No.

No.

f) Does this legislation affect a piece of property?

- g) Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities?**

While people of color now comprise 35% of the general population in King County, nearly double that proportion (67%) of people living in emergency shelter and transitional housing are people of color. This legislation allows the Department to achieve results for the most vulnerable citizens, including those impacted by homelessness/housing instability; the data shows that people of color are disproportionately represented in services for the homeless.

- h) If this legislation includes a new initiative or a major programmatic expansion: What are the long-term and measurable goals of the program? Please describe how this legislation would help achieve the program's desired goals.**

The goal of this legislation is to incentivize regional partners to expand shelter capacity for homeless individuals and family.
