1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to Seattle Public Utilities; authorizing the General Manager/CEO of Seattle Public Utilities to accept a non-exclusive easement within the Shilshole Bay Waterway, previously known as the Salmon Bay Waterway of the Lake Washington Ship Canal, from the Washington State Department of Natural Resources for a City-owned sanitary sewer line; and ratifying and confirming certain prior acts.

Summary and Background of the Legislation: In 2017 Seattle Public Utilities (SPU) discovered damage to the sewer line which crosses the Shilshole Bay Waterway, owned by the Washington State Department of Natural Resources (DNR). DNR has given SPU permission to install a new sewer line on an emergency basis.

The sewer line easement granted by DNR for the existing sewer line is aligned differently than the plan for the new sanitary sewer line, requiring SPU to seek this new easement.
