Budget Action Description:

This Council Budget Action would impose a proviso on \$500,000 of Seattle Transportation Benefit District (STBD) Fund in 2023 in the Seattle Department of Transportation's (SDOT's) STBD - Transit Improvements (MC-TR-C108) CIP project to complete the transit-related Roosevelt Way NE and NE 41st St Safety Enhancements project. This project provides transit accessibility improvements to the RapidRide J line and is a candidate project for the 2022-2024 Neighborhood Street Fund grant cycle.

This Council Budget Action would impose the following proviso:
 "Of the appropriations in the Seattle Department of Transportation's 2023 budget for the Seattle Transportation Benefit District - Transit Improvements (MC-TR-C108) project in the 2023-2028 Capital Improvement Program, \$500,000 is appropriated solely for the Roosevelt Way NE and NE 41st St Safety Enhancements project to improve transit accessibility, and may be spent for no other purpose."
