Memorial Stadium Redevelopment Project:

The Mayor's 2025-2026 Proposed Budget includes funding for the Memorial Stadium Redevelopment Project. This project may be considered a proposed City-Private Partner Project subject to notice and hearing provisions in Resolution 31203.

The Memorial Stadium Redevelopment Project will redevelop and enhance the stadium. The Seattle Public Schools (SPS) Building Technology Academics & Athletics (BTA V) levy approved by Seattle voters in February 2022 contains \$66.5 million for a basic student athletic stadium. Under a letter of intent signed by SPS and the City in October 2021 and a November 2022 Memorandum of Agreement, SPS and the City are collaborating on a plan for a new enhanced stadium. The new facility will transform the heart of Seattle Center with a state-of-the-art stadium that will serve SPS's needs for athletic events and graduations and be a major civic venue for arts, cultural, sports, and community events.

In June 2023, following a Request for Proposals, the Mayor and School Superintendent agreed to enter into negotiations with One Roof Stadium Partnership ("One Roof") to jointly develop an enhanced stadium. In 2024, Seattle Center, SPS, and One Roof reached an important milestone by aligning on key project terms. In addition to the \$66.5 million SPS levy money and \$3.95 million from the State capital budget, Seattle Center's 2025-2030 Proposed Capital Improvement Program includes the balance of the City's planned \$40 million contribution to the Memorial Stadium Redevelopment Project. One Roof will be responsible for private fundraising to generate the additional funding to complete the project.

Questions about the project can be directed to Adam Schaefer of the City Budget Office (email: adam.schaefer@seattle.gov; phone: 206-247-2735).
