

## Amendment 1 to CB 120364 – Establishment of Truck Tractor Parking Zones

**Sponsor:** Councilmember Pedersen

Require a Director's Rule for the implementation of truck tractor parking zones

**Effect:** This amendment would require SDOT to issue a Director's Rule for the implementation of truck tractor parking zones. Issuing a Director's Rule would serve to document SDOT's decision-making processes and allow for greater public transparency in the establishment of these zones.

Revise Section 1 of CB 120364 as follows:

Section 1. A new Section 11.72.445 is added to the Seattle Municipal Code as follows:

### **11.72.445 Truck tractor parking**

No person shall stop, stand, or park a vehicle other than a truck tractor as defined in Section 11.14.685 in a space designated for truck tractor parking during the hours truck tractor parking is in effect as indicated by sign posting for the space. The Director of the Seattle Department of Transportation shall promulgate rules to implement this Section 11.72.445, including but not limited to a description of the justification for truck tractor parking zones, the criteria used to locate these zones, and the public outreach process for implementing these zones.
