Selected Achievements

- Serving in a Chief of Staff role to Amazon's Vice President for International Public Policy (IPP) & Government Affairs, helping drive policy impact for priority campaigns, working across business, policy, and legal leadership teams to enable policy development and coordination, multilateral engagements, executive-to-policymaker interactions, and ops. These efforts help facilitate Amazon's (non-AWS) policy and government affairs work across Europe, Turkey, the Middle East and Africa, India, and wider Asia Pacific, in support of Amazon's global consumer and digital businesses.
- Served as the Legislative Director for the Chairman of the House Ways & Means Trade Subcommittee:
 - Authored and passed key provisions of the US OUTDOOR and RAIN Acts to protect against counterfeits and reduce trade barriers, reduced tariffs and modified rules of origin in the TPP and proposed T-TIP agreements, and strengthened Section 301 enforcement provisions.
 - Authored and passed the STRONGER Act, creating the first USG-wide Trade Enforcement and Capacity Building Fund, which more than doubled – to \$30 million – the resources available for both the enforcement and implementation of our trading partners IP, labor, environment, and other trade agreement-related obligations.
 - Led long-term efforts culminating in the establishment of ex officio border enforcement against all suspected counterfeit goods in a US-Mexico-Canada (USMCA) trade agreement.
- Led a bipartisan, multi-year effort to pass a Water for the World Act, one of the only major pieces of foreign aid reform to become law during the Obama administration.
 - The Harvard Kennedy School's Ash Center for Democratic Governance and Innovation selected this effort to be part of [a groundbreaking package of cases, simulations, and exercises](#) for teaching effective legislative negotiation and how to work across the aisle.
- With a bias for action, I helped Representative Blumenauer secure the second highest Legislative Effectiveness Score among House Democrats and pass more bills and amendments into law than 90 percent of his peers while serving as his Legislative Director.
