Budget Action description:

This green sheet would add \$400,000 GSF to HSD to double funding available for the Career Bridge program. Career Bridge was started by the Black Prisoners' Caucus inside prison and was supported by a coalition of community organizations outside prison to provide career support to prisoners upon their release. In 2014 and 2015 the City of Seattle provided \$400,000 to support this highly successful program, and with more funds, more services could be provided. This green sheet doubles this funding to \$800,000 to allow for a significant increase in capacity.
