## Budget Action Description:

This Council Budget Action would add \$200,000 GF to the Human Services Department's (HSD's) 2021 budget to increase services and harm reduction programs at social service agencies that serve people who use drugs daily, such as Aurora Commons, the Hepatitis Education Project, and REACH. The proposed increase would allow social service providers to expand hours, increase staff, expand to additional locations, provide peer and community outreach, implement good neighbor agreements for syringe pickup, provide participant incentives, explore Medicaid reimbursement for services, and make safety improvements. The expansion of these services would build on recommendations of the Heroin and Prescription Opiate Addiction Task Force and subsequent requests from collaborative groups, such as Just Access to Health.

This action would impose the following proviso:
