Amendment 1 Version 1 to RES 32100 - LEG Lid I-5 RES

Sponsor: Councilmember Lewis

Extend the study area north to Thomas Street

Effect: The amendment would extend the northern boundary of the area called out as a potential location for lids two blocks to the north, from Denny Street to Thomas Street. This extension would include the section of Interstate 5 next to the 220-unit Denny Terrace apartments, owned by the Seattle Housing Authority. Lids north of Denny Way could also improve pedestrian connections between the residential community on west Capitol Hill and South Lake Union.

Section 1. The City of Seattle supports efforts to lid Interstate 5, where feasible within the city limits, including but not limited to the area between South Dearborn Street and ~~((Denny Way))~~ Thomas Street, and the area between NE 45th Street and NE 50th Street.
