

Wheeling Agreement Amendments  
North Shore and Olympic View  
Wholesale Water Customers

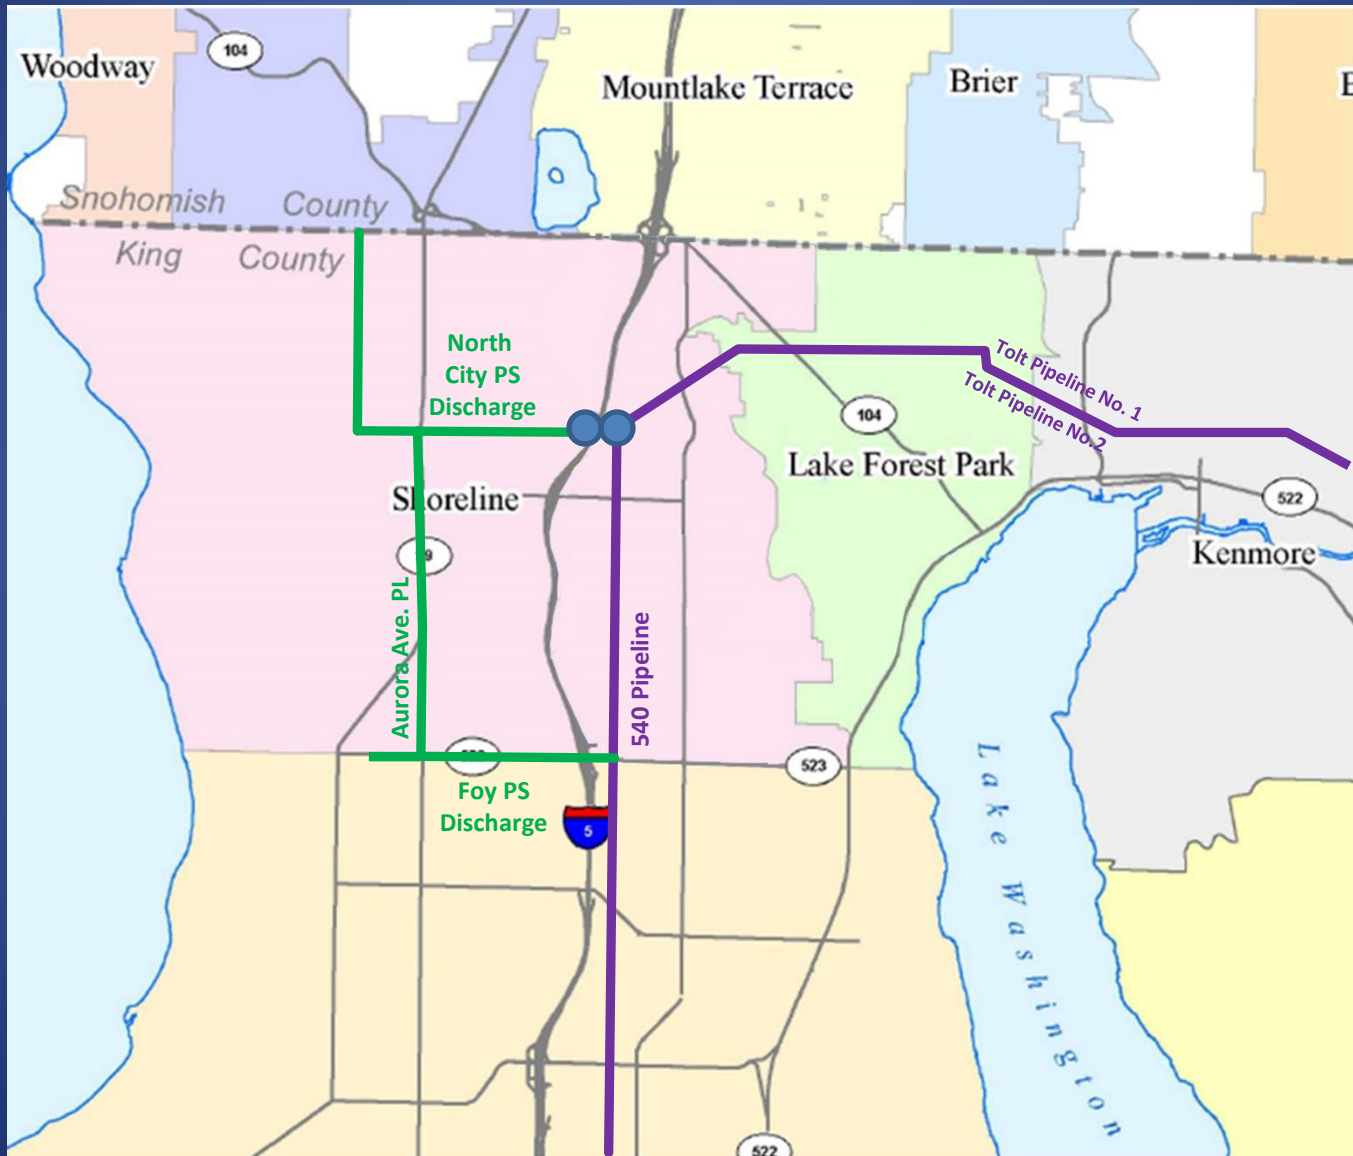

Seattle Public Utilities and Neighborhoods  
Committee

December 8, 2015

# Seattle Wholesale Water Customers

# Northwest Sub-regional System

# Wheeling Amendments

- Why amend?
  - Better rate predictability for the two wholesale customers
- Amendment:
  - Seattle agrees to use same rate “formula” unless there’s major changes in system assets or uses
  - The two utilities can give input on system projects with costs that could affect their wheeling rate
