

B. An employee shall become regular after having completed their probationary period unless the individual is dismissed under provisions of Section 20.3 and 20.3A below.

20.3 Probationary Period/Dismissal - An employee may be dismissed during their probationary period after having been given written notice five (5) working days prior to the effective date of dismissal. However, if the department believes the best interest of the City requires the immediate dismissal of the probationary employee, written notice of only one (1) full working day prior to the effective date of the dismissal shall be required. The reasons for the dismissal shall be filed with the Director of Seattle Human Resources and a copy sent to the Union.

A. An employee dismissed during their probationary period shall not have the right to appeal the dismissal. When proper advance notice of the dismissal is not given, the employee may enter an appeal (for payment of up to five (5) days' salary), which the employee would have otherwise received had proper notice been given. If such a claim is sustained, the employee shall be entitled to the appropriate payment of salary but shall not be entitled to reinstatement.

20.4 Trial Service Period - An employee who has satisfactorily completed their probationary period and who is subsequently promoted or transferred to a position in another classification shall serve a twelve (12) month trial service period, in accordance with Section 20.1.

A. The trial service period shall provide the department with the opportunity to observe the employee's work and to train and aid the employee in adjustment to the position, and to revert such an employee whose work performance fails to meet required standards.

B. Prior to expiration of the twelve (12) month trial service period, and subject to approval by the Seattle Human Resources Director, an employee's trial service period may be extended up to three (3) additional months by written, mutual agreement between the department, the employee and the bargaining unit.

C. An employee who has been promoted or transferred from one classification to another classification within the same or different department and who fails to satisfactorily complete the trial service period shall be reverted to a vacant position within that department and classification from which they were appointed.

D. Where no such vacancy exists, an employee shall be given written notice fifteen (15) calendar days prior to being placed on a Reversion Recall List for their former department and former classification and being removed from the payroll. Their name shall remain on the list for one (1) year.

E. Employees who have been reverted or placed on a Reversion Recall List during the trial service period shall not have the right to appeal either action.

- F. If a vacancy is to be filled in a department and a valid Reversion Recall List for that classification exists, eligible employees for that classification and from that department shall be reinstated in order of their length of service in that classification. The employee who has the most service in that classification shall be the first reinstated.
- G. An employee whose name is on a valid Reversion Recall List for a specific job classification who accepts employment with the City in that same job classification shall have their name removed from the Reversion Recall List. Refusal to accept placement from a Reversion Recall List to a position the same, or essentially the same, as that which the employee previously held shall cause an employee's name to be removed from the Reversion Recall List, which shall terminate rights to reemployment under this Reversion Recall List provision.
- H. A reverted employee shall be paid at the step of the range that they normally would have received had they not been promoted or transferred.

20.5 Subsequent Appointments During Probationary Period or Trial Service Period -

If a probationary employee is subsequently appointed in the same classification from one department to another, the receiving department may, with approval of the Seattle Human Resources Director, require that a complete twelve (12) month probationary period be served in that department. If a regular employee or an employee who is serving a trial service period is subsequently appointed in the same classification from one department to another, the receiving department may, with the approval of the Seattle Human Resources Director, require that a twelve (12) month trial service period be served in that department.

- A. If a probationary employee is subsequently appointed to a different classification in the same or different department, the employee shall serve a complete twelve (12) month probationary period in the new classification. If a regular employee is subsequently appointed to a different classification in the same or different department, the employee shall serve a complete twelve (12) month trial service period in the new classification.
- B. Within the same department, if a regular employee is appointed to a higher classification while serving in a trial service period, the trial service period for the lower classification and the new trial service period for the higher classification shall overlap provided that the higher and lower classifications are in the same or a closely related field. The employee shall complete the terms of the original trial service period and be given regular status in the lower classification. Such employee shall also be granted the rights normally accruing to trial service for the remainder of the trial service period in the higher classification.

C. Within the same department, if a probationary employee is regularly appointed to a higher classification while serving in a probationary period, the probationary period and the new trial service period for the higher classification shall overlap provided the higher and the lower classifications are in the same or a closely related field. The employee shall complete the term of the original probationary period and be given regular standing in the lower class. Such employee shall also be granted the rights normally accruing to trial service for the remainder of the trial service period in the higher classification.

20.6 The probationary period shall be equivalent to twelve (12) months of service following regular appointment. Occasional absences due to illness, vacations, jury duty, and military leaves shall not result in an extension of the probationary period, but upon approval of the Seattle Human Resources Director, an employee's probationary period may be extended so as to include the equivalent of a full twelve (12) months of actual service where there are numerous absences.

20.7 Nothing in this Article shall be construed as being in conflict with provisions of Article 21.

ARTICLE 21 – LAYOFF

- 21.1 In the event of layoff, affected bargaining unit members will be laid off in accordance with the Personnel Rules of the City, except as described in this Article.
- 21.2 The least-senior regular employee in the Emergency Communications Analyst or the Systems Analyst class in the CARE Department who is laid off or is displaced pursuant to the immediately preceding paragraph may displace the employee having the least seniority in a class of the Communications Dispatcher (“Dispatcher”) class series when (1) the displacing employee has had prior service as a regular or probationary employee in such class, and (2) the employee to be sequentially displaced has less service in the class than the displacing employee.
- 21.3 The above provisions for employee transfers to avoid layoff from the Police Communications Analyst or the Systems Analyst class in the Communications Section shall be subject to the following limitations:
- A. No regular employee in the Emergency Communications Analyst or the Systems Analyst class, in order to avoid layoff, shall displace another employee, including employees in the Dispatcher class series, unless the displacing employee possesses the skills necessary to perform the duties of the position held by the employee to be displaced.
 - B. Upon written showing by the appointing authority and approval of the Seattle Human Resources Director that the displacing employee does not possess the skills required to perform the duties of the position held by the least senior employee in the highest class of the Dispatcher class series in which the displacing employee has prior service, the Seattle Human Resources Director may authorize the displacing employee to displace:
 - (1) The next least senior employee, continuing in sequential order as necessary until the position held by a less senior employee is reached where the Director determines that the displacing employee has the required skills to immediately perform the duties of the position; or in the event no such position is found:
 - (2) The least senior employee in a lower class of the Dispatcher class series, where the Seattle Human Resources Director determines that the displacing employee has the required skills to immediately perform the duties of the position.

C. Employees in the Emergency Communications Analyst or the Systems Analyst classes in the CARE Department shall not accrue service credit for layoff purposes in the Dispatcher class series, except in the event of subsequent layoff from a position in the Dispatcher class series, as provided by Personnel Rule 6.2. .

21.4 Nothing in this Article shall be construed as recognizing the Emergency Communications Analyst and the Systems Analyst in the CARE Department as being part of the Dispatcher class series.

ARTICLE 22 - SAVINGS CLAUSE

- 22.1 If an article of this Agreement or any addenda thereto should be held invalid by operation of law or by any tribunal of competent jurisdiction, or if compliance with or enforcement of any article should be restrained by such tribunal, the remainder of this Agreement and addenda shall not be affected thereby, and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such article.
- 22.2 If the City Charter is modified during the term of this agreement and any modifications thereof conflict with an express provision of this Agreement, the City and/or the Guild may reopen, at any time, for negotiations of the provisions so affected.

ARTICLE 23 – CITY WIDE COMMITEES

- 23.1 SPFML Top-Up - Employees receiving SPFML may use any of their accrued paid and/or granted leave (“leave”) to supplement the SPFML benefit payment, up to 100% of their weekly salary paid by the City of Seattle. The use of such leave to augment the SPFML benefit shall be called “supplemental leave pay.” Use of Leave by an employee to supplement SPFML is strictly voluntary. The City cannot require an employee to use accrued Leave to supplement SPFML benefits.

For instances in which that date has passed, employees can submit time sheet correction requests to add the use of supplemental leave, as defined above. No time sheet corrections or reactivity shall be applied to any date or SPFML prior to the execution of this Agreement.
- D. The use of supplemental leave to “top-up” an employee’s SPFML benefit shall not exceed the amount of accrued and/or granted leave the employee has available in their balances.
- E. - F. An employee must have already accrued the paid/granted leave they seek to use for the pay period in which they seek to use it.
- G. It is the employee’s responsibility for determining whether they have the accrued/ and or granted leave they seek to use in a given pay period to supplement the SPFML.

- 23.2 Citywide Health and Safety Committee – The Employer and the Coalition of City Unions (“CCU”) shall form a City-wide health and safety committee. The Parties further agree that both the Director of Human Resources or designee(s), equal numbers of management and labor representatives and up to six (6) members of department Change Teams will be members of the IBB negotiation team. Upon completion of IBB, the Parties may agree by mutual consent to reopen this Agreement to incorporate agreed upon language. The Parties acknowledge that any new or modified language developed in IBB may need parameter approval from the LRPC and adoption by the Seattle City Council in order to be enforceable.
- 23.4 Dependent Care Task Force - The City and the Coalition of City Unions recognize a common interest in supporting employees by increasing access to safe, affordable, and quality dependent care services.

To meet this interest, the Parties will convene a joint Task Force to study options for a possible child and dependent care benefit program, including the possibility of a multi-employer dependent care voucher program. The joint Task Force shall be made up of equal numbers of labor representatives and representatives of the City.

The Task Force assessment should include an analysis of the need for dependent care by City employees, affordability, quality, location of child and adult care providers, and the administrative infrastructure needed to oversee the program. The assessment should also include an analysis of the costs and benefits of a dependent care benefit program and possible revenue sources such as the potential excess Health Insurance Rate Stabilization Fund. By mutual agreement, the Task Force may consult with outside experts to help with the assessment.

The Task Force shall provide a written report, with its analysis and recommendations, no later than end of year 2024.

- 24.3 Telecommuting is recognized by the City and its employees as a practical, feasible and durable work alternative when it benefits the City of Seattle in one (1) or more of the following ways:
- A. Maintains and enhances the delivery and resilience of City services;
 - B. Improves employee effectiveness, productivity and morale;
 - C. Maximizes utilization of City of Seattle office facilities;
 - D. Reduces absenteeism;

The City and the bargaining unit member will evaluate the feasibility of a request through an interactive process consistent with Personnel Rule 9.2 - Telecommuting. The City will consider all information provided by the bargaining unit member, including but not limited to health and safety, childcare, elder care and other family care, equity and transportation needs when making a decision on whether to grant a request.

Denied telecommuting agreement requests will be reported to the Union. The bargaining unit member will have the opportunity to request a reconsideration of a denial to the Appointing Authority or designee.

Changes to Agreed Telecommuting Agreements – Bargaining unit members approved for telecommuting acknowledge and recognize that business and/or employee needs arise that may necessitate a temporary deviation from an approved telecommuting agreement. MEMORANDUM OF AGREEMENT by and between THE CITY OF SEATTLE and the SIGNATORY UNIONS

LABOR-MANAGEMENT HEALTH CARE COMMITTEE

This Memorandum of Agreement (hereinafter, "MOA"), describes the processes and time frames agreed to between the City and the signatory Unions governing the medical, dental and vision, life, long term disability, long term care and employee assistance program benefits for all benefits-eligible employees represented by Unions that are a party to this MOA, including the changes thereto and premiums established through the Labor-Management Health Care Committee (hereinafter "Committee") in accordance with the provisions contained herein.

I. CONTRACTUAL PROVISIONS

Each Union that is a party to this MOA shall adopt and incorporate as part of their applicable Collective Bargaining Agreement, a provision that authorizes the Labor-Management Health Care Committee to govern benefit plans for all benefits-eligible employees represented by said Union, including premiums and changes thereto, in accordance with the provisions of this MOA.

II. DEFINITIONS

As utilized in this MOA, the term "total average plan cost of medical, dental and vision premiums" means the cost of premiums not diminished by funds from the Rate Stabilization Fund applied to reduce City and employee costs, which shall be determined using the following calculation:

For each program year of January 1, through December 31, after 2005, multiply the number of City employees covered by this MOA in each medical plan, as of June 30, of the applicable program year by the respective monthly medical plan premiums charged departments and the respective monthly premiums paid by those employees to determine the total monthly medical premiums. Divide the resulting total by the total number of employees covered by this MOA to determine the average monthly plan medical premium. Conduct the same calculations for the dental and vision plans. Total the average monthly medical, dental and vision plan premiums derived from these calculations, add to this total the monthly amount utilized if any from the Rate Stabilization Fund referenced in IV, below, to reduce City and employee costs, and multiply by twelve to determine the total average plan cost, as referenced in this section, and sections VII and VIII, below.

As utilized in this MOA, the term “average City cost of medical, dental and vision premiums” means the cost of premiums excluding resources from the Rate Stabilization Fund (hereinafter “Fund”) and employee premium sharing, which shall be determined using the following calculation:

For each program year of January 1, through December 31, after 2005, multiply the number of City employees covered by this MOA in each medical plan, as of June 30, of the applicable program year by the respective monthly medical plan premiums charged departments to determine the total monthly City medical premiums. Divide that total by the total number of employees covered by this MOA to determine the average monthly City medical premium. Conduct the same calculations for the dental and vision plans. Total the average monthly City medical, dental and vision plan premiums derived from these calculations and multiply by twelve to determine the average City cost, as referenced in this section, and sections VII and VIII, below.

III REQUIRED CITY CONTRIBUTION

For each program year of January 1, through December 31, after 2005, the City shall pay up to one hundred and seven percent (107%) of the average City cost of medical, dental and vision premiums for the previous January 1, through December 31, period towards the projected, increased premium costs of employee medical, dental and vision programs that have been approved by the Committee.

If the total average plan cost for medical, dental and vision premiums for a program year of January 1, through December 31, after 2005, is projected by the Labor-Management Health Care Committee to exceed one hundred and seven percent (107%) of the average City cost of medical, dental and vision premiums paid by the City for the previous January 1, through December 31, program year, the matter shall be addressed as provided in section VII.

If the total average plan cost for medical, dental and vision premiums for a program year is projected to be less than one hundred and seven percent (107%) of the average City cost of medical, dental and vision premiums paid by the City for the previous program year, the City shall only be obligated to pay that percentage increase in the average City cost of medical, dental and vision premiums paid by the City for the previous program year that is required to cover the projected increased total average plan cost for medical, dental and vision premiums.

IV. RATE STABILAZATION FUND

The Fund previously established by the parties shall be continued for utilization in year 2006 and beyond for the purposes described below. The initial funding shall be that level of funding that is contained within said previously existing Fund on the effective date of this MOA. The Fund shall also include money contributed on behalf of other

Unions that may become a party to the MOA in the future, in addition to any interest, refunds, performance, guarantee payments, excess premium revenues and other money that may become available or that is placed in the Fund as described in VIII, below. All such money shall be proportionately determined based upon the number of employees that are represented by the Unions that are a party to this MOA.

V. LABOR-MANAGEMENT HEALTH CARE COMMITTEE

The Committee shall continue as previously established by the parties. The Committee shall be composed of six (6) voting representatives identified annually by the Unions that are or become subject to this MOA, and six (6) voting representatives selected annually by the City. The Committee shall function as defined by the protocol and procedures previously established by the Committee or as hereinafter amended by the Committee.

VI. COMMITTEE RESPONSIBILITIES

In addition to those specific responsibilities defined in sections VII and VIII, below, the Committee shall have responsibility for the following:

- a. Reviewing quarterly reports of fund activity for the Fund provided for in section IV, above.
- b. Reviewing medical, dental and vision claims activity and plan performance at each monthly meeting. The Committee can request preparation of special reports to monitor specific areas of concern or interest to the extent that the costs for such request(s) can be accommodated as part of the Personnel Department budget and/or the contract terms with consultants. The benefits consultant shall participate in these reviews on at least a quarterly basis.
- c. Determining benefit plan design. The Committee can request that research and study reports be prepared by staff and/or consultants to the extent that the costs for such request(s) can be accommodated as part of the Personnel Department budget and/or the contract terms with consultants, and may share employee feedback on benefit issues.
- d. Selection of health care plan providers and consultants, and participation in the Request for Proposal process when appropriate.
- e. Authorizing expenditures from the Fund to pay the cost for mailings to Union members, costs for special research and/or study reports referenced in b and c, above, that exceed the Personnel Department budget and/or the contract terms with consultants, and related costs associated with educational activities intended to positively impact plan cost.

VII. DECISION-MAKING ASSOCIATED WITH COST PROJECTIONS

If the total average plan cost of medical, dental and vision premiums for any program year (January 1 through December 31) after 2005 is projected to be greater than seven percent (7%) over the average City cost of medical, dental and vision premiums paid by the City for the prior program year (January 1, through December 31), then:

- a. The Committee must utilize existing Fund resources (including any special reserve resources pursuant VIII, below) applied to the total, annual premiums of the respective health care plan(s) to the extent necessary or until all the Fund is exhausted in an effort to remain within the projected total plan costs of medical, dental and vision premiums.
- b. If the Fund is exhausted, excess costs shall be addressed by the City paying eighty-five percent (85%) of the total excess costs, and employee premium sharing shall be increased in such a manner so that fifteen percent (15%) of the total excess costs are addressed.
- c. The respective health care plan benefit designs may only be modified by the agreement of the Committee.
- d. No decision by the Committee shall be permitted that modifies the percentages established in b, herein.

VIII. DECISION-MAKING ASSOCIATED WITH ACTUAL EXPERIENCE

Once the actual health care costs for a given program year have been determined, the Committee shall assess whether or not those costs exceeded premiums paid by the City, money utilized from the Fund, and premiums paid by employees.

If the actual total plan costs of medical claims or premiums and dental and vision premiums were less than the premiums paid by the City, money utilized from the Fund, and premiums paid by employees, the positive balance shall be retained as a reserve in the Rate Stabilization Fund until the Committee makes projections for health care premium rates for the next program year to determine whether and/or to what extent all or a portion of this positive balance must be utilized as part of the decision-making process defined in VII, a, above. Once such projections are made, the Committee shall address the disposition of any remaining positive balance.

If the actual total plan costs of medical claims or premiums and dental and vision premiums were more than the premiums paid by the City, money utilized from the Fund, and premiums paid by employees, the Committee shall determine the amount by which the premiums paid by the City, money utilized from the Fund, and premium shares paid by employees were exceeded. The Committee shall be required to address recovering the negative balance from the prior year through the decision-making process defined in VII, above, for cost projections for the next program year.

IX. AMENDMENTS

This MOA may be amended to the extent authorized by law upon agreement by the Committee or by the signatories.

X. DEFINITION OF THE TERM "AGREEMENT"

The definition of having reached an "agreement" as contemplated in sections VI, VII, VIII, and IX, above, shall mean that at least four (4) of the Labor members and four (4) of the City members of the Committee concur with the decision in question.

XI. TERM OF AGREEMENT

This MOA shall be valid for two (2) years from January 1, 2006, and shall renew itself for a three-year period on each third-year anniversary of said date. Provided, however, the City or a Union which is a party to this MOA may give notice not more than one hundred twenty (120) days prior to a third-year anniversary date of their intent to amend this MOA through the collective bargaining process or withdraw as a party to which the terms of this MOA are applicable. In the latter case, the MOA shall remain in full force and effect for all Unions which remain a party to it and the City, if the City has not withdrawn.

Signed this 18th day of August, 2005.

APPENDIX E
Janus Memorandum of Understanding (MOU)

The following MOU attached hereto as Appendix E and signed by the City of Seattle and the Coalition of City Unions (“Parties”), is adopted and incorporated as an Appendix to this Agreement to address certain matters with respect to membership and payroll deductions after the U.S. Supreme Court’s decision in Janus v. AFSCME. The Agreement is specific and limited to the content contained within it. Nothing in the MOU is intended, nor do the Parties intend, for the MOU to change the ability to file a grievance on any matter of dispute which may arise over the interpretation or application of the collective bargaining agreement itself. Specifically, nothing in the MOU is it intended to prevent the filing of a grievance to enforce any provision of the Union Engagement and Payroll Deductions Article 3. Any limitations on filing a grievance that are set forth in the MOU are limited to actions that may be taken with respect to the enforcement of the MOU itself, and limited specifically to Section B of the MOU.

MEMORANDUM OF UNDERSTANDING
By and Between THE CITY OF SEATTLE
and
COALITION OF CITY UNIONS
(Amending certain collective bargaining agreements)

Certain Unions representing employees at the City of Seattle have formed a coalition (herein referred to as “Coalition of City Unions”) to collectively negotiate the impacts of the Janus v. AFSCME Supreme Court decision and other conditions of employment with the City of Seattle (herein referred to as “City;” together the City and this Coalition of City Unions shall be referred to as “the Parties”); and,

This Coalition of City Unions for the purpose of this Memorandum of Understanding (MOU) shall include the following individual Unions, provided that the named Unions are also signatory to this MOU: the International Brotherhood of Boilermakers, Iron Ship Builders, Blacksmiths, Forgers and Helpers, Local 104; the International Union of Painters and Allied Trades District Council #5; the Inland Boatmen’s Union of the Pacific; Professional and Technical Engineers, Local 17; the International Brotherhood of Teamsters, Local 117; the International Brotherhood of Electrical Workers, Local 46; the United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry, Local 32; the International Brotherhood of Teamsters, Local 763; the International Union of Operating Engineers, Local 286; the UNITE Hotel Employees & Restaurant Employees, Local 8; the Public Service & Industrial Employees, Local 1239; the Washington State Council of County and City Employees, Local 21; the International Alliance of Theatrical Stage Employees and Moving Picture Technicians, Artists and Allied Crafts of the United States and Canada, Local 15; the Sheet Metal Workers International Association, Local 66; the Seattle Municipal Court Marshals’

Guild; the Pacific Northwest Regional Council of Carpenters; the International Association of Machinists and Aerospace Workers, District Lodge 160, Local 289; the Seattle Parking Enforcement Officers Guild; the Seattle Police Dispatchers' Guild; the Seattle Police Management Association; and the Seattle Police Officers' Guild.

Background

In June of 2018, the United States Supreme Court issued the Janus v. AFSCME decision. In response to this change in circumstances, this Coalition of City Unions issued demands to bargain regarding the impacts and effects of the Janus v. AFSCME Supreme Court decision.

Included in the Parties collective bargaining agreements is a subordination of agreement clause that in summary states, "It is understood that the parties hereto and the employees of the City are governed by the provisions of applicable federal law, City Charter, and state law. When any provisions thereof are in conflict with or are different from the provisions of this Agreement, the provisions of said federal law, City Charter, or state law are paramount and shall prevail."

The parties have agreed to engage in negotiations over the impacts and effects of this change in circumstances to reflect compliance with the Janus v. AFSCME Supreme Court decision.

Agreements

Section A. Amended Union Dues and Membership Language

The Parties agree to amend and modify each of the Parties' collective bargaining agreements as follows:

Article X - Union Engagement and Payroll Deductions

The City agrees to deduct from the paycheck of each employee, who has so authorized it, the regular initiation fee, regular monthly dues, assessments and other fees as certified by the Union. The amounts deducted shall be transmitted monthly to the Union on behalf of the employees involved. The performance of this function is recognized as a service to the Union by the City and The City shall honor the terms and conditions of each worker's Union payroll deduction authorization(s) for the purposes of dues deduction only. The Union agrees to indemnify and hold the Employer harmless from all claims, demands, suits or other forms of liability that arise against the Employer for deducting dues from Union members, including those that have communicated a desire to revoke a previous deduction authorization, along with all other issues related to the deduction of dues or fees.

The City will provide the Union access to all newly hired employees and/or persons entering the bargaining unit within thirty (30) days of such hire or entry into the

bargaining unit. The Union and a shop steward/member leader will have at least thirty (30) minutes with such individuals during the employee's normal working hours and at their usual worksite or mutually agreed upon location.

The City will require all new employees to attend a New Employee Orientation (NEO) within thirty (30) days of hire. The NEO will include an at-minimum thirty (30) minute presentation by a Union representative to all employees covered by a collective bargaining agreement. At least five (5) working days before the date of the NEO, the City shall provide the Union with a list of names of their bargaining unit attending the Orientation.

The individual Union meeting and NEO shall satisfy the City's requirement to provide a New Employee Orientation Union Presentation under Washington State law. The City of Seattle, including its officers, supervisors, managers and/or agents, shall remain neutral on the issue of whether any bargaining unit employee should join the Union or otherwise participate in Union activities at the City of Seattle.

New Employee and Change in Employee Status Notification: The City shall supply the Union with the following information on a monthly basis for new employee's: name, home address, personal phone and email (if a member offers), job classification and title, department, division, work location, date of hire, hourly or salary status, compensation rate.

Any employee may revoke their authorization for payroll deduction of payments to their Union by written notice to the Union in accordance with the terms and conditions of their dues authorization. Every effort will be made to end the deductions effective on the first payroll, and not later than the second payroll, after receipt by the City of confirmation from the union that the terms of the employee's authorization regarding dues deduction revocation have been met. The City will refer all employee inquiries or communications regarding union dues to the appropriate Union.

Section B. Agreement on Impacts of the Janus v. AFSCME Supreme Court decision.

The Parties further agree:

1. Member Training: During each year of this agreement a Union's principal officer may request that Union members be provided with at least eight (8) hours or one (1) day, whichever is greater, of paid release time to participate in member training programs sponsored by the Union. The Parties further agree that the release of employees shall be three (3) employee representatives per each Union in an individual Department; or two percent (2%) of a single Union's membership per each department, to be calculated as a maximum of two percent (2%) of an individual Union's membership in that single department (not citywide), whichever is greater. The approval of such release time shall not be unreasonably denied for arbitrary and/or capricious reasons. When granting such requests, the City will take into consideration the operational needs of each Department. At its sole discretion, the City may approve

paid release time for additional employee representatives from each Department on a case-by-case basis.

2. The Unions shall submit to the Office of Labor Relations and the Department as far in advance as possible, but at least fourteen (14) calendar days in advance, the names of those members who will be attending each training course. Time off for those purposes shall be approved in advance by the employee's supervisor.

3. New Employees: The City shall work with the Seattle Department of Technology to develop an automated system to provide the Union with the following information within ten (10) working days after a new employee's first day of work: name, home address, personal phone and email (if a member offers), job classification and title, department, division, work location, date of hire, hourly or salary status, compensation rate, FTE status. Until the process has been automated the departments may provide the Union notice at the same time the department notifies SDHR benefits, by sending an email to the Union providing the notice of hire. Upon automation departments may elect to not provide notice to the Unions and official notice will only be given by SDHR. The Parties agree to continue to work with departments to provide notice of new hires to the Union no later than 10 working days from the employee first day of work.

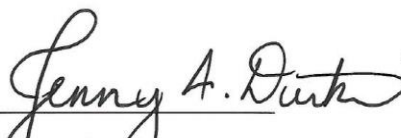

4. This agreement is specific and limited to the referenced demand to bargain and the associated negotiations related to the impacts regarding the Janus v. AFSCME decision and sets no precedent or practice by the City and cannot be used or introduced in any forum or proceeding as evidence of a precedent or a practice.

5. Issues arising over the interpretation, application, or enforceability of the provisions of this agreement shall be addressed during the Coalition labor management meetings and shall not be subject to the grievance procedure set forth in the Parties' collective bargaining agreements.

6. The provisions contained in "Section B" of this MOU will be reviewed when the current collective bargaining agreements expire. The Parties reserve their rights to make proposals during successor bargaining for a new agreement related to the items outlined in this MOA.

7. This Parties signatory to this MOU concur that the City has fulfilled its bargaining obligations regarding the demand to bargain filed as a result of the Janus v. AFSCME Supreme Court decision.
